

Northbrook!

February 2010

Northbrook is "Counting" on You!

With 2010 Census questionnaires set to arrive in mailboxes across the country by mid-March, the U.S. Census Bureau has launched a \$133 million national advertising campaign to boost participation rates in the once-a-decade population count.

Northbrook has an active Complete Counts Committee that has been contacting community groups and organizations to promote Northbrook's "Strive for 35 – Population 35,000" campaign. Currently, Northbrook's population is estimated to be 34,419, but reaching a population milestone of 35,000 qualifies Northbrook to apply for grants and funding that were not available in the past. Also, state and federal funding are based on population, so a count of 35,000 or more places Northbrook in a better financial position.

All Residents Are Encouraged to Fill Out the Form and Mail it Back

Residents that don't mail the form back will be visited by a U.S. Census taker between April and July 2010. For every percentage point increase in the 2010 Census mail-back response rate, the Census Bureau saves \$85 million in follow-up with nonresponding households.

Please visit www.northbrook.il.us for more information or contact the U.S. Census Call Center at 800 923-8282.

Let's All "Count" for a Better Northbrook! ✨

Citizen Police Academy Class Begins on March 24th

Have you ever wondered what it is like to be a Police Officer or what a traffic stop is like from the Officer's point of view?

Join this free, hands-on, exciting opportunity to learn about Northbrook's Police Department. Sign-up for the Citizen Police Academy and find out about topics such as:

- ✨ Emergency 911 communications center
- ✨ Crime Scene Investigation
- ✨ Police K9 Unit
- ✨ Use of Force and Response to Resistance

You can even ride-along with a Northbrook Police Officer!

continued on page 5

Election Day is Tuesday February 2nd

Polls Are Open 6am to 7pm

Please note that polling places may have changed from the last voting day. To verify your polling place or to review the various ballots that will be available at your polling place, visit www.voterinfonet.com and enter your address in Voter's Tool Kit. If you have questions about your voting status, call 312 603-0906 or e-mail voterreg@cookcountygov.com

In-person Absentee Voting

You may vote absentee in person at one of the County Clerk's offices (the regional courthouse mini-centers or 69 W. Washington in downtown Chicago) through Monday, February 1, if you have a conflict on Election Day. Visit www.voterinfonet.com for locations and times. ✨

ComEd Residential Real-Time Pricing

Is Paying Market Prices for Electricity a Good Idea for the Residential Market?

Businesses have had the option to buy electricity at the going market rate for years. Now residential customers can too, thanks to ComEd's Residential Real-Time Pricing – part of the Smart Ideas portfolio of energy efficiency offerings.

Currently, most ComEd customers pay a fixed-price rate for the electricity they use. With Real-Time Pricing, customers pay wholesale market prices, which fluctuate from hour to hour. Customers that are able to shift the use of large appliances to the hours when electricity is cheaper – such as running a dishwasher or clothes washer in the evening, at night or on the weekend – could potentially save money on their ComEd electricity bill.

To learn more about Real-Time Pricing, visit www.theWattSpot.com or call 877 WATT-SPOT (877 928-8776). ✨

Notes from the Village President, Sandy Frum

What Do You See for the Future of Northbrook?

By the time you are reading this newsletter, you should have received a special edition of **Northbrook!** explaining the process for formalizing the Village's Comprehensive Plan. This is Northbrook's "blueprint" for the future and your input is important. A series of Public Informational Meetings are scheduled for Feb. 3, 8, 10 and 11. For more information, call 847 272-5050, ext. 4249, visit www.northbrook.il.us or view a copy of the Village's Comprehensive Plan at the Village Hall or the Northbrook Library Reference Desk.

Snow Removal Operations

Sandy
I'd like to congratulate the snow removal crews in our Public Works Department for their continued superior service and for their efforts in keeping our 269 lane miles of roadway cleared during and after snow storms. I'm not sure everyone realizes the time and effort put forth by staff during a snow event, with crews commonly working 16 hour shifts. While snow removal operations are in process, there are frequently other crews working on routine and emergency assignments, such as water main breaks. Presently, Northbrook doesn't have a formal policy on clearing sidewalks, but over the past few years, Village crews have devoted significant time and resources to generally keeping sidewalks around the schools and main thoroughfares cleared of snow for pedestrian traffic. Before next winter, it is my plan to work with the Village Board and staff to have a policy in place that will address specific areas where sidewalks are maintained during a snow event.

What Do You Think Makes Northbrook Unique?

Last month's Business Briefs page of this newsletter featured an article highlighting our Village as the "Business Hub of the North Shore." The article noted that while Northbrook's population is less than communities such as Evanston, Skokie and Glenview, Northbrook has more businesses than each of them. Many residents have commented on this unique characteristic of Northbrook. As a Village official for the past 23 years, I have also heard of many other unique characteristics about Northbrook, from being the home of the Velodrome and the Chicago Curling Club to home of Underwriters Laboratories and Crate and Barrel Headquarters. We have been known as the "Speed Skating Capital of the World" and the "Village of Friendly Living."

I am anxious to hear about what makes Northbrook unique from your point of view, whether you are a resident, business representative or from a local organization. Please send me an e-mail at village@northbrook.il.us or call 847 509-5301 and leave a message.

Studs Terkel Award Presented to Northbrook Resident Susie Field

The Illinois Humanities Council, along with the Northbrook Village Board, is proud to announce that Susie Field was the recipient of the 2009 Studs Terkel Humanities Service Award. She was recognized for her outstanding efforts on behalf of the humanities in Northbrook.

Susie Field has been a strong advocate for children with special needs and her work as the founder of Special Gifts Theatre has not gone unnoticed. We are proud to recognize her for providing over 500 children who are differently-abled with the opportunity to perform on stage!

Susie Field was presented with an engraved medal of recognition for the Studs Terkel Award at the Northbrook Village Board meeting in December. At that meeting, about 20 students performed a song from a recent production. Congratulations to Susie and the cast and crew at Special Gifts Theatre! ❀

Susie Field and Special Gifts Theatre Member Display the Studs Terkel Award

2010 Parkway Tree Order Form

The Village will again share with residents and businesses the cost of purchasing and planting up to 200 parkway trees. Trees will range between 2 and 2 1/2 inches in diameter. A property owner's share will be \$100 per each tree ordered, regardless of variety or size. Multiple trees may be ordered providing there is adequate room within the public parkway area. *Sorry, no trees may be ordered for private property.*

The trees will be planted during May, as weather permits. There is a 12-month one-time replacement guarantee for each tree. Guarantees do not cover tree death due to "obvious owner neglect," including over or under watering and decorative, but destructive "volcano mulching" by landscapers. Those with automatic irrigation systems should be especially alert to the potential of over watering, which can easily kill a young tree. Public Works will provide property owners with tree-care instructions.

Limitations

Trees must be planted equidistant from curb and sidewalks, typically at least 35' from other parkway trees, at least 10' from a driveway or street light and at least 45' from an intersection to ensure unobstructed sight lines. Locations must be at least 5' from manholes, fire hydrants and B-boxes. Orders must be submitted before March 1, 2010, and will be processed in the order received. **Please send a check for the total amount due, \$100 per tree, with your application form!**

The Village has joined the Suburban Tree Consortium to offer quality trees from Wilson Nurseries, Beeson Nurseries and Beaver Creek Nursery.

Eleven species, including three (3) types of oak trees, are currently available. **All trees are in limited quantities on a first come, first served basis.** The oaks, which are long lived trees of stature, are an especially outstanding value. Should your first choice be unavailable by the time your application is processed, please check the box on page 4 for alternate tree instructions.

2010 Parkway Tree Order Form

- | | | |
|--|--|--|
| <input type="checkbox"/> Accolade Elm
(resistant to Dutch Elm Disease)
Crown: Vase shaped
Height: 60' Width: 40'
Growth Rate: Fast
Size: Large

Summer Foliage: Dark Green
Fall Foliage: Red
Fruit: Small acorn on mature trees |

2010 Parkway Tree Order Form

State Street Miyabe Maple
 Crown: Upright oval
 Height: 30' Width: 20'
 Growth Rate: Medium
 Size: Medium
 Summer Foliage: Green
 Fall Foliage: Soft yellow
 Fruit: Samara

Swamp White Oak
(our favorite indigenous oak)
 Crown: Oval
 Height: 60' Width: 50'
 Growth Rate: Moderate to fast
 Size: Large
 Summer Foliage: Emerging purplish green changing to dark green
 Fall Foliage: Golden yellow brown
 Fruit: Acorn with long stem on mature trees

You may stop by Public Works to see color photographs of the trees described.

Please indicate the number of trees next to each tree you would like to order. The cost per tree is \$100.

Draw a simple sketch of your property in the box. Indicate pertinent landmarks such as building, driveway, utility structures, etc. Place an **X** at the location where you want your tree planted and an arrow pointing north.

N

Please print:

Name: _____

Address: _____

Phone: _____

Work or Cell Phone(s): _____

E-mail address: _____

Should your first choice be unavailable by the time your application is processed, please check one of the boxes below for alternate tree instructions:

- Please have forestry staff select an alternate tree for me if my first choice is not available.
- Please have forestry staff call me to discuss an alternate tree if my first choice is not available.
- The location I have in mind is under utility wires. Please contact me to discuss options.

Residents may suggest locations, but Village personnel will make final decisions on the basis of availability, soil conditions and conformity with utility systems and sight line guidelines. Orders must be submitted on this form and will be processed in the order received. **Village funds and tree quantities are limited, so please order early!**

Trees are unique, like fingerprints. Structurally sound, disease-free specimens have already been tagged by representatives from the Public Works Department, Forestry Division. Under no circumstance may trees be refused, moved or exchanged, for any reason!

Make checks payable to Village of Northbrook

Total Trees Ordered _____ x \$100 = \$ _____

Help the Fire Department, Help Your Neighborhood!

“Adopt a Fire Hydrant”

Please keep fire hydrants on or near your property clear of snow and ice. Do not allow your private snowplowing contractor to pile snow on top of fire hydrants! In an emergency, seconds count! Contact the Fire Prevention Bureau at 847 272-2141, ext. 7139, for more information. ❁

The 4th of July Association

Needs YOU in 2010!

Make a commitment to the community and volunteer to help plan the 4th of July in Northbrook. You'll meet some wonderful neighbors and be part of a community wide celebration.

The Northbrook 4th of July Association plans the Village-wide celebration each year. All residents and business representatives are encouraged to join the Association in planning the big day. Please come to our next meeting on Wednesday, February 17, 7:30pm, at the Headquarter Fire Station, 740 Dundee Road.

This is a great way to meet your neighbors and participate in the community celebration of America's birthday. ❁

The Environmental Quality Commission Reminds Residents and Businesses to

Get Ready for Earth and Arbor Day Saturday, April 24!

Northbrook's Earth and Arbor Day celebration is just around the corner! Start rounding up the troops and plan to enjoy a community clean-up day complete with events, exhibits, and much more! Everyone is invited to “pitch-in” and keep the green momentum in motion! Get your clean-up team organized and stake your claim to clean-up your favorite Northbrook territory! Residents or businesses with environmentally friendly products, ideas or projects are asked to call 847 272-5050, ext. 4228, and let us know. Companies that promote and introduce Green Building technology are also welcome! ❁

ECO-MAN says,
“Start thinking about Earth
and Arbor Day!”

The Northbrook Community Relations Commission presents a "twofer" on Saturday, February 20 at the Northbrook Public Library, 1201 Cedar Lane. Free admission!

Kidworks
Touring Theatre Co.

The first event is "African-American History...Live" from 11am until noon (ages 4–12 years). Come travel through history with Kidworks Touring Theatre Co. as we bring 250 years of African-American History alive. Sing old Negro Spirituals, escape slavery with Harriet Tubman, free the slaves with Abraham Lincoln, sit on the bus with Rosa Parks, march with Dr. Martin Luther King Jr. and become the first African-American President, Barack Obama. This program is loaded with audience participation and educational information! For more information, go to www.kidworkstheatre.org

The second event is A Book Review and Discussion: *The Color of Water* by James McBride (young adult– adults);

2 to 4pm; reading the book in advance recommended. Join us as Dr. Larry Murphy, Ph.D., who serves on the faculty of Garrett-Evangelical Seminary as Professor of History of Christianity, leads the discussion for this lively novel which was on the New York Times bestseller list for more than two years. *The Color of Water* was called "As lively as a novel, a well-written, thoughtful contribution to literature on race" by The Washington Post. Book World wrote "[A] triumph" in the New York Times Book Review. It has been described as "inspiring," "vibrant" and "incredibly moving" by Glamour, The Boston Globe and Jonathan Kozol, respectively.
