# Quarterly Business Briefs...

## Business Development Marketing Efforts

The Village's Industrial and Commercial Development Commission (ICDC) has begun implementing a new business development marketing plan. The purpose of the plan is to encourage existing businesses to remain and grow in Northbrook and encourage new businesses to locate in the community. The marketing efforts are focused and based upon the position statement (see center box), which describes the Village's position in the global business development market.

The Village arrived at this position statement based upon the following facts about the Northbrook business environment. Northbrook's primary competitors for businesses are other North Shore communities. The phrase "business hub for Chicago's North Shore" not only references that Northbrook is the physical business center for the North Shore but also conveys that diverse types of businesses are located in Northbrook. Northbrook has the infrastructure and the business support services (attorneys, accountants, printing services, etc.) that provide an environment in which businesses can be successful. Though many large companies have a presence in the area, the most significant

opportunity for business growth and development comes from small entrepreneurial businesses. Although the community is a regional commercial center, the area is one in which a business owner can live close to his or her business.

The plan identifies the following seven target markets on which the Village will focus its business development marketing efforts:

**"Northbrook is the vibrant business hub for Chicago's North Shore that provides the infrastructure and support services for entrepreneurial business success in an environment that allows one to live near where one works."**

- ♦♦ Existing Businesses;
- ♦♦ Industrial and Commercial Real Estate Brokers;
- ♦♦ Northbrook and North Shore Residents;
- ♦♦ Local Developers and Property Owners;
- ♦♦ Prospective Industrial, Distribution, and Office Companies;
- ♦♦ Prospective Retail Businesses and Restaurants; and
- ♦♦ Partners in Business Development.

Over the next several months, the ICDC will be developing marketing materials and specific messages to target each of these markets.

If you have any suggestions regarding business development ideas, please forward them to us via email at [businessbriefs@northbrook.il.us](mailto:businessbriefs@northbrook.il.us)

## Industrial and Commercial Development Commission

The Village of Northbrook's Industrial and Commercial Development Commission (ICDC) advises the Board of Trustees on "matters relating to the improvement of sound economic growth and business development" within the Village of Northbrook. The ICDC meets on the fourth Tuesday of the month and welcomes comments from the public. If you have questions or would like to bring an issue before the Commission, please contact David Schoon, Economic Development Coordinator, by mail at 1225 Cedar Lane, by phone at 847 272-5050, ext. 4281, or by e-mail at [schoon@northbrook.il.us](mailto:schoon@northbrook.il.us) 🌸

# Notes from Village President Sandy Frum

## ✂ *New for Northbrook – Web Streaming!*

While the Village has been cablecasting Village Board and Plan Commission meetings for years, residents now have the option of watching meetings at [www.northbrook.il.us](http://www.northbrook.il.us) as well as on NCTV – Comcast channel 17 and AT&T Channel 99 (search “Northbrook”). The cablecast meetings are now streamed live, as well as archived on-line. The on-line archives are searchable by agenda topic. This new technology provides residents and others involved in Village business the opportunity to access meetings live or archived from anywhere in the world using the Internet. Try it out for yourself at [www.northbrook.il.us](http://www.northbrook.il.us) by clicking on the Village Board Agendas and Web Streaming link. This is just one more way the Village helps to keep the community aware of what we do.

## ✂ *New Website Design for Northbrook*

In other exciting technology news, the Village has contracted with Vision Internet for the redesign of the Village’s website, [www.northbrook.il.us](http://www.northbrook.il.us). The website is our primary communication tool and we are working to make it more robust and easier to utilize for our residents, businesses and visitors. The new site should be up and running by the end of this year.

## ✂ *Census Update*

Census Takers will be in your neighborhood through July contacting residents who didn’t mail back the U.S. Census form or whose questionnaire was sent back after April 20. Census takers may also be visiting homes that sent back the questionnaire but noted some missing or conflicting information that needs to be clarified. Your cooperation is appreciated!

I am proud to note that Northbrook’s average questionnaire return rate was 86%, with a section of the Village boasting a 90% response, topping some of the highest return rates in the nation! The National average return rate was 72%. I’m sure everyone is anxious to see if we exceed our Strive for 35 – Population 35,000 campaign, with Northbrook Census results expected to be announced in December, 2010. By March, 2011 the Census Bureau should complete delivery of the redistricting data to the states. I’d like to thank everyone who participated. Stay Tuned!

## ✂ *Policy on Grass Cutting and Property Maintenance*

The Village’s Municipal Code establishes basic standards for maintenance of lawns in the community. All property owners are asked to maintain their lawns so as to protect the quality of life and property values in our Village. Because we, like many communities across the country, have witnessed an increase in the number of homes in foreclosure, the Village is taking a more proactive approach in ensuring that lawns are properly maintained. If a situation arises where grass or weeds exceed ten inches (10”) in height, they are declared a “public nuisance” and the Village can issue a citation and order the lawn to be cut at the expense of the property owner. We are in the process of amending the Municipal Code to allow the Village to step in even more quickly and cut the grass if a property owner is unwilling or unable to properly care for their lawn. If you see a property where the lawn is not being maintained and the grass exceeds ten inches in height, please report the problem to the Village by calling 847 272-5050, ext. 4241. Let’s keep Northbrook beautiful!

## ✂ *Northbrook – A Great Place to Shop and Dine*

Why leave town? The Village encourages everyone to shop and dine in Northbrook. Take advantage of our top quality stores and dining establishments! The Village of Northbrook is making every effort to use local vendors to provide goods and services whenever possible. I urge you and your family to do so as well. Welcome to Buffalo Wild Wings who recently opened their doors in Willow Festival. Please see “Business Briefs” on page 2 for a listing of new businesses in Northbrook and page 10 for information on convenient downtown Northbrook parking.

## ✂ *Northbrook this Summer – Great Entertainment Opportunities*

There is so much to do this summer, from Tuesday evenings with free music in the Village Green, to Northbrook Days, National Night Out and Art in the Park. These events, combined with the variety of recreational activities offered by our wonderful Park District, make Northbrook the place to be! There are also a variety of events at the Library featuring arts and culture and free movies. Please see pages 7, 8, 10, 11 and 12 in this newsletter.

## ✂ *Northfield Food Pantry*

Remember, the Northfield Township Food Pantry doesn’t go on vacation! They need your help. Children who receive regular meals at school during the school year are now at home. Please continue to give generously. ❀

# Special Messages for Northbrook Residents

## Teen Parties Have Adult Consequences

Residents are reminded that parties and teen alcohol use can have serious if not tragic consequences, not only for the teen but for parents as well. Most people know that State law and local Village ordinance prohibit the possession and consumption of alcohol by persons under 21. Parents must supervise parties at their home, because they are responsible for keeping them under control.

### Teen Party Reminders

- ◆ Don't have a party at your home unless a responsible adult is supervising.
- ◆ Speak to your child before the party and set the rules.
- ◆ Have all guests come to one entrance and greet guests as they arrive so you can see what they're bringing into your home and what kind of condition they are in. Some teens may have been drinking before they arrive at your home; think twice before allowing them into your home.
- ◆ Frequently check on the party. If teens know that you're likely to check on them, they will be less likely to behave irresponsibly.
- ◆ Beware of the guests that makes trips to their car or guests that arrive through another entrance.

If you feel the party is out of control and/or the teens have been drinking, end the party and start contacting parents to pickup their children. Teens that have been drinking should never be allowed to drive. ***If you need help, call the Northbrook Police at 847 564-2060.*** ❀

## Parents: Are You Aware of the Curfew for Teen Drivers Under 18?

The law that went into effect January 1, 2008 places restrictions on the time that anyone under the age of 18 (with a permit or driver's license) can be out driving. ***On Fridays and Saturdays, teens are only allowed to drive until 11pm and on Sunday through Thursday until 10pm.*** These restrictions apply to all teens who are under 18 and on the road. Any teen disobeying this law can be arrested for unlicensed driving. However, there are exemptions: Teens driving to or from religious functions, employment or school activities are allowed to be out as long as they make no extra stops and head home immediately afterward. There are other situations as well that may not result in penalty.

***Despite the new driving restrictions, the regular curfew laws are still the same for Northbrook.*** These hours are 11pm - 6am on weekdays (Sunday through Thursday) and 12am - 6am on weekends (Friday and Saturday) for anyone under the age of 17. The nighttime driving restriction is from Sunday through Thursday, 10pm - 6am and Friday and Saturday from 11pm - 6 am.

For more information on driving laws, please visit Illinois Secretary of State Jesse White's website at [www.cyberdriveillinois.com/departments/drivers/](http://www.cyberdriveillinois.com/departments/drivers/) ❀

## West Nile Virus is Still a Concern in Illinois

***Remember to thoroughly inspect YOUR property and eliminate "mosquito breeding habitats" such as any standing water!*** Make sure birdbath water is changed frequently and eliminate containers that hold water, such as old pottery or containers. Swimming pools that are not in service and improperly maintained compost piles are another concern. If you have concerns about "breeding" areas in your neighborhood, please report them to the Village at 847 272-5050, ext. 4241.

***Please eliminate every possibility of mosquitoes breeding on your property!*** ❀

## Can You Taste the Water?

From time to time during summer and early autumn months, the Village receives inquiries about a musty/earthy taste and odor of the Village's drinking water. This phenomenon may begin as early as July and can last through October. The problem appears to be the result of ecological changes due to the colonization of Zebra mussels along the shoreline of Lake Michigan.

***The water is safe to drink.*** The presence of algae by-products poses no health risks and the taste and odor gradually subside with the onset of cooler weather. If you have special sensitivity to this taste/odor, you may wish to consider an in-home treatment device with an activated charcoal filter that has replaceable cartridges. If you have any questions regarding this, please contact John Schwarz, Water Monitoring/Meter Services Supervisor, at 847 509-5336. ❀

## Recycling Available for Northbrook Residents:

### CFLs, Batteries & Household Electronics

Did you know that the Village of Northbrook provides drop-off bins for Northbrook residents to bring their compact fluorescent light bulbs (CFLs) and household batteries for recycling? The drop-off bins for CFLs and batteries are at the Village Hall, 1225 Cedar Lane, and accessible from 8:30am - 4:30pm on Monday through Friday. The Northbrook Public Library, 1201 Cedar Lane, will accept household batteries only, (CFLs will not be accepted at the library) during their hours of operation. There is a bin in the lobby.

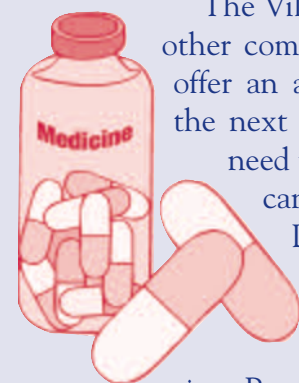

#### Household Electronics Drop-off First Tuesdays at the Village Hall!

Northbrook provides a household electronics drop-off opportunity for materials such as TVs, stereos, radios, computer printers, etc. The household electronics drop-off takes place the first Tuesday of every month, from 8:00am - 3:00pm. The drop-off location is behind the Village Hall outside of the fleet maintenance garage under the Water Tower. Batteries and CFLs will also be accepted at that location on the first Tuesday of every month.

These programs are not part of curbside recycling. The Village of Northbrook will not accept any drop-off from a nonresidential source. The material cannot be comingled with other materials such as solid waste, hazardous waste, landscape waste or other recyclable materials not intended for this collection.

Please see [www.northbrook.il.us/services/Green.php](http://www.northbrook.il.us/services/Green.php) for more information. ❀

### Medicine Disposal for Residents

The Village of Northbrook will be partnering with other communities and the Federal Government to offer an area-wide medication disposal program in the next coming months. In the meantime, if you need to dispose of old or unused medication, you can drop it off at Dundee Pharmacy, 2750 Dundee Road in Dunbrook Shopping Center just east of Dundee and Pfingsten Roads. Dundee Pharmacy will accept prescription bottles of your unused medication. Personal information should be crossed off, but please make sure the name of the medication is still visible.

Items not accepted include liquids, controlled substances, loose or unidentified pills or bulk containers. E-mail [dundeerx@aol.com](mailto:dundeerx@aol.com) with any questions. ❀

## Tree Removal Reminder

The Village of Northbrook has an ordinance that prohibits removal of trees without a permit. Tree removals are strongly discouraged unless the tree is dead, diseased or potentially hazardous. For all tree removal requests, a no fee permit application must be completed and submitted to the Department of Building and Planning Services. Please note that:

- ❀ All trees, 6 inches or more in diameter at breast height (DBH) or 4.5 feet above the ground, are protected in the entire yard.

- ❀ The tree removal permit requires that you explain/justify the reason for the proposed removal of any protected tree.

- ❀ If a permit is granted for the removal of a healthy landmark tree, an inch for inch tree replacement or fee will be required. In some cases, a landmark tree can be denied a permit for removal.

For a complete list of landmark and heritage trees, you may request a copy of our tree preservation pamphlet by calling 847 272-5050, ext. 4215. Or go online at: <http://www.northbrook.il.us/Government/Departments/Dev/TreePreservation2.php> ❀

## Home Improvements

Permits are required for: Removing and replacing or enlarging a driveway, sidewalk, apron, patio and all new impervious areas (basketball courts, tennis courts, etc.).

Permits are not necessary for driveway seal coating, however, the Village encourages residents to obtain local references from your seal coating contractor and contact the references.

Permit Questions? Call 847 272-5050, ext. 4241. ❀

In addition, selected small scale point repairs on the sanitary and storm sewer systems will continue as required. Your patience and understanding during “construction season” are appreciated. Please drive carefully in construction areas! 🌸

## Crestwood Place–Northbrook’s Senior Housing Building Celebrates 25 Years!

The closing of Crestwood School back in 1979 created an opportunity for the Village of Northbrook that came to fruition in 1985... a senior housing development! When the school was remodeled, the gymnasium was torn down and most of the space converted to a parking lot for the residents of Crestwood Place. The remaining classrooms were transformed and with the addition of two new buildings, a total of 118 beautiful apartments for senior citizens were created. Today, Crestwood Place is a classic example of independent living for seniors. Each apartment has a new fully updated kitchen and approx 630 sq. ft. of living space. Applications are still being accepted! For more information about renting an apartment, call 847 272-0170.

To learn more about the history of Crestwood Place and the Village of Northbrook, refer to “Northbrook, Illinois – The Fabric of our History” available at the Historical Society Museum Inn Shop, 1776 Walters Ave., or call 847 498-0884. 🌸

# Northbrook Happenings

## Volunteer Recognition

*Do you know someone who has made an outstanding contribution to Northbrook?*

Every year the Northbrook Civic Foundation salutes outstanding residents of Northbrook who serve as volunteers in the many non-profit organizations that enrich and enhance the quality of life in our community. Civic is asking that each organization make a nomination to the Awards Committee.

The nominations should be in letter form telling the Committee about the outstanding contributions of their candidate. Nominating forms are available. Please include the total years served, the variety of the contributions, and the effect of those contributions on the sponsor organization or the community. The deadline for nominations is September 30. For more information on award applications, visit [www.northbrookcivic.com](http://www.northbrookcivic.com) or contact Awards Chairman Jill Narens at [jnarens@ups.com](mailto:jnarens@ups.com) ❀

## Annual Police Auction Bike Auction

The Northbrook Police Department will be conducting the annual auction of recovered and unclaimed bicycles on Saturday, July 24. Unclaimed bikes will be auctioned at 10am. *Please note that no other items will be auctioned this year.* The auction will be held in the basement of the Northbrook Police Department, 1401

Landwehr Rd. Viewing of the property will begin at 9:30am. Visitors should park in the rear parking lot and enter through the east-side ramp door.

Bicycles must be removed immediately, as nothing will be stored for later pick-up. Payment has to be by check or cash only (no credit cards). ❀

## Bicycle Registration

Bicycles should be registered at the Village Hall or Police Department during business hours. Having your bike registered increases the chance of it being returned if it is lost or stolen. Bicycle registration is free. ❀

## Village Holiday Closing

The Village Hall will be closed  
on Monday, July 5  
in observance of the holiday.

## National Night Out Against Crime

Tuesday, August 3

A Community Event for All Ages
