

NORTHBROOK

JULY/AUGUST 2014

Celebrate 4th of July in Northbrook

A Village Tradition! Enjoy a full day of family fun brought to you by the Village of Northbrook and the Northbrook Park District.

Gather your family, friends and neighbors and get ready for a fantastic 4th of July in Northbrook. All the traditional events – the Pancake Breakfast in the Village Green Park, the Liberty Loop 5K Run, the 2:30pm Mile-long Parade and the fabulous fireworks at dusk – will be held on Friday, July 4.

Get ready for a day chock full of fun. This year's Parade Marshals are Board Members from the Northbrook Historical Society.

All residents and businesses are encouraged to fly their flags in honor of our 238th Independence Day.

For a complete schedule of 4th of July events, please see page 9.

A Reminder from Police Chief Wernick: Focus on Your Drive Arrive Alive

Distracted driving is driving while doing another activity that takes your attention away from driving.

Distracted driving activities include using a cell phone, texting, and eating. Using in-vehicle technologies (such as the radio) can also be sources of distraction. While any of these distractions can endanger the driver and others, texting while driving is especially dangerous because it combines all three types of distractions.:

- Visual: taking your eyes off the road
- Manual: taking hands off the wheel
- Cognitive: taking your mind off of driving

Distracted driving can increase the chance of a motor vehicle crash. A driver who is using a hand-held device is four times as likely to get into a serious-injury car accident, says the Insurance Institute for Highway Safety.

Focus on Your Drive - Avoid Paying Fines

Northbrook Police Officers have the discretion to issue a warning or a ticket during a traffic stop. There are several factors influencing this decision, such as if the driver committed other violations, including speeding, expired tags, had prior warnings or was involved in an accident.

This year's Village vehicle sticker theme reminds us all to arrive alive!

ART IN THE PARK

Enjoy a weekend of art, music & activities on July 12 & 13 at Village Green Park. See page 4 for details!

Food Truck Regulations in Northbrook

In May, the Village Board put the final ingredients into an ordinance aimed at regulating food truck businesses in Northbrook.

The local ordinance creates three tiers of mobile food service establishments or “food trucks” and also outlines the license, location, and operational regulations that food trucks must adhere to while operating in the Village of Northbrook.

The newly adopted regulations serve a practical balance developed after several months of discussions between the Village Board, school districts, Park District, and business community members. The ordinance also guarantees that food trucks will be held to the same public health standards as restaurants, and provides safeguards for traffic congestion and public safety concerns.

Who is regulated under the ordinance?

The ordinance covers every type of mobile food service establishments from pre-packed frozen foods (ie: ice cream trucks), to traditional food trucks, which provide hot/cold food prepared to order.

Where will food trucks be able to park and operate?

	Ice Cream Trucks	Other Food Trucks
Public Streets	Any	Only Meadow Road & Sunset Ridge Road
Parking Lots ¹	Any	
Separation from Restaurants	500' from entrance	No restrictions
Separation from Public Events ²	500' from the property line on which the event is taking place	

¹Food Truck must have written consent to operate from the owner of the property on which the lot is located, and a copy must be maintained in the food truck for review on request

²Special event includes any fair, carnival, circus, festival, special event, or civic event that has received a special event permit from the Village

How will public health standards be enforced?

Food trucks must adhere to the highest health standards, the same standards as traditional restaurants, and will undergo regular inspections throughout the year. Additionally, food trucks will be required to submit a current health inspection report from their host facility when they apply for a license.

What are the hours of operation?

Food trucks may operate from 7am – 10pm, Monday-Friday, and from 8am – 10pm Saturday and Sunday. All food trucks must abide by the local traffic and parking ordinances.

To view the entire ordinance, or the mobile food service vendor license application, please visit www.northbrook.il.us/foodtrucks

If you have questions regarding food trucks, please contact the Development and Planning Services Department at 847/664-4050.

Notes from Village President Sandy Frum

Over the past 27 years of my service as an elected official I've seen many changes in technology as well as changes in the way the Village conducts business internally and externally. I've seen computers replace typewriters, Excel replace adding machines, and on-line forms and information replace paperwork. Information Technology, computers, the Internet and other communication tools and applications now plays a key role in Village Government.

Use of New Technologies in Northbrook Government

These new technologies have also redefined how residents and businesses access and interact with Village staff and officials. Because of a shift in demand for technological services, our roles and responsibilities as public servants have changed, including the focus on the way we provide many basic government services: from transparency to the public in providing information and services, to the internal operations of government such as tracking requests for service, dispatching police cars and fire trucks, web streaming Village Board and Plan Commission meetings, scheduling meetings, and overall communications. New technologies increase the Village's ability to provide efficient and responsive service to our community.

Technology touches on every department and every member within the organization in one way or another.

Northbrook Notify, GoRequest and Internet Information

During my tenure I've seen changes in the way we reach out to the community through the use of our mass notification system called Northbrook Notify. The system sends a variety of alerts using phone calls, text messages or emails. If you haven't already signed up, please visit www.northbrook.il.us/NorthbrookNotify or call 847/664-4020.

By the time you read this newsletter, I hope you've already found time to enjoy some of the many events and activities happening in Northbrook this summer. It is also my hope that the roadway under the Shermer Road Bridge, south of Willow Road, is open for vehicular traffic; if not, it is our expectation that it will be open in early July. Speaking of the bridge, the next project in that area is the construction of a 2-mile bike path along Shermer Road, between West Lake Avenue and Willow Road, with an anticipated completion in fall of 2016. Look for more information in the next newsletter.

Those wishing to contact the Village, whether to make a suggestion or register a concern, may do so using our GoRequest application on the website or via an app on your smartphone. Visit www.northbrook.il.us/GoRequest

Our website at www.northbrook.il.us offers information on Village services, meetings, events and much more.

Property Information Online

One of our most recent additions is the Property Information Online tool on the top right side of the web page, which provides a variety of information linked to a specific address including property taxes, voting precincts, refuse and recycling pick-up days and zoning information. Check it out!

Challenges with Technology

One of the challenges facing the Village is the Digital Divide; the fact that not everyone has the skills, desire, or access to technology. So while the Village implements new technology, we are ever mindful that traditional communication tools are still necessary. We strive to have a staff person answer phone calls during business hours, we continue to reach out to the residents and businesses via this Village newsletter, and maintain regular business hours at the Village Hall. Information packets with meeting materials and agendas are available at the Village Hall and at the Library Reference Desk during business hours.

National Night Out Against Crime

A Community Event for All Ages!

Great Food, Music, Games and Prizes! Stop by and see McGruff the Crime Dog!

On Tuesday, August 5, all are invited to join the Northbrook Police and the Northbrook Park District in celebrating the 11th Annual National Night Out at Meadowhill Aquatic Center, Waukegan and Maple Roads, from 6-9pm.

The free event includes DJ entertainment, hot dogs and drinks, games and raffles, the use of the pool in addition to information about safety and crime prevention tips. Bring your family and friends for a wonderful evening at the pool. Jeffrey's Climbing Tower will be open for demonstrations.

National Night Out is a community wide event, sponsored by the Northbrook Park District and the Village of Northbrook, designed to promote partnership between local police and the community and to share information and ideas about crime prevention and public safety.

National Night Out provides residents with an opportunity to talk with Northbrook Police, meet the Police Chief and Village Board members. Join us for a great evening on Tuesday, August 5, at Meadowhill Aquatic Center. For more information, call 847/664-4427. In the event of rain, the program will not be rescheduled.

Northbrook's Farmers Market

Northbrook Farmers Market hosts its fourth annual Art of Recycling Day, Wednesday, July 23, sponsored by Advanced Disposal, the Village's refuse collection provider.

The goal of the event is to demonstrate that everyone can find new and easy ways to live greener and practice better environmental stewardship.

Several organizations are coming together to participate:

- Advanced Disposal will offer tours of their state-of-the-art recycling collection truck.
- Several specially chosen “recycle artists” will offer unique and one-of-a-kind upcycled and repurposed treasures for sale.

- Northbrook's Goodwill Industries will collect clothing and small household items.

- Northfield Township Road District's collection vehicles will be in the parking lot of the Northbrook United Methodist Church at Cherry and Western, for drive-thru drop off for old paint, electronics, batteries and other household waste items. For a list of acceptable items, visit www.northfieldtownship.com

- Paper shredding will be available at the Methodist church parking lot; OSDD Shred, a division of Northbrook's Glenkirk, will collect paper for shredding on site.

Of course, a full complement of the market's regular vendors offering fresh fruits and vegetables, artisan cheeses, and other organic products will be available, as well as knife sharpening.

The market is open rain or shine, Wednesdays, 7am – 1pm through Oct. 8, in Meadow Plaza parking lot, Cherry Lane and Meadow Road.

Visit www.NorthbrookFarmersMarket.org for more details and additional special events, such as Zucchini Day, Aug. 13, and Summer Stock, Sept. 10.

Northbrook Farmers Market in Downtown Northbrook

You'll find plenty of parking at the Northbrook Farmers Market! **The Farmers Market is held on Wednesdays, 7am - 1pm in Meadow Plaza parking lot, Cherry & Meadow.** After you visit the market, finish your shopping at the Downtown stores and boutiques!

Teen Parties Have Adult Consequences

Residents are reminded that parties and teen alcohol use can have serious if not tragic consequences, not only for the teen but for parents as well.

Most people know that State law and local Village ordinance prohibits the possession and consumption of alcohol by persons under 21. Parents must supervise parties at their home, because they are responsible for keeping it under control.

Teen Party Reminders

- Don't have a party at your home unless a responsible adult is supervising.
- Speak to your child before the party and set the rules.
- Frequently check on the party. If they know that you're likely to check on them, they will be less likely to behave irresponsibly.
- Parents can be charged, under local ordinance, for hosting underage drinking parties or purchasing alcohol for minors, as well as face civil and legal consequences.

- Have all guests come to one entrance and greet guests as they arrive so you can see what they're bringing into your home and what kind of condition they are in. Some teens may have been drinking before they arrive at your home; think twice before allowing them into your home.
- Beware of the guests that make trips to their car or guests that arrive through another entrance.

If you feel the party is out of control and/or the teens have been drinking, end the party and start contacting parents to pick up their children.

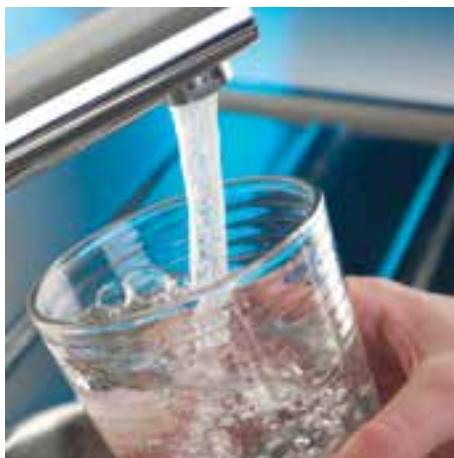

Teens that have been drinking should never be allowed to drive. If you need help, call the Northbrook Police at 847/564-2060.

Online and Classified Ad Transaction Safety Tips

If you are considering making an online or classified ad transaction, such as Craigslist, that may involve a face-to face meeting with an unknown party, please keep the following safety tips in mind...

- Don't be too anxious to sell something that you're willing to sell away your safety or personal security. Always take any precaution you can to reduce the risk to yourself and increase the risk for a potential criminal.
- Never list your home address when selling items in any online or classified ad. Letting someone into your home, especially when you're alone, is your biggest risk.
- Meet in a public place. This tip is good, whether you are the buyer or the seller. Criminals don't like witnesses.
- Have someone accompany you to the transaction. There is safety in numbers.
- Avoid meeting late at night. Make an appointment when there is the best chance of other people being in the vicinity.

- The Northbrook Police Department's front parking lot may be used as a location for exchanges which may involve safety concerns. During exchanges, such as Craigslist transactions or times when an exchange in a public setting is best, residents are allowed to use the lobby or the public parking lot located at the front of 1401 Landwehr Road.
- Ignore offers who want to send a cashier's check. In general, when buyers want to send a cashier's check from out of state or outside the country for an amount in excess of the sale price, the checks are counterfeit. If you cash the checks and wire the balance to the buyers as instructed, your bank will hold you liable for the stolen money.

Can You Taste the Water?

From time to time during summer and early autumn months, the Village receives inquiries about a musty/earthy taste and odor of the Village's drinking water.

This phenomenon may begin as early as July and can last through October. The problem appears to be the result of ecological changes due to the colonization of Zebra mussels along the shoreline of Lake Michigan.

The water is safe to drink. The presence of algae by-products poses no health risks and the taste and odor gradually subside with the onset of cooler weather.

If you have special sensitivity to this taste/odor, you may wish to consider an in-home treatment device with an activated charcoal filter that has replaceable cartridges. If you have any questions regarding this matter, please contact John Schwarz, Water Monitoring/Meter Services Supervisor, at 847/664-4116.

Solicitors at Your Door and on the Phone

Every year, especially during the spring and summer months, the Northbrook Police Department receives calls from residents concerned about the number of solicitors going door to door.

The law guarantees solicitors the right to solicit in the Village; however they must abide by the regulations in the Village ordinance governing solicitation. The Police Department screens all solicitor permit requests before a permit is issued.

Door to door solicitation permits

fall into two categories:

- Commercial – Commercial permits are issued to solicitors that are selling goods and services door to door. This includes people hanging flyers on your doorknobs. Commercial solicitors should have a Village permit with their photo, the name of the company and dates for which the permit is valid.
- Not for Profit or Charitable Groups – This category includes religious and political groups that are asking for donations. By law, they do not need a permit to solicit, but they do need to prove to the Village that they are a charitable organization in good standing with the Attorney General's office. Those that contact the Police Department are issued a letter acknowledging their request to be in Northbrook and are advised as to the regulations set forth in our ordinance.

Permits are not required for all door-to-door solicitors. People who come to your door and do *not* ask you for any donations, such as political candidates or certain religious organizations, do *not* need any type of permit or acknowledgement from the Police Department.

“No Solicitors” signs/stickers can be obtained at local hardware stores, at the Village Hall and the Police Department or made up by homeowners. If you have a “No Solicitors” or any other similar notice on your property, a solicitor should not ring your doorbell or hang any type of flyer on your door handle, no matter under what category they fall.

Phone Solicitors

The National Do Not Call Registry at www.donotcall.gov gives you the opportunity to limit the number of telemarketing calls received over the phone. If they do, you can file a complaint on the Do Not Call website or by calling 888/382-1222. The Village does not regulate phone solicitations. To add your number to the National Do Not Call Registry call 888/382-1222 from the phone you wish to register.

Be Vigilant - Report Unusual Circumstances to 911

Residents are urged to be vigilant and call police immediately (911) should someone come to your door unexpectedly indicating they need to come in and check on a problem. If possible, write down the description of the person, a vehicle description and the license plate number, should they leave before police arrive.

Call the Police at 911 immediately with details, descriptions and plate numbers if you:

- ▶ See any suspicious vehicles driving slowly or repetitively through your neighborhood.
- ▶ Observe someone at a neighbor's front door, then see them walking to the side or rear of the house.

Any questions can be directed to Dan Petka, Northbrook Police Community Relations Unit at 847/664-4427.

Summer Days Bring Fun and Celebrations

How fortunate we are to have a beautiful park in the midst of our downtown. The park has gone by many names and has sheltered families enjoying recreational pursuits and legions of baseball players and fans as long as the

Village has been around. The park has been home to picnics, taverns, stores, private homes and even a renowned world-champion archer while it was privately owned. It was purchased by the Northbrook Park District in 1944 and this year is celebrating its 70th anniversary as a public park.

Whether private or public, the park has always been the gathering place for community celebrations and has hosted many community events through the years.

This summer, two community celebrations commemorating special anniversaries are scheduled in the park. The Northbrook Historical Society and Northbrook Dairy Queen invite you to their 40th Anniversary celebration on Sunday, July 20. A Sundae in the Park will feature entertainment, popcorn and ice cream from noon to 4pm. (See details on page 3.)

Barrensheen's Grove, now known as Village Green Park, was filled with people enjoying a special event hosted by the Northbrook Civic ninety years ago this August. Residents and visitors came together that day to celebrate our town and its magnificent new roads at the first Northbrook Day. That day was also a good roads celebration and motor parade. The day after the celebration the *Chicago Tribune* reported that, "Two thousand motorists drove up to Northbrook yesterday to pay tribute to the civic enterprise which has paved every principal street and given the village the largest mileage of standard concrete road surfacing of any like community in the state."

Everyone had so much fun that day that the one-time celebration became a yearly event. This year marks the 90th Annual Northbrook Days. Still hosted by the Northbrook Civic Foundation, the money raised is given back to the community through grants and scholarships.

Enjoy summertime and fun in the Village Green.
