

# NORTHBROOK

JULY/AUGUST 2017

## A Reminder from Police Chief Wernick:

### Parents – Are you aware of the Curfew for Teen Drivers under 18?

There are restrictions on the time that anyone under the age of 18 can be out driving. On Fridays and Saturdays, teens are only allowed to drive until 11pm and on Sunday through Thursday, until 10pm.

The nighttime driving restriction is from Sunday through Thursday, 10pm – 6am and Friday and Saturday, from 11pm – 6am. However, there are exemptions. Teens driving to or from religious functions, employment or school activities are allowed to be out as long as they make no extra stops and head home immediately afterwards.

Many parents impose stricter curfews on their children during the school year and perhaps are more lenient during the summer.

### Curfew Laws in Illinois

The curfew laws are 11pm - 6am on weekdays (Sunday through Thursday) and midnight – 6am on weekends (Friday and Saturday) for anyone under the age of 17.

For more information on driving laws, please visit the Illinois Secretary of State website at [www.cyberdriveillinois.com](http://www.cyberdriveillinois.com)

## 4th of July Festivities

Get ready to enjoy a full day of family fun brought to you by the Village of Northbrook and the Northbrook Park District.

**Northbrook**  
**4th of July**

## Planning a Party?

If you're inviting teens or young adults, please see page 5 for some helpful tips to keep your party safe for everyone.

# Northbrook's New Website Set to Launch in July

In July, the Village will launch a new website at [www.northbrook.il.us](http://www.northbrook.il.us) with a streamlined, modern look and plenty of new but intuitive features to better engage with the community.

The updated homepage has a redesigned interface and more intuitive page flow which allow residents, visitors and businesses to quickly access the information they need.

The primary goal of the new website is to minimize the time necessary for visitors to access the information they need. To do this, a new, centrally located search bar was added, as well as quick link buttons which are below that, based on some of the most common informational requests the Village receives. A new mega drop down menu structure for the top navigation will also allow website visitors, who are either looking for very specific information or just browsing, to quickly scan the site. Information has been reorganized to make it both easily searchable and more intuitive.

## New Website Features

The new user-friendly website interface is responsive to all devices, meaning the content of the page will automatically adjust or reformat to the native display on a viewer's phone, tablet or desktop computer.

To expedite the information-finding process, the home page includes a spotlight news and calendar feature for easy access to notices, such as special events and alerts, timely bulletins and general reminders. Local events, senior services and news items are viewable from the landing page.

The Village has also revamped how end users access certain types of information (such as interactive maps or payment portals) to make those processes more user-friendly and intuitive. For example, on the new website, end users will immediately see a portal to the "Know Your Neighborhood" tool, which allows a user to search an address and get information specifically related to that property, such as its zoning, its election precinct and refuse pickup days and a wide variety of other information.

Additionally, the new graphic link and departmental landing pages have been designed and rewritten to focus on connecting you with information as quickly as possible. For example, the new "Contacting Us" page overviews the use of the Village's new service request systems, the Village's staff directory and how to connect with the Village all on one page with links for users to get to where they want to go next.

## Requests for Service

Along with the launch of the site, the Village is implementing a new service request system. With a simplified and mobile-friendly interface, the new request system

makes it easy to submit a request on your desktop, tablet or cell phone. The new, enhanced request directory can be searched and contains descriptive text for each request type to minimize the time between the submission of the request and receipt by the staff member. To access the system, simply visit the Village's website for details and learn how to download the mobile application for submitting a request for service when you are on the go.

## Enhanced Notifications - Northbrook Notify and Notify Me

Northbrook Residents and Businesses are encouraged to sign up their contact information, including address, phone numbers and email with Northbrook Notify to receive either Village-wide or neighborhood emergency alerts or other important information unique to your neighborhood, such as fire hydrant testing or police activity. Visit [www.northbrook.il.us/NorthbrookNotify](http://www.northbrook.il.us/NorthbrookNotify)

The website also includes Notify Me, a new feature that allows you to sign up for emails and texts for specific topic targeted notices such as special events, road construction and Village Board and Commission meeting notices and updates.

Updates to the website will continue over the next several months as the Village looks to enhance features and further populate information.

Comments on the new site may be sent to [pr@northbrook.il.us](mailto:pr@northbrook.il.us) or use the Contacting Us button on the site.

# Notes from Village President Sandy Frum

The Fourth of July is one of my favorite holidays, as it reminds me of the principals on which this country was founded. And when we celebrate, we celebrate our country, our community, our families and we celebrate our freedoms. I invite everyone in Northbrook to gather their family, friends and neighbors to reflect on the true meaning of Independence Day and enjoy a full day of festivities as we celebrate America's 241st birthday on Tuesday, July 4.

This year the Northbrook Park District is celebrating their 90th Anniversary and the District was awarded a special honor at this year's 4th of July parade. Current

and former Park Board Commissioners will be representing the Park District as the Parade Grand Marshals and will be joined by Executive Director Molly Hamer and former Executive Director Joe Doud. I am especially proud of the Park District, as I served on the Northbrook Park Board of Commissioners from 1982 – 1988. I am also proud of the Village's relationship with the Park District, as both agencies work together for our community. Whether it is for bike paths or environmental sustainability, such as the Wescott Park Stormwater Detention, or the plans for West Park Stormwater Retention, or coordination of the Village's 4th of July festivities, Northbrook is a better place because of the unity in our community.

## Summertime Fun

You'll find a variety of summertime events listed in this newsletter, from Tuesday night concerts at Village Green Park and the Northbrook Sidewalk Sale to the Farmer's Market and, of course, Northbrook Days. Another summer event is our annual National Night Out Against Crime on Tuesday, August 1. Please see page 5 for details. Also on page 5 is important information about hosting parties for teens and young adults. West Nile Virus is still a concern in the area, so remember to take steps to reduce the mosquito population on your property and wear bug repellent. See page 4 for more information.

## Construction Season and Improvements in Downtown Northbrook

Along with the summertime fun comes road construction and other infrastructure projects. I'm sure you've noticed several improvement projects around the Village, especially the construction in the Central Business District (CBD) of downtown Northbrook.

Many of the CBD improvements you'll notice include resurfacing portions of concrete streets and sidewalks, replacement of curbs and gutters, brick paver crosswalk repairs, new streetlights along Shermer, and curb bump-outs along Shermer and Meadow Lane, as well as intersection improvements at Shermer Road and Church Street, including new traffic signals. Other improvements include the reconfiguration of lanes on Shermer Road, between Waukegan Road and Church Street to accommodate more on-street parking.

Village staff worked closely with the contractor to coordinate the construction to ensure a smooth roadway for the traditional 4th of July parade route. After the 4th of July festivities, construction will continue as the work shifts to sections of Shermer Road between Walters and Maple Avenues. This work will include extending the curb and increasing the parkway while also narrowing the road. As this segment is completed, the contractor will work on sidewalk, curb and gutter removal and replacement, as well as replacement of failed concrete pavement on Shermer Road, between Walters Avenue and Meadow Road. When this work is complete, the contractor will work on failed sidewalk, curb and gutter on Meadow Road, between Shermer Road and Walters Avenue. Later this summer and early fall, new street lights will be installed on Shermer Road, between Waukegan Road and Church Street while other streetlights in the CBD will be retrofit with LED lights. Lastly, the section of Shermer Road, between Waukegan Road and Church Street, as well as Meadow Road, will be milled in preparation for repaving beginning the end of September. Final paving of all asphalt streets and restoration of the project should be complete by the end of October.

## Northbrook's New Website

Within the first few weeks in July, you'll find a new redesigned website when you visit us online at [www.northbrook.il.us](http://www.northbrook.il.us) Along with the modern look are new features, including an easy to use, on-line citizen request for service.

This two-day event is not to be missed!

### Farmers Market in Downtown Northbrook

You'll find plenty of parking at the  
Northbrook Farmers Market on  
Wednesdays, 7am-1pm, in Meadow Plaza  
parking lot, at the corner of Cherry Lane  
and Meadow Road.

A full complement of the market's  
regular vendors offering fresh fruits and  
vegetables, artisan cheeses and other  
organic products will be available, as  
well as knife sharpening. After you visit  
the market, finish your shopping at  
Northbrook's stores and boutiques!

### Summer Stock: July 12, sponsored by Advanced Disposal

Help stock the shelves at the Northfield  
Food Pantry. Bring dry goods, such  
as paper towels, toilet paper, etc., as  
well as household cleaning products,  
and canned goods. Supplies tend to be  
depleted during the summer months.

### School Supply Collection Day: Aug. 9, sponsored by NorthShore University HealthSystem.

School supplies are collected and  
donated to an inner-city school in need.

Visit [www.NorthbrookFarmersMarket.org](http://www.NorthbrookFarmersMarket.org)  
for special events and other market news.

## West Nile Virus is still a concern in our area

**Please thoroughly inspect your property for items that may contain stagnant  
water. If it can hold waters, it can breed mosquitoes. Everyone needs to pitch in!**

Change your birdbath water frequently and eliminate all containers that hold water, such  
as old pottery or tires. Stop the possibility of mosquitoes breeding on your property!

# National Night Out Against Crime

A Community Event for All Ages on Tuesday, August 1

Enjoy Food, Music, Games and Prizes! Stop by and see McGruff the Crime Dog!

**On Tuesday, August 1, all are invited to join the Northbrook Police and the Northbrook Park District in celebrating the 14<sup>th</sup> Annual National Night Out at Meadowhill Aquatic Center, Waukegan and Maple Roads, from 6-9pm.**

National Night Out is a community-wide event, sponsored by the Northbrook Park District and the Village of Northbrook, designed to promote partnership between local police and the community and to share information and ideas about crime prevention and public safety.

*In case of rain, the program will not be rescheduled.*

Bring your family and friends for a wonderful evening at the pool. This free event includes a DJ and dance music, courtesy of Charizma Entertainment; hot dogs and drinks; games and raffles; a canine demonstration; use of the pool; and safety and crime prevention tips.

The event provides residents of all ages with an opportunity to talk with the Northbrook Police and meet the Police Chief, Fire Chief and Board members. Join us for a great evening on Tuesday, August 1, at Meadowhill Aquatic Center.

*For more information, call 847-664-4427.*

## Teen Parties Have Adult Consequences

Residents are reminded that parties and teen alcohol use can have serious, if not tragic consequences, not only for the teen but for parents as well.

Most people know that State law and local Village ordinance prohibits the possession and consumption of alcohol by persons under 21. Parents must supervise parties at their home, because they are responsible for keeping them under control.

### Teen Party Reminders

- Don't have a party at your home unless a responsible adult is supervising.
- Speak to your child before the party and set the rules.
- Frequently check on the party guests. If teens know that you're likely to check on them, they will be less likely to behave irresponsibly.
- Parents can be charged, under local ordinance, for hosting underage drinking parties or purchasing alcohol for minors, as well as face civil and legal consequences.

- Have all guests come to one entrance and greet guests as they arrive so you can see what they're bringing into your home and what kind of condition they are in. Some teens may have been drinking before they arrive at your home; think twice before allowing them into your home.
- Be aware of guests that make frequent trips to their car or guests that arrive through another entrance.

If you feel the party is out of control and/or the teens have been drinking, end the party and start contacting parents to pick up their children.

Teens that have been drinking should never be allowed to drive. If you need help, call the Northbrook Police at 847-564-2060.

## Can You Taste the Water?

**From time to time during summer and early autumn, the Village receives inquiries about a musty/earthy taste and odor in the Village's drinking water.**

The problem appears to be the result of ecological changes due to the colonization of Zebra mussels in Lake Michigan. The water is safe to drink. The presence of algae by-products poses no health risks and the taste and odor gradually subside with the onset of cooler weather. If you have special sensitivity to this taste/odor, you may wish to consider an in-home treatment device. If you have any questions regarding this matter, please contact John Schwarz, Water Monitoring/Meter Services Supervisor, at 847-664-4116.

# Common Questions on Residential Refuse and Recycling

Did you know? Some answers to common questions about the residential refuse and recycling program.

## Paper Shredding Events in Northbrook

Sat., July 8 & Aug. 19 from 9am to 1pm- Behind Northbrook Village Hall.

## Electronics Recycling Date Changes

July's 1st Tues./Sat. recycling will be held on July 8 & 11. The September recycling dates will be Sept. 5 & 9.

Visit [www.northbrook.il.us](http://www.northbrook.il.us) for Electronics Recycling details.

## Can I add additional carts or change my cart size?

Yes. Residents can both add additional carts and change the size of the carts they are currently using for either refuse or recycling. Additional carts will be billed a quarterly fee, depending on how often they are serviced, and will incur a monthly rental charge. Residents may also increase or decrease the size of their carts at any time. Any changes done during the month of September are free of charge, while changes outside that schedule will be billed. For more information or to make cart changes, contact Advanced Disposal at 847-272-4145.

## How can I dispose of furniture or other large items?

Each residence receives curbside collection of one bulk item per week at no additional charge. The item may not be larger than three cubic feet nor weigh more than 50 pounds to be eligible for the once a week bulk item pick up. Residents who wish to dispose of more than one bulk item or an oversized bulk item should contact Advanced Disposal at 847-272-4145 to arrange for collection prior to your trash pickup day. Fees apply for multiple bulk items or oversized bulk item disposal.

## What about Styrofoam, tires, engine oil and other unusual items?

The Northfield Township Road District recycling center, 1928 Lehigh Ave. in Glenview is open Monday thru Friday, 7am to 3pm. For a full list of items accepted, visit [www.northfieldtownship.com](http://www.northfieldtownship.com) or call 847-724-7055.

## What can be recycled through the residential recycling program?

### Accepted Materials

### Not Accepted

#### Metal

All clean and empty aluminum cans; foil and foil pans; steel and tin cans; spray cans and paint cans; kitchen pots, pans, trays and utensils. Car batteries can be accepted but must be placed next to the cart.

Any tanks (propane or helium), electronics, hangers, wire, ammunition, flares or materials containing combustible liquids.

#### Plastic

Most plastics (except all #6) including plastic household containers or bottles; cups; beverage bottles and jugs; detergent and fabric softener containers; health and beauty product containers.

#6 plastics; any non-narrow neck #3 or #7 containers; any containers that held motor oil or other hazardous chemicals; styrofoam; plastic bags (can be recycled at most local grocery stores); disposable utensils and cups; plastic sheets.

#### Paper

Most paper products including newspaper, cardboard (no waxed cardboard), paper bags, magazines, telephone books, gift wrap, carrier stock (soda cases), junk mail, milk and juice cartons and paperback books.

Paper products with food or wax residue (such as delivery pizza boxes), paper towels, napkins, photos, laminated paper and hardcover books.

#### Glass

All clean and empty clear, green or brown jars or containers.

Light bulbs, mirrors, window glass, auto glass, dinnerware or ceramics.

Cut out and keep on your refrigerator. For questions, contact Advanced Disposal at 847-272-4145.

## Risk for Pets and Wildlife

**Dogs, cats, and other domesticated animals, as well as unintentional wildlife, may be exposed to toxic rodenticide baits.**

Sadly, these chemicals make the top-ten list of toxins responsible for pet poisonings, according to American Society for the Prevention of Cruelty to Animals (ASPCA). The US EPA states that more than 100 pet deaths are reported each year from exposure to rodenticides.

Rodenticides are not only poisonous for rodents. Rodent baits can be lethal to any mammal or bird that ingests them or feeds on a poisoned rodent.

That's why controlling rodents with rodenticide baits puts pets at high risk of becoming ill or dying – either through direct ingestion (primary poisoning) or by eating poisoned rodents (secondary poisoning).

Safeguarding your home from mice and other rodents doesn't require the use of potentially hazardous poisons. Safe, effective, and affordable solutions can help you rodent-proof your home while ensuring the health of your pets. Visit [www.saferodentcontrol.org](http://www.saferodentcontrol.org) for more information.

### Where to get help

If you suspect that your pet has ingested a rodenticide or other poisons, the Animal Control Poison Center recommends first calling your local veterinarian or the ASPCA Animal Poison Control Center hotline at 888-426-4435.

## Maintain a Safe Environment Around Your Swimming Pool

**Tragically, over 200 young children drown in backyard swimming pools each year. Drowning is the leading cause of injury-related death among children ages one to four.**

Northbrook Fire Chief Jose Torres suggests that pool owners make safety their number one priority by following these guidelines.

- Secure your pool with appropriate barriers. Completely surround your pool with a minimum 5-foot-high fence or barrier with a self-closing, self-latching gate at every opening.
- Pools and hot tubs should have drain covers and a safety vacuum release system to prevent drain suction entrapment.
- Consider installing a pool alarm that goes off if anyone enters the pool.
- Place a locking/safety cover on the pool or hot tub when not in use and remove any ladders or steps used for access.
- Keep children supervised at all times and especially stay in arm's reach of all young kids. Designate a responsible person to watch the water when people are in the pool and never allow anyone to swim alone. Have young or inexperienced swimmers wear an approved life jacket.
- Ensure everyone in the home knows how to swim well by enrolling him or her in age-appropriate water orientation and learn-to-swim courses.
- Establish and enforce rules and safe behaviors, such as "no diving," "stay away from drain covers," "swim with a buddy" and "walk please."
- Keep your pool or hot tub water clean and clear. Maintain proper chemical levels, circulation and filtration to avoid stagnant water. Regularly test and adjust the chemical levels to minimize the risk of earaches, rashes or more serious diseases.
- Make sure everyone in the home knows how to respond to aquatic emergencies by having appropriate safety equipment; and taking water safety, first aid and CPR courses. (See page 8 for CPR class details.)
- If you experience an emergency call 911! The safety training will allow you to take immediate action until the first responders arrive.

*Have a safe summer!*

## Bicycle Registration

**Having your bike registered increases the chance of it being returned if it is lost or stolen.**

Bicycle registration is free for Northbrook residents. You can register your bike by visiting the Police Department Records Desk or Village Hall Cashier's Desk. You also can complete an online registration form by visiting [www.northbrook.il.us/BicycleRegistration](http://www.northbrook.il.us/BicycleRegistration)

### Questions?

If you have any questions, please contact the Northbrook Police Department at 847-564-2060.

## Be Vigilant - Report Unusual Circumstances to 911

Residents are urged to be vigilant and call police immediately (911) should someone come to your door unexpectedly indicating they need to come in and check on a problem.

If possible, write down the description of the person, a vehicle description and the license plate number, should they leave before police arrive.

- Call the Police at 911 immediately with details, descriptions and plate numbers if you:
  - See any suspicious vehicles driving slowly or repetitively through your neighborhood.
  - Observe someone at a neighbor's front door, then see them walking to the side or rear of the house.

If you have any questions, please call Dan Petka, Northbrook Police Community Relations Unit, at 847-664-4427.

## Solicitors Going Door to Door

Every year, especially during the spring and summer months, the Northbrook Police Department receives calls from residents concerned about the number of solicitors going door to door.

The law guarantees solicitors the right to solicit in the Village; however they must abide by the regulations. The Police Department screens all solicitor permit requests before a permit is issued.

### Door to door solicitation permits fall into two categories:

- **Commercial** – Commercial permits are issued to solicitors that are selling goods and services door to door. This includes people hanging flyers on your doorknobs. Commercial solicitors should have a Village permit with their photo, the name of the company and dates for which the permit is valid.
- **Not for Profit or Charitable Groups**  
This category includes religious and political groups that are asking for donations. By law, they do not need a permit to solicit, but they do need to prove to the Village that they are a charitable organization in good standing with the Attorney General's office. Those that contact the Police Department are issued a letter acknowledging their request to be in Northbrook and are advised as to the regulations set forth in our ordinance.

Permits are not required for all door-to-door solicitors. People who come to your door and do not ask you for any donations, such as political candidates or certain religious organizations, do not need any type of permit or acknowledgement from the Police Department.

"No Solicitors" signs/stickers can be obtained at local hardware stores, at the Village Hall and the Police Department or made up by homeowners. If you have a "No Solicitors" or any other similar notice on your property, a solicitor should not ring your doorbell or hang any type of flyer on your door handle, no matter under what category they fall.
