

# NORTHBROOK

NOVEMBER/DECEMBER 2019

## Veterans Day Ceremony

Remember our Veterans and those currently serving, at this year's 100 Year Anniversary of the American Legion.

**Attend the Veterans Day Service on Monday, November 11, 10:30am at Northbrook Jr. High Gymnasium, 1475 Maple Avenue**

The American Legion Post #791 and the Veterans of Foreign Wars invite all to assemble in the Northbrook Jr. High gym for a service to honor those who served the armed forces: Army, Navy, Air Force, Marines, and Coast Guard.

This year's featured speaker is Captain Raymond C. Leung, Commanding Officer of Naval Station Great Lakes. Captain Leung is a decorated combat veteran and will share his personal experiences since immigrating to the United States.

**Watch the Ceremony Streamed Live**  
Visit [www.northbrook28.net](http://www.northbrook28.net) to see this year's ceremony streamed live.

## Don't Miss These November Events for the Whole Family!

### Celebration of Lights and Colors

The Celebration of Cultures on Sunday, November 3 from 2 to 4 p.m. at the North Suburban YMCA (2705 Techny Road) offers free family fun including entertainment, activities, food samples, and food for purchase from the 5411 Empanada Food Truck. Visit [www.northbrook.il.us/celebration](http://www.northbrook.il.us/celebration) for details.

### Artist Studios Tour on Sat. Nov. 9

During the 14th Annual Northbrook Artists Studio Tour on Saturday, November 9 from noon to 4 p.m. enjoy meeting 32 local artists while viewing their work. All are welcome to this free event.

In addition to three home studios, art will be displayed at these venues:

- Northbrook Park District Leisure Center, 3323 Walters Avenue;
- Northbrook Park District Village Green Center, 1810 Walters;
- TotalLink2 Community, 1200 Shermer Road, Suite 109.

Tour maps are available at the Northbrook Village Hall, the Northbrook Public Library and can be downloaded from [www.northbrookarts.org](http://www.northbrookarts.org)

Maps are also available on the day of the event at the Northbrook Park District Village Green Center, 1810 Walters Avenue, which is a great place to start your tour. Visitors may tour at their own pace and in any order.

**Change your clock, change your batteries on Sunday, Nov. 3**  
**The Fire Department encourages you to change the batteries on every smoke detector when you adjust your clocks.**

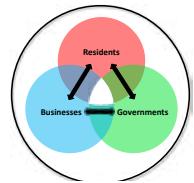

# Spotlight on the Northbrook Economic Development Committee

**The Economic Development Committee is committed to fostering the economic vitality of the entire Northbrook community.**

The Economic Development Committee (EDC) meets quarterly and provides a forum to exchange ideas and information concerning land use and financial conditions facing Northbrook residents, the Village, school districts, Park District, and the Public Library. The EDC logo was designed to illustrate how residents, the business community, and taxing districts all work together to achieve our shared objectives of keeping Northbrook one of the finest suburban communities in the region.

Over the past year, the EDC has partnered with our member taxing bodies, business groups, and residents to present a series of articles in the Village Newsletter (available at [www.northbrook.il.us/Newsletter](http://www.northbrook.il.us/Newsletter)) explaining how the Village, school districts, Park District and Library all benefit from their shared commitment to intergovernmental cooperation and describing how all Northbrook property owners benefit from a growing tax base. The EDC Newsletter articles focused on the following key messages:

- 35% of the Village's corporate fund is derived from sales tax, representing its single largest source of revenue (exceeding funds collected from property taxes). Please remember this as you are shopping, particularly during the upcoming holiday season! (See "Shop Northbrook" below)

**Northbrook Economic Development Committee (EDC)**  
*Sustainable Partnerships Built on Common Ground*

- Northbrook has a large and diverse non-residential property tax base. In 2017 Northbrook had 2,848 local business and over 48,000 private-sector employees -- more than any nearby community, including Evanston and Skokie.
- Both the Northbrook Park District and the Northbrook Public Library provide a wide range of services that simply would not be possible without the support of the property taxes paid by businesses.
- Businesses in Cook County are taxed at a significantly higher property tax rate compared to an equivalent property in Lake County. Residential properties in Cook County are also taxed at a much lower tax rate than business properties.
- Property taxes represent approximately 94% of our local school districts' revenue. Due to our strong and diverse property tax base, our schools maintain lower property tax rates than many of neighboring suburban school districts, while providing exceptional academic, athletic and artistic opportunities for our students.
- Property tax bills are complicated and our February and October articles explained how to more easily read and understand them.
- While Northbrook has a strong tax base and a healthy business climate, significant challenges lie ahead, including the steady increase in online shopping and an evolving Cook County property tax system.

While we all dislike higher taxes, we chose to establish roots in a community that offers the services and amenities we deeply value. We trust you have found these EDC articles interesting and informative as you enjoy the many benefits of living and/or having a business in Northbrook!

## Shop Northbrook Special Holiday Promotions

**This year you'll have just three weeks between Black Friday and the start of Hanukkah and Christmas to get your holiday shopping done!**

This year's holiday promotions include a Holiday Shopping & Dining Guide insert in the Northbrook Tower, the popular "Nicki the Northbrook Shopping Elf" Facebook Campaign (@NorthbrookShoppingElf), and the new Live Shop Dine text program (Text NBK to 55678), all designed to increase retail sales for local businesses and support the Village through vital sales tax revenue. Since sales taxes make up one-third of the Village's budget, the "Shop Local" message of the campaign benefits all residents and businesses.

Northbrook retailers and hospitality businesses are invited to take advantage of this free marketing assistance. For more information, call 847-513-6006 or email [tensley@northbrookchamber.org](mailto:tensley@northbrookchamber.org)

### Support Local Businesses on Small Business Saturday

On Saturday, November 30, be a part of the 10th annual holiday shopping tradition that brings together communities in support of their favorite small businesses.

## Speaking of Finances

### Village Treasurer's Report

The Annual Treasurer's Report for the fiscal year beginning May 1, 2018 and ending April 30, 2019, is on file and available for inspection and/or copying during normal business hours in the Office of the Village Clerk at the Village Hall and at the Northbrook Public Library reference desk.

You can also find the report at [www.northbrook.il.us/taxdollarsatwork](http://www.northbrook.il.us/taxdollarsatwork)

# Notes from Village President Sandy Frum

recognized holiday held the Saturday after Thanksgiving that has now become a tradition across the country. American Express launched the initiative back in 2010, and it's really catching on. Let's make it a tradition here in Northbrook. During Small Business Saturday, patrons are encouraged to support their favorite small business or check out a new local small business during your holiday shopping and dining. And my hope is that your patronage of small businesses continues all year long.

## Making a Difference in Northbrook

Last year I became involved with the Hunger Free Northbrook (HFN) and the Hunger Free Communities Pilot Project. Many of us assume Northbrook residents are "food secure" but an assessment revealed that almost one in 10 are "food insecure", including about 400 Northbrook school children and more than 500 families who rely on the food provided by the Northfield Township Food Pantry (see page 4 for giving opportunities). Believe it or not, you probably know someone who uses the pantry's services and didn't even realize they were in need.

HFN is looking to make a difference in Northbrook and is seeking volunteers to help at the Food Pantry and pick-up food from various organizations and businesses that donate. Perhaps you know of a food service provider such as a restaurant that would donate. HFN also has initiative where students receive food packs to carry them over on the weekends and holidays. Another initiative is the "Bring Seniors to Food" which transports seniors to the Food Pantry. If you'd like to volunteer, coordinate a food drive, or need help, please call 847-272-1700.

During this holiday season, I wanted to remind everyone in our community to think Northbrook while planning their holiday celebrations. Whether you're looking for shopping or dining opportunities, you'll find Northbrook has it all. Shopping local not only helps support Northbrook businesses, but it helps our Village, as 2 cents of every dollar spent are reinvested in our community. It would be hard to imagine our town without our unique shops, salons, boutique clothing stores, gift stores, and restaurants.

Here's a special shopping initiative: Small Business Saturday is a nationally

Please join the community at these upcoming events:

### **Northbrook Artists Studio Tour**

The Northbrook Arts Commission and the Northbrook Park District invite all to meet the artists in your neighborhood on Saturday, November 9, between noon and 4pm. Start your tour at the Village Green Center (1820 Walters Ave.) or follow the map at [www.northbrookarts.org](http://www.northbrookarts.org) for a list of artist locations.

### **Veterans Day Services in Northbrook**

Please join me at the Veterans Day service at Northbrook Jr. High School on Monday, November 11 at 10:30 a.m. to give thanks and honor those who served our country. This is a great opportunity to meet some of our local Veterans and hear their stories first hand. See the front page for details.

### **Northbrook Interfaith Community Service**

On Wednesday, November 27 at 7 p.m. all are invited to celebrate their gratitude by attending the Interfaith Community Thanksgiving Service at Northbrook Evangelical Covenant Church, Pfingsten and Techney Roads. The service is sponsored by the Northbrook Clergy Association.

### **Comments, Concerns, Suggestions**

Your comments, concerns and suggestions are always welcome. Please call the Village Hall at 847-509-5301 or email me directly at [sandy.frum@northbrook.il.us](mailto:sandy.frum@northbrook.il.us)

### **Season's Greetings**

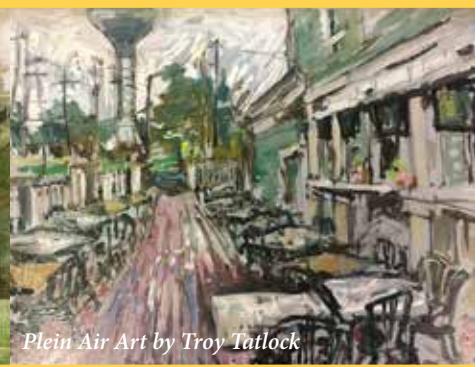

Warmest wishes to you and your family for a very happy holiday season and a safe and healthy New Year. Looking forward to a wonderful 2020!

## Toys for Tots Collection

### Toys for Tots needs donations!

The Village is once again partnering with the Marine Toys for Tots Foundation, the U.S. Marine Corps Reserve's program, to bring toys to children who might otherwise go without a present this holiday season.

Please visit a collection center at the Police or Fire Department headquarters or Village Hall by Friday, December 13, with a new unwrapped toy. Your donation will be greatly appreciated.

## Coat Off Your Back

### Rotary Club of Northbrook's Coat Off Your Back campaign runs through Friday, December 20.

New and gently used cold-weather clothing, including coats, scarves, gloves, hats, boots, and other warm winter wear, may be dropped off at the Northbrook Library, Northbrook Village Hall, Sunset Foods, or the NSYMCA. Items will be distributed to homeless individuals and families served by PADS of Lake County.

*PADS: Providing Advocacy, Dignity, & Shelter.*

## Help Stock Northfield Township Pantry

Donations of food or grocery store gift cards may be dropped off at the Northfield Township Food Pantry, 2550 Waukegan Road, Suite 100, Glenview.

For a list of the Pantry's most needed items and non-perishable food drop off locations within the community, visit [www.twp.northfield.il.us](http://www.twp.northfield.il.us)

## Northbrook Subsidized Taxi Program

**The Village of Northbrook's Subsidized Taxicab Program was created to offer senior residents of incorporated Northbrook 55 years or older and permanently disabled Village of Northbrook residents an affordable transportation option in addition to what other agencies offer.**

The program utilizes an Electronic Swipe Card (ESC) to offset the cost of the metered fare.

Each use of an ESC has a \$5 dollar value and each program participant will be allowed up to 16 ride subsidies per month. ESCs are only accepted by American Taxi and 303 Taxi.

### How to Apply for the Northbrook Subsidized Taxi Program

Applications for the program are available at Northbrook Village Hall (1225 Cedar Lane) or on the Village website at [www.northbrook.il.us/Taxi](http://www.northbrook.il.us/Taxi)

Proof of residency is required to participate in the program.

Once the application has been approved, the resident will receive an ESC and a brochure with further instructions on how to use the card.

For more information about the Northbrook Subsidized Taxi Program, visit [www.northbrook.il.us/Seniors](http://www.northbrook.il.us/Seniors) or call 847-664-4038.

## Northbrook Interfaith Community Service

### Thanksgiving is a time of togetherness and gratitude

Celebrate the season and give thanks on Wednesday, November 27 at 7pm, at the Northbrook Clergy Association's Annual Interfaith Community Thanksgiving Service. This year the service will be held at the Northbrook Evangelical Covenant Church, Pfingsten and Techny Roads.

The evening's offering, as well as grocery store gift cards and canned goods brought by attendees, will benefit those in need.

# Say it ain't Snow!

Winter weather is on the way and our Public Works Department is ready to roll!

The Village's snow removal operation begins with seven or more trucks spreading de-icing materials on main and secondary streets. As snow accumulates, standby personnel are called in to plow the 539 lane miles of Village owned and maintained streets, municipal parking lots and designated sidewalks.

## Did you know?

After the snow stops, a complete plow-cycle can take at least 4-6 hours, depending on weather and traffic.

## Keep Plowed Snow out of Shoveled Driveways

Residents can help keep their driveway clear by shoveling snow to the right side of their driveway (as viewed from the home, looking at the street). Please note: The Public Works Department does not clear private driveway entrances.

## Thank You for Your Patience!

Snow and ice control efforts give priority to higher traffic Village roadways, such as Walters Avenue, Cherry Lane, Pfingsten Road, Techny Road, and Shermer Road.

Arterial roads such as Lake-Cook, Dundee, Willow, Sanders, Landwehr, and Waukegan are plowed by either the Illinois Department of Transportation or the Cook County Highway Department.

For details about snow and ice control visit [www.northbrook.il.us/Snow](http://www.northbrook.il.us/Snow)

## Help Our Public Works Crews:

### Keep Your Vehicles Off the Streets

You can help Public Works crews clear our roadways as quickly as possible by keeping vehicles off the street during snow removal operations. The Village's number one concern is the safety of those using our streets.

### Move Your Vehicle, or it Could be Ticketed and Towed after 2" of Snow

When 2 or more inches of snow falls it is illegal (by Village Ordinance) to park on Northbrook streets until plowing is complete. Remember, if you park in the street after 2 or more inches of snow, you may be ticketed and towed.

To find out if the parking ban is in effect or if your vehicle is disabled in the street, please call the Police Department at 847-564-2060.

The Village will use Northbrook Notify to alert residents of extreme snow emergencies. Sign up for notifications at [www.northbrook.il.us/NorthbrookNotify](http://www.northbrook.il.us/NorthbrookNotify)

## Celebrate Northbrook's 118<sup>th</sup> Birthday

The Board of Directors of the Northbrook Historical Society invite all to celebrate the 118<sup>th</sup> anniversary of the incorporation of our Village at an Open House on Sunday, November 17, from 2 to 4pm, at the Northbrook Historical Society, 1776 Walters Avenue.

*As part of the celebration, a gallery of artwork from the Plein Air Painting Festival featuring Northbrook landscapes will be on display and available to purchase.* All are invited to come and join the fun and good cheer with cake and refreshments. The History Museum and Historical Society's Artisans at the Inn Shop will be open during the celebration.

## Free Parking Spots for Commuters and Shoppers

The parking lot in the front of the building at 1657 Shermer Road, formerly known as the Grainger Building, is available for public use.

The lot's 100 spaces are open to commuters and those visiting local businesses. There is no cost to park in the lot for the time being. Overnight parking and commercial truck parking are prohibited. For any questions, please contact the Public Works Department at 847-272-4711.

## Holiday Refuse Collection Schedule and Cart Storage Reminders

**During the week of Thanksgiving, pick-up for Thursday customers will be Friday and Friday customers will be Saturday.**

The last chance for yard waste collection (without the subscription service) will be on your pick-up day during the week of Thanksgiving. If you have the subscription services, your pick-up will take place every other week.

Christmas trees will be collected throughout month of January on your regular pick-up date. One tree per residence will be collected at the curb. Trees should be free of all lights, garland, tinsel, and decorations.

## Schedule a Free Home Energy Assessment and Save

**ComEd customers have opportunities to reduce energy usage with a free energy assessment that includes free and discounted products for your home.**

ComEd has partnered with Nicor Gas to bring electric and natural gas savings to you. Customers of these utilities may be eligible to reduce energy use with free installation of free products including LEDs, programmable thermostats, WaterSense certified shower heads and faucet aerators, and up to six feet of hot water pipe insulation. Certain restrictions apply. Call to schedule an assessment by calling 1-855-433-2700.

### Free Holiday Refuse Collection

Extra household refuse will be collected on your pick-up day free of charge during two one-week periods; the week of December 22 and the week of December 29.

### A reminder regarding refuse and recycling cart storage:

Please ensure that your garbage receptacles are regularly stored behind the front face of your house or within the garage on non-pickup days. Carts should not be stored in the front of your property. Also, after collection, carts need to be returned to the storage location within twelve hours.

If you have any questions, please call Advanced Disposal at 847-272-4145.

## Property Tax Appeal Seminar for Northfield Township Property Owners

**Wednesday, Nov. 13, 6:30 p.m. at Northbrook Village Hall.**

Join Cook County Board of Review Commissioner Dan Patlak as he explains the appeal procedure at the Board of Review during this hour-long session. Attendees will have the opportunity to speak with staff from the Board of Review and Northfield Township Assessor's offices to address their concerns. This event is free to the public, and there is no fee to appeal at the Board of Review.

*Presented by Northfield Township Assessor Patricia K. Damisch, Cook County Commissioner Scott Britton, and State Rep. Jonathan Carroll. For details, call the Northfield Township Assessor's Office at 847-724-8300.*

## Insulation and Energy Efficiency for your Home and Business

**Are you looking for a way to help the environment as well as help save you money during the heating season?**

According to the Energy Star program, if you added up all the leaks, holes, and gaps in the typical home's envelope it would be the equivalent of having a window open every day of the year.

Adding insulation to a buildings attic, walls, and floors can help keep it warmer in the winter and cooler in the summer. Properly insulating your home or business will reduce the amount of electricity or natural gas used to heat the building meaning fewer emissions as well as savings for you.

Adding insulation to your home can also reduce outside noise, improve humidity control, and reduce pollen and dust entering the home.

Eliminating air leaks around doors and windows can also help to insulate your home. Caulking around doors and windows can help to prevent warm air from leaving the home or cold air entering. If you have old windows, residents and businesses can consider covering them with plastic film to help prevent drafts.

The Environmental Protection Agency's Energy Star program [www.energystar.gov](http://www.energystar.gov) and the Department of Energy's Energy Saver program [www.energy.gov/energysaver/energy-saver](http://www.energy.gov/energysaver/energy-saver) offer resources to conserve energy and save money on your heating and cooling costs.

# Historian's Corner

presented by the Northbrook Historical Society

## A Little History About Village Green Park

**For nearly 44 years, the Northbrook Historical Society has been located at the Southeast corner of Village Green Park.**

The Museum's location has afforded those of us who volunteer at the Historical Society the opportunity to observe the park through events and seasons. The laughter of families, the crack of a bat, the whizz of an arrow heading toward its target, and music are just some of sounds accompanying the peaceful sounds of the river flowing over the rocks as it heads southward toward the city. We have watched the river rise and fall, and on rare occasions overflow its banks filling the bowl behind the Museum.

On Nov. 25, 1944, the residents of Northbrook went to the polls during a special election. They voted to approve a bond issue for the Northbrook

Park District to purchase and make improvements to the nearly 10-acre site from Emily Barrenscheen and her nephew George W. Boll for \$25,000 – a far cry from the \$1.25 an acre that Silas W. Sherman paid for the land grant when he originally purchased the land from the United States Government.

With a total of just 278 votes cast, the bond issue passed by a large majority of 187-91.

While the voter list is not known, we do know that there were under 340 households in the Village limits according to the 1940 Census and Northbrook's population at the time was 2,000.

Since many of the men were off fighting in WWII and children couldn't vote, it appears that the women of Northbrook carried the measure forward.

*It is interesting to note that the State of Illinois granted women municipal and presidential, but not state suffrage, in 1913, which was just 12 years after the Village of Skokie was incorporated. It took another seven years for the 19th Amendment to grant national suffrage to women and after ratification by 36 states, it took effect on August 26, 1920.*
