Memorial Day Weekend Activities Thursday, May 26 thru Monday, May 30

Field of Honor: Thursday thru Monday At the Village Green Park

A Field of Honor, with 1,901 flags flying in the Village Green, will honor those who gave the ultimate sacrifice, those serving, those who have served, our personal heroes . . . whoever they may be, and the 110th year of our Village's history. The 1,901 flags represent the year (1901) when the Village was incorporated as Shermerville.

Take Part in this Unique Exhibition on the Village Green!

View the Field of Honor during daily open hours from 9am to 9pm and attend the nightly sunset services at 8pm. Enjoy the musical entertainment in the Gazebo on Saturday and Sunday.

Please Volunteer Your Time to Staff this Event!

Help assemble the flags on Saturday, May 21, from 9 to 11:30am and 1 to 3:30pm or on Sunday, May 22, from 1 to 3:30pm. Individuals are also needed for overnight security.

For more information, or to sponsor a flag, call 847/272-7567 or email northbrookhistory@comcast.net Purchased Field of Honor Flags may be picked up on Tuesday, May 31, from 6 to 9pm.

Posting of Flags on Veteran's Gravesites: Saturday 10am

The Sacred Heart Cemetery on Lee Road, just north of Dundee Road on the east side, will have a Flag Posting of U.S. Flags on over 150 Veteran's grave sites. The Closing Ceremony for the Flag Posting will conclude with Taps. The posting of approximately 150 flags usually takes about 1 to 2 hours.

Memorial Day Parade: Monday 10:30am

The parade steps off from the corner of Cherry and Western and continues east on Cherry/Church to the Village Green. Bands from local schools will be marching and performing following the parade. Attend the traditional American Legion Memorial Day ceremony at the Village Green Park immediately following the parade.

Flags Around Northbrook: All Weekend Long

Don't forget to fly old glory high in support of our F.A.N. program (Flags Around Northbrook.) Distressed Flags will be collected at the Field of Honor Event for proper disposal. ☺

The Village Welcomes New Board Member

Please join us in welcoming Robert P. Israel when he is sworn into office on Tues., May 3 at the 7:30pm Village Board meeting. Bob, a 14-year resident, is not a newcomer to Village government as he has served on the Village's Stormwater

Management Commission, the Comprehensive Plan Advisory Committee and the Bicycle Task Force. He also serves on the board of the American Associates for Ben Gurion University and has previously served as a board member of Temple Beth-El in Northbrook. Bob has more than 25 years experience in the Chicagoland region as a licensed civil engineer, and is a Senior Principal Engineer for MACTEC Engineering and Consulting, Inc. Over the past six years, some of his projects included working on the reconstruction of portions of Fort Sheridan and Great Lakes Naval Training Center.

☒ Northbrook Budget Concerns.... Call to Community Action

As I conclude my second year as Village President, many of our struggles are easing, yet others still remain. We are beginning to see the economy recover, but we still face several unknowns moving forward. With this in mind, the Village Board approved the Fiscal Year 2011/12 budget, effective May 1, at its regular meeting on April 12. It is one of the leanest budgets I have seen, cutting expenditures to below the 2007/08 levels while continuing to offer high levels of service in a way that is fiscally responsive and responsible. However, I am deeply concerned about the future and about the possibility of service reductions in Northbrook due in large part to the state budget crisis and potential cuts to local government revenues. The decrease in the Village's population from 34,419 to 33,170, based on the results of the 2010 U.S. Census, has caused us to incur a \$150,000 annual reduction in per capita funding. This reduction has been anticipated in our Fiscal Year 2011/12 budget. What has not been anticipated is the state's possible diversion of Village revenues. In an attempt to balance the state's budget, several legislators have submitted proposals which could take away as much as 30% or more of state-collected local government revenues. By law, the state distributes several sources of revenue to local governments, most of which are allocated based on population. These sources include motor fuel tax, personal and state income tax and use taxes collected on out-of-state purchases. These monies are locally generated; the state is merely the collection agent.

☒ Take Action and Let Officials Know that the Village Depends on the Funds Due to our Community!

Currently, there are various proposals in Springfield which, if implemented, would reduce our revenues by anywhere from 1.2 to 4 million dollars per year. The Village has worked hard to manage our budget in order to maintain high level services and at the same time effectively control our expenses. The state legislature cannot reasonably pass their fiscal problems onto us by diverting funds to which we are entitled. Such an action would have a profound negative impact on the Village's ability to provide essential public services. Our constituents expect and deserve nothing less. I appreciate the efforts of our legislators in keeping our interests in mind; however, I will be keeping a close eye on Springfield to make sure that these revenues are distributed as they were intended. I encourage you to do so as well. **Please contact our state legislators and let them know that Northbrook opposes cuts in state-collected local government revenues and these cuts must be avoided. These funds are vitally important to our community so that we can maintain basic community services. Immediate action is necessary. Share your position on these proposals with our State Senators and Representatives. For a list of public officials and their contact information, visit www.northbrook.il.us/PublicOfficials or call 847 272-5050, ext. 4227.**

☒ Changes in Village Government

I'd like to thank Trustee Kati Spaniak for her service on the Board for the past two years. Kati brought new ideas and a fresh approach to the Board of Trustees. During her tenure, she helped us complete the Comprehensive Plan and increase communication with our residents and businesses through the redesign of our website and the use of social media and web streaming. (Like us on Facebook –Village of Northbrook, Illinois). Kati also led our "Strive for 35" Complete Counts U.S. Census Committee. I wish Kati well in all her future endeavors as I know she cares deeply about our Village and will continue to be a very active member of our community.

Congratulations to Bob Israel on his election to a four-year term as Trustee. He will be officially sworn in at the Village Board meeting on Tuesday, May 3. The meeting will be cablecast on NCTV- Cable Channel 17 and streamed live at www.northbrook.il.us

Northbrook Resident Daniel Jariabka Honored

At a recent Village Board meeting, Northbrook resident Daniel Jariabka, the founder and director of Hunger Resource Network, was presented with the 2011 Northbrook Community Relations Award. The Hunger Resource Network's (www.hungerresourcenetwork.org) mission is to maintain a non-denominational network dedicated to the alleviation of hunger by linking businesses, food providers, soup kitchens, Houses of Worship, shelters, pantries and volunteers. Congratulations to Daniel on his outstanding accomplishments in alleviating hunger and meeting other community needs for those deserving individuals both in Northbrook and the wider community.

Celebrate 26 Years of the “Just Say No” Parade

Just Say “No” to Drugs and “Yes” to Healthy Choices

Everyone Is Invited to Participate in this Community Event!

On Friday, May 6, Northbrook Citizens for Drug and Alcohol Awareness (NCDA) will be sponsoring its 26th Annual “JUST SAY NO” Walk and Rally. Encourage your friends and neighbors to participate in the Pre-Walk activities from 3:30-4:15pm. The Walk will begin at 4:15pm at the United Methodist Church on the corner of Cherry and Western, to Meadow.

A Rally will be held at St. Norbert School across from the Village Green at 4:45pm. Registration is not required to participate, so all are welcome to join in the fun. Please call 847/272-7870 for details or check out the website at www.ncdaa.org

In case of inclement weather, all activities will take place at the St. Norbert School Gym from 4:15-5:00pm. ☀

Water Tower Construction Update

continued from front page

Have you noticed the Village's new water tower being constructed in the Sky Harbor Business Park? When the new 145 foot tall, 1,000,000 gallon water

tower is complete and online, it will provide additional water storage and pressure to our water system. It will also provide relief to customers in the central and western portions of the Village who experience low

water pressure, especially on peak usage days in the summer. Follow the construction of this and other Village projects on the Village's website at www.northbrook.il.us/ConstructionProjects ☀

Water Rate Increase

To continue to produce high quality drinking water, maintain the Village's current water distribution system in a safe and stable condition and provide sufficient funds for future capital improvements, the Village will be increasing its water rate, effective May 1, from \$3.40 per 1,000 gallons to \$4.08 per 1,000 gallons of water. Residents can expect to see the new rates applied to their water bills after May. The impact on the average customer's quarterly bill will be an increase of \$18.36 per quarter, or \$73.44 annually.

While water rates have remained static since 2005, the increased costs for chemicals used to treat water, replacement parts for components of the distribution system, capital improvements and personnel costs have caused operational costs of the utility to increase. The rate increase is needed to generate a minimum level of revenue to support the water utility and continue to provide high quality drinking water to the residents and businesses of Northbrook. Despite this increase, Northbrook continues to have among the lowest water rates on the north shore. Residents with questions on their bills can contact the Village of Northbrook's Finance Department at 847/272-5050, ext. 4233. ☀

New Board Member Robert Israel

continued from front page

He has also worked on the Tri-State Tollway Reconstruction and several other municipal engineering projects.

Bob is professionally active on the committee developing the Illinois Livable and Sustainable Transportation (I-LAST) program, and also currently active in the American Council of Engineering Companies - Illinois, and the Illinois Road and Transportation Builders Association. He will be a great asset to our Village! ☀

Northbrook’s Annual Interfaith Walk

Sunday, May 15, Eleven Houses of Worship Open Their Doors

Each year, Northbrook’s Clergy Association, along with the Northbrook Community Relations Commission, sponsors an Interfaith Walk. This year, eleven houses of worship will open their doors to the community for a fun and educational afternoon. Start out the afternoon by picking up a passport book, complete with map and a trivia game, at the Village Green at 12:30pm or at any of the participating houses of worship starting at 1pm. Then drive, bike or walk to visit as many participating institutions as you wish. After your visits, all are welcome to the Northbrook Village Hall at 4pm to meet new friends and gather for discussion and pizza. The Northbrook’s Clergy Association and the Northbrook Community Relations Commission are proud to sponsor this event. ☺

Concerns about Grills on Balconies

The Northbrook Fire Department would like to remind residents residing in multi-family buildings about the dangers of using grills on balconies. The International Fire Code, which is enforced locally by the Fire Department, addresses this issue in respect to grills on combustible balconies or on balconies on combustible buildings.

LP-gas grills: If your building or balcony on your multi-family building is constructed of wood, the only grills allowed within 10 feet of that building or balcony is an LP-gas grill containing no more than 1 pound of LP-gas in no larger than a 2.5 pound container. (For reference, a typical container contains 18-20 pounds of LP-gas.)

Charcoal or wood burning grills: These are prohibited on or within 10 feet of combustible balconies or combustible buildings in multi-family homes. If you have any questions, please contact Fire Prevention Director Kevin Frangiamore at 847/272-2141, ext.7131. ☺

2011 Village Vehicle Stickers and Pet Licenses Available in June

Our easy to use renewal applications will be mailed to your home or business at the end of May. Your mailing should contain all vehicle and animal applications as applicable to each household or business. Please take a moment to review the form and return both copies to the Village. Your stickers/tags, along with your receipt, will be mailed to you promptly after June 1. Stickers must be displayed by midnight, June 30.

All motor vehicles registered to a Northbrook address (residential or business) are required to have Village vehicle stickers. **Only persons residing within the corporate limits of the Village are allowed to purchase a Northbrook vehicle sticker.** Persons living in unincorporated Cook County must purchase a Cook County vehicle sticker. These are available at the Northfield Township office, 847/724-8300. ☺

Construction Season Begins

Now that warmer weather is here, so is road construction. Drivers are reminded not to use their cell phones in construction zones (or school zones) and to drive carefully. Remember: These short term disruptions provide long term benefits to the community.

Lake-Cook Road from Wilmot Rd. to Pfingsten Rd. will be under construction and reduced to one lane in each direction through November. Drivers are encouraged to find alternate routes to avoid traffic delays.

Water main and Sanitary Sewer work will start this month on the following roads: Edgewood Lane, Holly Lane, Wildwood Lane, Red Haw Lane and Surrey Lane.

For more information on construction projects in Northbrook, please visit www.northbrook.il.us/ConstructionProjects. Please use caution in construction zones and keep our workers safe! ☺

"Flags Tell the Story"

As we embark on the celebration of our Village's 110th birthday with American flags standing tall in the Village Green, another event is being commemorated across the land – The Civil War Sesquicentennial. Flags tell stories of the times.

■ There were thirty-three stars on the American Flag when Abraham Lincoln was elected president. Shortly before he took office in March of 1861, the thirty-four star flag debuted when Kansas was admitted to the Union and another star was added when West Virginia joined the Union in 1863. The Confederate states were represented on the American flag throughout the war.

■ By the time the Village of Shermerville was incorporated in 1901, there were forty-five states in the Union and a corresponding number of stars on the American flag. In 1923, the name of our town was changed to Northbrook and the American flag at that time contained 48 stars. In 1959, two more states were added to the Union and two more stars were added to the flag.

■ Much has changed since 1861, when the first shots of the Civil War were fired at Ft. Sumter.

Here in what is now Northbrook, there were fewer than 300 households and a total population of less than 1,600 people town-wide when 72 Northfield Township men enrolled to serve their country. In total, more than 120 Civil War veterans lived in our Village at one time. Sixteen of these men gave the ultimate sacrifice and are honored in memorial at Village Green Park. Thirty-five of these men are buried in the seven cemeteries in town.

North Northfield Cemetery on Dundee Road is the burial place of seven of the Civil War soldiers buried in town. Not all their graves are marked with a military headstone like that of Corporal Peter Lowe.

Two of the 14 soldiers from this area who gave their lives in the war are buried at Northfield Oakwoods Cemetery on Milwaukee Ave. Others, like Fredric Kiest pictured here, are buried in unmarked graves on or near the battlefields where they died.
