

## **Meeting Agenda – Joint Meeting of the Plan Commission and Board of Trustees**

---

**You are receiving this email as you have previously contacted the Village regarding Erickson's application to redevelop the former Green Acres Country Club property. Please be aware that the joint public hearing of the Village Board and Plan Commission scheduled for 7:30 p.m. on Tuesday, May 9, 2023 has been cancelled. The cancellation is due to a request from the applicant (Erickson) to continue the public hearing to a later date which is permitted by the Village zoning code.**

**As such, the Plan Commission will not convene a meeting on 5/9 and the Village Board (while still meeting due to other business matters) will not take public comments on the Erickson application on Tuesday, May 9, as the application is pending and must be done in a public hearing. The only discussion of the Board related to the matter on Tuesday will be the action to continue/cancel the hearing. Of course, the Village will formally advertise a new date of a public hearing once that date is determined.**
