May 2010

Weekend Events

MEMORIAL DAY

in Northbrook

Memorial Day Weekend Activities Thursday, May 27th thru Monday, May 31st

The Wall is Back!

May 27 thru Sunrise June 1

Visit the Vietnam Veterans Memorial Wall Bring your Friends and Family to Reflect

This breathtaking 80% replica is open to the public on the Village Green for free visitation 24 hours a day from Thursday, May 27, through sunrise, June 1. Nightly sunset services will be at 8pm. *Complete schedule is on the back page.*

Posting of Flags on Veterans Gravesites

Saturday, May 29, 6pm

The Sacred Heart Cemetery on Lee Road, just north of Dundee Road on the east side, will have a Flag Posting of U.S. Flags on over 150 Veteran's grave sites. The posting will take about one to two hours.

Memorial Day Parade

Monday, May 31, 10:30am

The parade steps off from the corner of Cherry and Western on Monday at 10:30am and continues east on Cherry/Church to the Village Green. Bands from local schools will be marching and performing following the parade.

Flags Around Northbrook

All Weekend Long

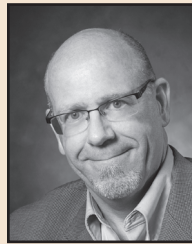

Don't forget to fly old glory high in support of our F.A.N. program (Flags Around Northbrook.)

NOTE: Distressed Flags* will be collected through Sat., May 22, at Northbrook Village Hall, Do it Best Hardware, Northbrook Library, and the American Legion Post 791 at 1354 B. Shermer Rd.

*Collection of stressed flags is the Eagle Scout project of Northbrook Scout Bennett Baker. ❀

Department Consolidation Streamlines Building & Planning Processes

As part of a significant reorganization process, the Building and Development Department and the Community Planning Department were combined to form a new Department of Development and Planning Services. This consolidation is intended to improve services and reduce operating costs.

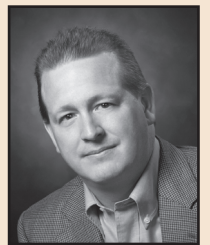

The new department is headed by Tom Poupard, pictured left, who had previously been the Director of Community Planning. The Department of Development and Planning Services will oversee development proposals from the time of their inception (the planning process) through building plan approval, construction and occupancy. Staff in the department will also ensure that maintenance issues associated with homes and businesses are properly resolved. The department will also continue to work on economic development, zoning administration and transportation planning efforts on behalf of the businesses and residents in Northbrook.

If you are planning to do any type of construction or remodeling work in your home or business, please contact the Development and Planning Services Department at 847 272-5050, ext. 4241, to see if any types of Village permit or safety inspection are required. You can also go to the Village's website, www.northbrook.il.us, for additional information.

New Director for Public Works

Due to the retirement of Public Works Director Jim Papreck, Assistant Public Works Director Kelly Hamill, pictured right, was promoted to the director's position. Kelly brings 11 years of municipal experience with the Village of Northbrook. On behalf of the Village of Northbrook, we congratulate Kelly Hamill on his promotion and wish Jim Papreck a happy retirement after serving the Village of Northbrook for nearly 40 years!

Also retiring from the Village... see page 3.

Notes from Village President Sandy Frum

Sandy

🌸 The April 27 Village Budget Hearing...

At the regular meeting on April 27, 2010, the Village Board approved a budget of \$72,769,945 for the 2010/11 fiscal year which began on May 1, culminating a transparent and open budget review process.

In February, the Board began reviewing a first draft that contemplated a General Fund deficit of \$1.588 million. Due to many years of sound planning and fiscal prudence, we did have sufficient reserves to maintain the status quo and absorb this deficit. However, the Board and staff were unanimous in agreement that deficit spending to such a large degree would not be prudent. We also agreed that our top priority and responsibility was to maintain our high levels of service to the community. These conflicting goals, during these challenging economic times, created the most difficult budget situation the Village has seen at any time in its history.

During more than two months of deliberations, the Board made many difficult decisions in order to reduce the deficit. The most significant were:

- ➔ Elimination of six full-time positions that had been vacant due to attrition.
- ➔ Elimination of four full-time positions through a voluntary separation incentive to all full-time employees other than sworn Police Officers and Firefighters.
- ➔ Elimination of six full-time positions and one part-time position through consolidation and reorganization. Two of the eliminated positions have been restructured and will be filled in different capacities. The main areas of reorganization focused on consolidating the Building & Development and Community Planning departments into a new Department of Development & Planning Services. This consolidation is intended to improve services and reduce operating costs. Certain internal operations, including Information Technology, were also reorganized as part of this process.
- ➔ A provision for 2% salary increases to our non-union employees. This is the first time that non-union employees will receive lower salary increases than are being provided to the union employees under previously approved collective bargaining agreements.

In total, the Village's workforce will be reduced by 5%, or 14 full time employees, across various departments. Along with a reduction in our health insurance premiums achieved through positive claims experience, these actions have eliminated the anticipated deficit and we are now projecting a surplus of approximately \$30,000.

All this has been done with an eye toward reviewing how the Village does business, without relying solely upon across the board cuts. What these actions have done is solidify our resolve to continue to make informed and thoughtful changes to the way we operate, without being reactive. It is with this in mind that I have directed staff to work with the Board on what I have termed a "zero-based services" review. Through the course of this coming fiscal year, programs in our largest three departments – police, fire and public works – will be dissected and evaluated to determine if they are necessary and cost efficient. The Board will then be able to assess whether programs need to be modified in some way, or eliminated altogether, as we continue our focus on smart government in Northbrook. In addition, we will be reviewing our compensation policies and will evaluate our financial reports and statements to ensure they are as clear as possible.

Since 1994, the Village has had a policy of maintaining reserves of at least 40% of revenues. The effects of the above decisions would have produced reserves at April 30, 2011 which were \$3 million above the 40% policy. In light of that, the Board decided to return slightly more than half this amount to the community by transferring: \$1.2 million to the Water Fund in order to delay a planned rate increase as well as continue our schedule of water main replacements; and \$350,000 to the Parking Fund to resurface the West Commuter Lot without having to increase parking fees. This will still leave the General Fund with reserves equal to 44% of revenues and maintain our financial flexibility to meet future challenges. As we did last year, the Board will continue to closely monitor the Village's financial condition through quarterly budget reviews and make changes or adjustments as necessary.

I would like to thank the Village Board, Village Manager and staff for their diligent efforts in preparing this budget. In particular, I want to express my appreciation to Trustee Mike Scolaro for shepherding this difficult but necessary process.

🌸 Census Takers Begin Visiting Households...

On May 1, census takers will be going to every household that did not return or did not receive a census form. The enumerators, who have been hired locally, will carry an official badge and shoulder bag. The census taker will complete the questionnaire, which should take about 10 minutes. If no one is home, a "notice of visit" will be left at the door inviting the resident to call the census taker to complete the form over the phone. Please note that census takers will not ask to come into your home, nor will they ask for any additional information that is not on the form. 🌸

Village Retirees

James Papreck, Public Works Director: Jim started with the Village in January, 1973 as a maintenance worker and worked his way up to the Public Works Director position in 2007, after serving as Assistant Director of Public Works for 19 years. During his nearly 40 years with the Village, he has worked numerous record snow storms, a micro burst and major water main breaks and was instrumental in acquiring Federal Disaster Reimbursement funds for the Village. Jim was best known for his extensive knowledge and pioneering of the Village's computer applications. An additional accomplishment occurred on January 15, 1977, when Jim retained his world crown in the unusual sport of barrel jumping during a world barrel jumping championship held here in Northbrook.

Mary Bernier, Village Sanitarian: Mary was hired in September 1991, after working with Cook County Department of Public Health for ten years. During her almost 19 years with the Village, Mary developed and coordinated Northbrook's Earth and Arbor Day, initiated special recycling projects and inspected over 150 Village eating establishments bi-annually, in addition to special events such as Northbrook Days, Summerfest and Art in the Park. Most recently, Mary has been especially busy with foreclosures, assisting social services with home living concerns and resolving property maintenance issues.

Joseph Ravagni, Water Distribution Supervisor: Joe started with the Village on May 16, 1974 as a maintenance worker and worked his way up to a supervisory position. During his 36 year career, he was instrumental in establishing the fire hydrant and water valve atlases and annual maintenance programs.

Gary Biederer, Sewer Supervisor: Gary started with the Village on December 1, 1974 as a maintenance worker and worked his way up to a supervisory position. During his 36 year career, he served as a union steward for 17 years and was instrumental in contract negotiations with Local 150 for every contract. He was best known for his extensive knowledge of sewer problem solving.

David Bouchard, Maintenance Worker: David started with the Village on August 2, 1974 as a maintenance worker after serving his country during the Vietnam War. Although David has worked on all the crews over the years, his specialty was maintaining the Village street lighting system. David was known for his willingness to respond in emergency situations.

Andy Moore, Police Property Officer: Andy was hired in November, 1997 after retiring as a lieutenant with 30 years of service at the Evanston Police Department. Andy maintained security and integrity of police evidence and property to ensure proper chain of custody regulations.

Congratulations to all the retirees on behalf of the Village of Northbrook.
We wish them all a long and happy retirement! 🌸

How to Appeal Property Tax Assessments

Cook County Board of Review Commissioner Brendan Houlihan, along with Village President Sandy Frum, will be holding a seminar on how to appeal your property assessment should you believe you are over assessed in Cook County. The seminar will be held on Wednesday, May 26, 7:00pm at the Village Hall, 1225 Cedar Lane.

The presentation will explain how to file an appeal and how an appeal is granted. Attendees are asked to bring their tax bills in order to more effectively file. There will be a short presentation and staff from the Property Tax Appeals Board of Review will be available to answer questions and help fill out appeal forms.

Any questions? Please contact Commissioner Houlihan's office at 312 603-3644 or please visit www.cookcountyboardofreview.com for more information on how to file and appeal. 🌸

Help Keep Northbrook Peaceful

Please be

Considerate of Your Neighbors!

The Northbrook Arts Commission (NAC) encourages you and your family to enjoy the arts events highlighted in color.

Special Community Happenings

Celebrate 25 Years of the "Just Say No" Parade

Just Say "No" to Drugs and "Yes" to Healthy Choices

Everyone Is Invited to Participate in this Community Event!

On Friday, May 7, Northbrook Citizens for Drug and Alcohol Awareness (NCDAA) will be sponsoring its 25th Annual "JUST SAY NO" Walk and Rally. Encourage your friends and neighbors to participate in the Pre-Walk activities from 3:30-4:15pm. The Walk will begin at 4:15pm at the United Methodist Church on the corner of Cherry and Western, to Meadow.

A Rally will be held at St. Norbert School across from the Village Green at 4:45pm. Registration is not required to participate, so all are welcome to join in on the fun. Please call 847 272-7870 for details or check out the web site at www.ncdaa.org

In case of inclement weather, all activities will take place at St. Norbert School Gym from 4:15-5:00pm. 🌸

On Sunday, June 6, Northbrook Police Officers will participate in the

2010 Law Enforcement Torch Run for Special Olympics

ILLINOIS

LAW ENFORCEMENT
TORCH RUN

FOR SPECIAL OLYMPICS

Please consider sponsoring the Northbrook Officers as they participate in the Torch Run; 100% of all donations go directly to the Illinois

Special Olympics. Please make checks payable to "SPECIAL OLYMPICS ILLINOIS" and mail to the Northbrook Police Department, 1401 Landwehr Rd., Northbrook, IL 60062.

The Illinois Law Enforcement Torch Run is an intrastate run involving over 3,000 Officers covering over 1,500 miles. There are over 23 "Legs" that will travel through more than 3,000 communities. Nationwide, the event involves all 50 states as well as many foreign countries.

The Run serves many purposes, including the carrying of the flame that will light the cauldron at the Illinois Special Olympics Summer Games. More importantly, it supports the achievements of over 21,000 Illinois Special Olympic athletes. This event is strongly supported by the Illinois Association of Chiefs of Police as well as local police and other law enforcement professional associations. If you have any questions as to your participation on behalf of the Northbrook Police Department, contact Assistant to the Deputy Chiefs Mary Carlyon at 857 564-2060. 🌸

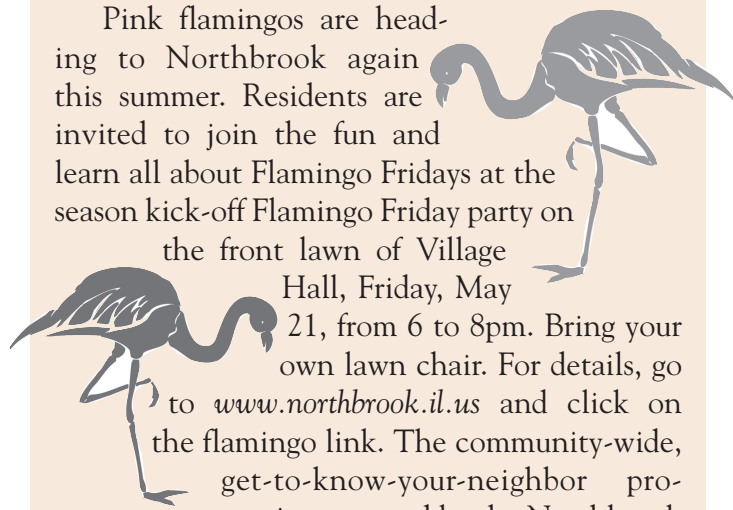

Flamingo Fridays are Back!

Come meet your neighbors. Get to know them better. Or, just socialize with old friends.

Flamingo Fridays Lawn Party Set for May 21 at the Village Hall!

Pink flamingos are heading to Northbrook again this summer. Residents are invited to join the fun and learn all about Flamingo Fridays at the season kick-off Flamingo Friday party on the front lawn of Village

Hall, Friday, May 21, from 6 to 8pm. Bring your own lawn chair. For details, go to www.northbrook.il.us and click on the flamingo link. The community-wide, get-to-know-your-neighbor program, is sponsored by the Northbrook Community Relations Commission. The cost of flamingos is underwritten by Wheels of Northbrook bike shop. 🌸

Village Hall Closing in May:

**Closed Monday, May 31,
in observance of Memorial Day.**

Bike Routes via Google

Finding a Bike Route is Easy... Here's How!

If you are interested in getting around Northbrook and the area by bike and wondering the best route to take, Google Maps now offers a feature that calculates bike routes. To access this feature, try the following steps.

- ❶ Go to www.google.com/maps
- ❷ Select the "Get Directions" button.
- ❸ Enter your starting point and ending point. Then in the pull down menu, change "By car" to "Bicycle". Then select the "Get Directions" button.
- ❹ The directions then pop up. It's that easy!!! Safe biking!

Bike Rack Locations at Northbrook Businesses

The Village of Northbrook Bike Task Force would like to thank the following businesses, shopping areas and office buildings for providing bike racks for their customers, employees, and visitors. If you know of any other businesses that provide bike racks, please let us know so that we may add them to the list.

Charles Schwab – 445 Skokie Blvd.

George Garner Cyclery – 1111 Waukegan Road

Highland Baking – 2301 Shermer Rd.

McDonalds – 200 Skokie Blvd.

Meadow Plaza – Meadow Rd. & Cherry Ln.

Northbrook Court Mall – Lake Cook Rd.

Northbrook Shopping Plaza (Sunset Foods)

One Northbrook Place Office Building – 5 Revere Dr.

Performance Bicycle Shop – 283 Skokie Blvd.

REI & Whole Foods at Willow Festival Shopping Center

Sanders Court Shopping Center – Dundee & Sanders Rds.

Walgreens – Shermer & Waukegan Roads

1361 Shermer Road Office Building

4000 Commercial Avenue Office Building

707 Skokie Boulevard Office Building 🌸

2010 Village Vehicle Stickers and Pet Licenses Available in June

Our easy to use renewal applications will be mailed to your home or business at the end of May. Your mailing should contain all vehicle and animal applications as applicable to each household or business. Please take a moment to review the form and return both copies to the Village. Your stickers/tags, along with your receipt, will be mailed to you promptly after June 1.

All motor vehicles registered to a Northbrook address (residential or business) are required to have Village vehicle stickers. Only persons residing within the corporate limits of the Village are allowed to purchase a Northbrook vehicle sticker. Persons living in unincorporated Cook County must purchase a Cook County vehicle sticker. These are available at the Northfield Township office. 🌸

Construction Season Begins

Now that the warmer weather is here, so is road construction. Drivers are reminded not to use their cell phones in construction zones (or school zones) and to drive carefully. These short term disruptions provide long term benefits to the community. For more information on construction projects in Northbrook and the region, please visit www.northbrook.il.us. Please use caution in Construction Zones and keep our workers safe! 🌸

Zero Tolerance in Northbrook

The Village of Northbrook and the Police Department have a zero tolerance position in regard to underage drinking and possession of alcohol. In addition, the State of Illinois has a zero tolerance position regarding underage drinking and operation of a motor vehicle.

Parents: Understand the laws and make sure your children do as well. 🌸
