

# NORTHBROOK

NOVEMBER/DECEMBER 2016

## Village Receives Budget Award

**Northbrook's Fiscal Year 2015/16 budget has received the Distinguished Budget Presentation Award from the Government Finance Officer's Association of the United States and Canada.**

This marks the twenty-second consecutive year the Village has received this award recognizing the Village's commitment to meet the highest principles and standards of governmental budgeting. Congratulations to Chief Financial Officer and Deputy Village Manager Jeff Rowitz and the Finance Department on a job well done.

### Speaking of Tax Dollars... Village Treasurer's Report

The Annual Treasurer's Report for the fiscal year beginning May 1, 2015, and ending April 30, 2016, is on file and available for inspection and/or copying during normal business hours in the Office of the Village Clerk at the Village Hall and at the Northbrook Public Library reference desk.

You can also find the report and much more related to Village finances by visiting [www.northbrook.il.us/taxdollarsatwork](http://www.northbrook.il.us/taxdollarsatwork)

## Veterans Day Ceremony

Remember our Veterans, as well as those currently serving, at this year's Veterans Day Memorial Service.

**Attend the Memorial Service on Friday, November 11, 10:30am at Northbrook Jr. High Gymnasium, 1475 Maple Avenue**

The American Legion Post #791 and the Veterans of Foreign Wars invite all to assemble in the Northbrook Jr. High gym for a service complete with Color Guard and a special performance by the Northbrook Jr. High Wind Ensemble. The band will perform a very moving tribute to four of the branches of the Armed Forces.

### Come Out and Thank Our Veterans or Watch it Live!

School District 28 will be live-streaming the Veterans Day ceremony for community members. To view the performance live at 10:30am, visit [www.district28.net](http://www.district28.net)

### Veterans Day Breakfast Celebration

On Friday, November 11, the Northbrook Park District Senior Center will celebrate veterans with breakfast and musical entertainment from 9:30-11am at the Leisure Center. Call 847/291-2988 to save your place.

## Election Information

**Monday, November 7, is the last day for grace period registration and early voting at Northbrook Village Hall.**

**Visit [www.cookcountyclerk.com](http://www.cookcountyclerk.com) for polling locations and other information for the Tuesday, November 8, Presidential Election.**

How You Can Avoid Crimes of Opportunity

### In Your Neighborhood

If you see any suspicious vehicles driving slowly or repetitively in your neighborhood, report the vehicle and plate number. If you see someone at your neighbor's front door and then walking around the house, call 911 with a description. Residents are reminded to be vigilant and report any suspicious activity by calling 911 immediately.

### Just Hang Up

The best way to avoid telephone scams is also the easiest. Don't be fooled by an agency or company name on the caller ID. If someone is asking for personal information or for you to send money or to get a gift card and give them the card number, it's a scam. Just hang up. Call the Illinois Attorney General's Consumer Fraud Hotline at 1-800/386-5438.

### Keep Your Belongings Close

It's easy for a thief to grab something from a purse when it's left unattended in a shopping cart, on a counter or hanging on the back of a chair in a busy restaurant. Prevention of a crime of opportunity may be as simple as paying attention to your surroundings and not leaving any valuables unattended, even just for a few seconds.

### Lock Your Vehicle and Remove All Your Valuables

It's not unusual for someone to report a missing purse or electronic device. These items are often taken from an unlocked vehicle, sometimes parked in the caller's driveway or when left unattended for a quick errand. If you must leave valuables in your car, place them in the trunk before you reach your destination.

### Avoid Using ATMs at Night

When using a drive-thru ATM, keep your vehicle secured with all doors locked and be aware of anyone approaching. Once the transaction has been completed, immediately leave the ATM premises. It's safer to count your money afterward.

### Making Face to Face Transactions

During exchanges, such as *Craigslist* transactions or times when an exchange in a public setting is best, residents are allowed to use the Police Department lobby or the public parking lot located at the front of 1401 Landwehr Road.

### Questions or Concerns?

For questions, concerns or general police related information, call the Northbrook Police Non-Emergency phone number at 847/564-2060. For emergencies or urgent matters, call 911.

## Think Northbrook for the Holidays

Shop & Dine in Northbrook this Holiday Season

**The Village and the Northbrook Chamber of Commerce are once again partnering to promote Northbrook as a great destination for holiday shopping and dining.**

This year, TV viewers will again see some familiar Northbrook shopping and dining locations in a 30-second commercial that highlights the Northbrook shopping experience without having to travel to Chicago. The commercial will run on Comcast Xfinity and AT&T U-Verse along the North Shore from Barrington

to Evanston. In addition to catching the commercial on your TV, you may also catch it watching TV programming on your mobile devices as well as on a variety of websites.

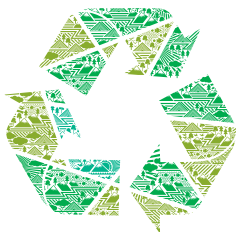

### Shopping and Dining Guide

Check out the Shopping and Dining Guide at [www.liveshopdinenorthbrook.com](http://www.liveshopdinenorthbrook.com), request one from the Chamber at 847/498-5555 or pick one up at the Chamber of Commerce or the Village Hall during business hours.

## REDUCE. REUSE. RECYCLE.

With the holidays coming into full swing, here's a few tips to avoid using plastic bags. Whether you are going out for holiday shopping or stocking up at the grocery store, remember to use reusable shopping bags whenever possible.

**The trick is to have reusable bags stashed in places where you know you will need a bag.**

- Do you drive to work? Leave a few bags in your car for errands on the way home, especially for a last minute trip to the grocery store.
- Always do some shopping on your lunch break? Keep a few bags stashed in your desk.
- If you're a bike commuter or work from home, keep bags stashed in your purse or backpack.

- Some bags can clip to your keychain. Just be sure to put them back after you use them.
- If you do need to use a plastic bag, be sure to recycle it. Most supermarkets have a recycling bin which accept plastic bags as well as newspaper bags, dry cleaning bags, etc.

# Notes from Village President Sandy Frum

With the change of seasons and a variety of festivities approaching, I'd like to wish everyone Happy Holidays! It's the time of the year to be thinking about Thanksgiving and other seasonal celebrations. This newsletter features a variety of opportunities to celebrate, either by attending an event, such as the Veterans Day ceremony (featured on cover), the Northbrook Interfaith Service (see page 4) or celebrating Northbrook's 115 Birthday on November 15 (see page 5) or by giving to one, or more, of the local organizations preparing for the holidays, including the U.S. Marines' Toys for Tots, Youth Services Holiday Gift Program, and the Northfield Township Food Pantry. (See pages 4 and 7 for more details.)

As we approach the colder weather and the threat of winter storms, I'd like to share a few thoughts about safety. Not only winter safety, but also safety around the home and around the Village. When the snow falls, please take time to shovel the public sidewalks for the benefit of students, mail carriers and other pedestrians. It's courteous and appreciated by your neighbors, and contrary to rumors, there is no liability per state law. Please remember to clear the snow and ice from fire hydrants on or near your property. In case of fire, seconds count. Please see page 4 for some important fire safety tips.

### Reminder for Motorists and Pedestrians

As the days get shorter, I want to remind early morning walkers, runners and cyclists to wear some type of reflective clothing and to be mindful of approaching vehicles. As always, motorists should be aware of changing traffic situations and road conditions and not drive distracted. It is all too often I see motorists not paying attention and holding up traffic because of activities on their mobile phones.

### Protecting the Health, Safety and Welfare

One of the primary duties of the Village is to protect the health, safety and welfare of its population, and for Northbrook, this includes over 33,400 residents and over 3,000 businesses with more than 45,000 employees within our boundaries during the workday. Along with our Village staff, the Village has support from various local, regional, state and Federal agencies that together, help to keep our community safe. We also work with local businesses, as was the case last month when a delivery truck driving around the Library, hit the overhang, resulting in

what may have been structural damage. The Village staff called on Northbrook based Wiss, Janney, Elstner Associates, Inc. to help ensure the Library was safe to open. Within hours, the Village was notified that the facility was approved to open the following day.

Working together as a community is important, from the Village working with agencies to neighbors helping neighbors.

### Celebrate Northbrook's 115th Birthday

On November 16, 1901, our Village, which had a population of 311 residents, was incorporated as Shermerville, Illinois. In 1923, the name was changed to Northbrook, as the west fork of the north branch of the Chicago River flows through our town. All are invited to celebrate our 115 years as a Village. Please see page 5 for details.

### Shopping and Dining in Northbrook this Holiday Season

Spending your dollars locally helps support local businesses and the community, as 1¼ cents of every dollar spent benefits Northbrook. Whether you are looking for gifts large or small, visit our shopping and dining guide mentioned on page 2. The holidays are also the perfect time to make plans with your friends and family to dine at one of the many fine restaurants in Northbrook.

I wish you and your family a happy holiday season and a very Happy New Year!

### Comments, Questions, Suggestions

I'd like to hear from you! Please contact me directly at 847/509-5301 or email me at [frum@northbrook.il.us](mailto:frum@northbrook.il.us)

## Toys for Tots Collection

The Village is once again partnering with the Marine Toys

for Tots Foundation, the U.S. Marine Corps Reserve's program, to bring toys to children who might otherwise go without a present to open on Christmas morning.

Toys for Tots needs donations! Please visit a collection center at the Police or Fire Department headquarters or Village Hall by Friday, December 16, with a new unwrapped toy. Your donation will be greatly appreciated.

## Residents are Encouraged to Pitch-in!

When the snow falls, please take time to shovel the public sidewalks abutting your property for the benefit of students, mail carriers and other pedestrians. The Illinois Snow and Ice Removal Act insulates residential homeowners from liability should someone slip and fall on your sidewalk.

## Don't Forget the Fire Hydrants On or Near Your Property

In case of an emergency, seconds count! Please take a few extra minutes to clear the snow and ice from the fire hydrants on or near your property. Coordinate the responsibility with your family members or others in the neighborhood. It's important for our firefighters to have clear access in case of an emergency.

## A Message from Fire Chief Jose Torres

Doing laundry is most likely part of your weekly routine. But did you know how important taking care of your clothes dryer is to the safety of your home?

With a few simple safety tips you can help prevent a dryer fire.

- Always follow the manufacturer's operating instructions.
- Do not overload your dryer.
- Make sure the air exhaust vent pipe is not restricted and the outdoor vent flap will open when the dryer is operating.
- Make sure you use and clean the lint filter before or after each load of laundry and remove lint that has collected around the drum.
- Once a year, or more often if you notice that it is taking longer than normal for your clothes to dry, clean lint out of the vent pipe or have a dryer lint removal service do it for you.
- Keep dryers in good working order. Gas dryers should be inspected by a professional to ensure the gas line and connections are intact and free of leaks.
- Turn the dryer off if you leave home or when you go to bed.

### And don't forget...

- Dryers should be properly grounded.
- Check the outdoor vent flap to make sure it is not covered by snow.
- Keep the area around your dryer clear of things that can burn, like boxes, cleaning supplies and clothing, etc.
- Clothes that have come in contact with flammable substances, like gasoline, paint thinner, or similar solvents, should be rinsed in cold water outdoors and allowed to completely dry before being washed and dried as usual.

## Northbrook Interfaith Community Service

Thanksgiving is a time of joy and good cheer.

Celebrate and give thanks on Wednesday, November 23, at 7pm, at the Northbrook Clergy Association's Annual Interfaith Community Thanksgiving Service. This year, the service will be held at the Islamic Cultural Center of Greater Chicago, 1810 Pfcngsten Road.

Please bring some canned goods and other non-perishable food items for a collection to benefit the Northfield Food Pantry.

# Say it Isn't Snow...

When Winter Weather Heads Our Way the Northbrook Public Works Department will be ready!

The Village's snow removal operation begins with seven or more trucks spreading de-icing materials on main and secondary streets. As snow begins to accumulate, standby personnel are called in to plow the 537 lane miles of Village owned and maintained streets, municipal parking lots and designated sidewalks.

## Help Our Public Works Crews: Keep Your Vehicles Off the Streets.

You can help Public Works crews clear our roadways as quickly as possible by keeping vehicles off the street during snow removal operations. The Village's number one concern is the safety of those using our streets.

## Important Snow Plowing Fact...

A complete plow-cycle can take at least 6-7 hours depending on weather and traffic.

## Who Plows Your Street?

### Northbrook Public Works

Neighborhood Streets  
*(except private roads/streets)*  
Cherry Lane  
Grant Road - Lee Road  
Pfungsten Road  
*(between Highland & Maria)*  
Shermer Road *(Dundee to Willow)*  
Skokie Blvd. *(within Village limits)*  
Techny Road *(Pfungsten to Founders)*  
VOLTZ Road  
Walters Ave. *(between Pfingsten & Lee)*  
Western Avenue  
*To report emergency conditions on the above roads, call 847/272-4711.*

## Thank You for Your Patience!

Snow and ice control efforts give priority to higher traffic Village roadways, such as Walters Avenue, Cherry Lane, Pfingsten Road, Techny Road and Shermer Road.

Arterial roads such as Lake-Cook, Dundee, Willow, Sanders, Landwehr and Waukegan are plowed by either the Illinois Department of Transportation or the Cook County Highway Department.

### Cook County Highway Department

Lake Cook Road  
Landwehr Road *(south of Dundee)*  
Sanders Road  
Skokie Boulevard  
*(south of 1101 Skokie Boulevard)*  
Sunset Ridge Road *(south of Midway)*  
Techny Road *(Sanders to Pfingsten)*  
Walters Ave.  
*(between Pfingsten & Sanders)*

*To report emergency conditions on County roads, call 708/448-8006.*

## Keep Plowed Snow out of Shoveled Driveways.

Residents can help keep their driveway clear by shoveling snow to the right side of their driveway (as viewed from the home looking at the street). Please note: The Public Works Department does not clear private driveway entrances.

For details about snow and ice control visit [www.northbrook.il.us/Snow](http://www.northbrook.il.us/Snow)

## Move Your Vehicle After 2" of Snow.

When 2 or more inches of snow fall, it is illegal (by Village Ordinance) to park on Northbrook streets until plowing has been completed. If you park in the street, you may be ticketed and towed.

If your vehicle has become disabled or if you would like to find out if the parking ban is in effect, please call the Police Department at 847/564-2060.

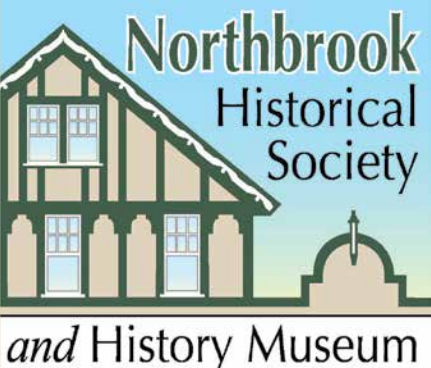

The Village will use its Northbrook Notify service to alert residents of snow emergencies. Sign up for notifications at [www.northbrook.il.us/NorthbrookNotify](http://www.northbrook.il.us/NorthbrookNotify)

## The Illinois Department of Transportation (IDOT)

Dundee Road  
Pfungsten Road  
*(south of Highland and north of Maria)*  
Waukegan Road  
Willow Road

*To report emergency conditions on State roads, call IDOT at 847/705-4612 or visit [www.dot.state.il.us](http://www.dot.state.il.us)*

*The Illinois Tollway Information Hotline is 800/865-5394 (1-800-TOLL-FYI).*

## Celebrate Northbrook's 115th Birthday

The Board of Directors of the Northbrook Historical Society invites all to celebrate the incorporation of our Village at the 115th Birthday at an Open House on Sunday, November 13, from 2 to 4pm, at the Northbrook Historical Society, 1776 Walters Avenue.

All are invited to come and join the fun and good cheer with cake, refreshments and door prizes. The Historical Society is at 1776 Walters Avenue. The History Museum and Historical Society Inn Shop will be open during the celebration. [www.northbrookhistory.org](http://www.northbrookhistory.org)

# Make Sure Your Home is Winterized!

Cold weather brings the potential for frozen water service lines, water meters and residential fire sprinkler systems.

Winterize your home by doing the following:

- Check thoroughly to identify and seal all cold air drafts near water pipes, including basement windows, crawl space vents and the glass water meter viewing block.
- Install fire retardant insulation around susceptible pipes.
- Install Underwriters Laboratories (UL) listed electric heater tape on pipes that are located on the inside of exterior walls, which may have only marginal insulation. North and west walls are typically most vulnerable.
- If you have an underground lawn sprinkling system, shut off the water supply and properly drain the system.

- Residential fire sprinkler systems are vulnerable too! As a reminder, if you vacation during winter months, set the thermostat no lower than 55°F before leaving to prevent frozen pipes and sprinkler systems.

## Holiday Refuse Collection Schedule and Cart Storage Reminders

**During the week of Thanksgiving, pick-up for Thursday customers will be Friday and Friday customers will be Saturday.**

The last chance for yard waste collection will be on your pick-up day during the week of Thanksgiving. Monday customer's last pick-up date is on Monday, November 28.

Christmas trees will be collected during the month of January on your regular pick-up date. One tree per residence will be collected at the curb. Trees should be free of all lights, garland, tinsel and decorations.

**A reminder regarding refuse and recycling cart storage:**

Please ensure that your garbage receptacles are regularly stored behind the front face of your house or within the garage on non-pickup days. Carts should not be stored in the front of your property. Also, after collection, carts need to be returned to the storage location within twelve hours after the collection service has been performed.

If you have questions, call Advanced Disposal at 847/272-4145.

## Local Artists Open their Studios to the Public

**The Northbrook Artists' Open Studio Tour will be held on Saturday, November 5, from noon-4pm.**

This year's event features ten Northbrook Artists. Four of the Northbrook Artists will open their local studios while others will showcase their art at the Northbrook Park District Leisure Center, 3323 Walters Avenue. This event, presented by the Northbrook Arts Commission, is open to the public, free of charge.

### Visit the Studios

# Historian's Corner

presented by the Northbrook Historical Society

## Emmett Culligan's Lasting Legacy in Northbrook

When Emmett Culligan came to town he set up his water treatment business in the blacksmith shop of Joch McLachlan, which at that time was located on the back of the lot behind the spot where Lucky Fish Restaurant, 1349 Shermer Road, will soon open. Over the years, Culligan built and later sold several other buildings in town. The Culligan Company itself has had several owners since it was sold by the Culligan family in 1998 and currently has no Northbrook location. Yet, two other facilities associated with the Culligan name remain in town.

One of the remaining Northbrook buildings once used by Culligan is the blue Queen Anne home at 1351 Shermer Road. This home, built circa 1894, began its life as the home of William Groth who was the distributor for Birk Brothers Brewery. The brewery's warehouse was west and south along the railroad.

Beginning in the late 1930s, the Culligan Zeolite Company set up a research laboratory there. Culligan used this home until the last remaining Culligan factory was opened a few blocks south in 1951. It is currently the home of Window Tech.

The last of the Culligan buildings remaining in Northbrook was built at 1657 Shermer Road when there were fewer than 4,000 residents in town.

[www.northbrookhistory.org](http://www.northbrookhistory.org)

The factory was actually located outside Northbrook's Village limits at the time it was built. The move to this \$550,000 building coincided with the company's 15th anniversary. The grand opening celebration drew industrial leaders from far and wide, and local residents for a tour of the modern building, a BBQ and a square dance. It was reported that over 1,000 people attended the celebration. Today, that property is home to Grainger.

During the time it was operated by Culligan, there was a large community garden on the grassy area where a new front parking lot is now located and a baseball field on the grounds was where many young players were first introduced to the game.

While there are no remaining active Culligan facilities in Northbrook, the Culligan legacy remains.
