

# NORTHBROOK

OCTOBER 2018

## Hey Kids, Ask Your Parents to Bring you to the Fire Station Open House on October 13!

The Northbrook Fire Department will be hosting their 32nd Annual Open House on Sat., Oct. 13, from 9am to noon, at Fire Station 12 on Shermer Rd.

Where can kids climb in fire trucks, use a fire hose, dress in firefighter gear, talk to firefighters, and pet therapy dogs? You'll find this and more at the Shermer Road Fire Station Open House! This year's Open House will have a variety of activities for kids of all ages, including live demonstrations of fire apparatus and

equipment, plus a performance by the Northbrook Fire Department Special Teams. Refreshments and food will be available. Bring the whole family to enjoy this safety event.

*Ample parking is available across the street at Maurice Sporting Goods, 1825 Shermer Road.*

See page 5 for more information.

## Early Voting Starts Monday, October 22

### Make your vote count!

There are three ways to cast a ballot in suburban Cook County for the 2018 Gubernatorial Elections. Eligible voters can participate in early voting, vote by mail, or vote on Election Day at their assigned polling place.

Northbrook Village Hall will be open for Early Voting and Grace Period Registration/Voting (for new voters or those who have moved).

### The voting dates and hours are:

**Mon., Oct. 22 – Fri., Oct. 26**  
9am-5pm

**Saturday, Oct. 27 & Nov. 3**  
9am-5pm

**Sunday, Oct. 28 & Nov. 4**  
10am-4pm

**Monday, Oct. 29 - Fri., Nov. 2**  
9am-7pm

**Monday, Nov. 5**  
9am-5pm

On Election Day, Tuesday, Nov. 6, the Village Hall will be open from 6am-7pm for Election Day registration/voting, which includes voters who have moved or new voters. Please remember, on Election Day you must go to your assigned precincts to vote.

If you have any questions about voter registration, early voting, where your precinct is located, or voting in the November 6th Election, please call the Cook County Clerk's Office at 312-603-0906 or visit on-line at [www.cookcountyclerk.com](http://www.cookcountyclerk.com)

# Business Briefs

## Businesses are Open and Easily Accessible During Construction

Residents are reminded that businesses are open and easily accessible while construction on the Shermer Road Bridge and Shermer Road, between Church Street and Angle Avenue, is occurring.

On-street parking is available on Meadow Road and Shermer Road. Free parking is also available in the Commuter Parking Lots after 10:00 a.m. weekdays and on weekends. Motorists are encouraged to allow enough time to reach their destination, as there may be minor traffic delays during construction.

Businesses are open and there is ample on-street parking along Shermer Road during the bridge construction.

Visit the Village's Live Shop Dine website ([www.liveshopdinenorthbrook.org](http://www.liveshopdinenorthbrook.org)) for helpful information on many of the businesses, restaurants, and other attractions in the downtown. Conveniently located within walking distance to the Metra train station, Northbrook's downtown is both a fun and practical destination. Specialty stores The Book Bin, la de da, Jacqueline's of Northbrook, or Franz Jewelers are great for finding that thoughtful one-of-a-kind gift. Juniper, voted "Best Boutique on the North Shore," is the perfect spot for a trendy outfit. Three Bags Full is a knitter's paradise. Complete your daily errands at Eve's Hallmark, Ace Hardware, Dollar Tree, or at one of the many banks, dry cleaners, or other service businesses. You'll get lost in all the fabulous color options for your home at JC Licht/Epcor or Sherwin Williams.

A neighborhood favorite for breakfast or lunchtime is Georgie V's and nearby is the always popular Subway. A gathering spot for locals, Starbucks serves a range of hot and cold drinks.

Adjacent to Village Green Park, Little Louie's has introduced generations of children to their first Chicago style red hot.

Downtown's Jar Bar offers quick, healthy on-the-go options for breakfast and lunch. Across the street you'll find, Lucky Fish Northbrook, a seafood restaurant

serving New Orleans and East Coast style fare with a Mexican flair. Diners flock to the outdoor patio at Landmark Inn, which offers a range of microbrews and traditional bar favorites.

Before heading home, visitors to the Village Green Park can't resist stopping by Graeter's or Baskin Robbins for a cool ice cream cone or Leonidas Café Chocolaterie for a variety of sweet treats.

For a quick dinner, pick up a pizza at Lou Malnati's or Sarpino's. For fine dining, check out House 406, featuring a farm to table menu.

For international fare, stop in at Kamehachi, one of the area's premier Japanese restaurants or Francesca's or Trattoria Oliverii for authentic Italian specialties. Marcello's is a great place to meet friends for a drink or dinner. If you need a quick bite to eat or drink, pop into Northbrook Grill and Tap, located inside Sunset Foods grocery store.

# Notes from Village President Sandy Frum

If you've never been to the Fire Department's Open House, I encourage you to attend our event on Saturday, October 13. While some may think the Open House is simply geared towards Northbrook's school aged children, it's actually an opportunity for the whole family to meet and learn more about our first responders. There will also be information on this year's Fire Prevention Week theme - Look. Listen. Learn. You'll find more details on the front and page 5.

I also want to emphasize that October is Domestic Violence Awareness

month and Cyber Security month in the Village (see page 6). Part of Northbrook being a great place to live, work, and play is being a safe place to live, work, and play. I encourage everyone to learn more about safety, whether at home, school, at work, or when working on a computer or other device accessing the Internet. Be smart about sharing personal information on-line or over the phone. As a reminder, the Village of Northbrook will never call about changing your electric service or other utilities.

## Safety on Halloween

The end of the month wraps up with Halloween and Trick-or-Treating. Residents in Northbrook may participate in this tradition by keeping their porch light on to welcome the Trick-or-Treaters on Wednesday, October 31, between 4 and 8pm. During these hours, I'd like to remind motorists to be particularly mindful of Trick-or-Treaters as they make their way door to door through the neighborhoods. You'll find some more safety tips on page 4.

## Resources for Residents

Please check out the Northbrook Cares website at [www.NorthbrookCares.org](http://www.NorthbrookCares.org). The website is a resource created and managed by the Village of Northbrook's Community Relations Commission with the goal of connecting teens, young adults, and their families with local social services that can assist with a variety of issues and concerns. The project focuses on partnering with agencies to promote their services and help those in need quickly access assistance, whether for your family, a friend, or for yourself. See page 4 for more information.

## Doing Business in Northbrook

I encourage everyone to support all our Northbrook businesses and restaurants, especially those near the construction in our downtown business district featured on page 2. As you'll notice, the detour in our Downtown Central Business District, due to the bridge closure, provides easy access to area establishments. For a complete list of shopping and dining opportunities in Northbrook, visit [www.liveshopdinenorthbrook.com](http://www.liveshopdinenorthbrook.com)

## Four-way Stop at Walters Avenue and Cedar Lane Intersection

In response to numerous resident requests, combined with safety concerns at the intersection of Walters Avenue and Cedar Lane, a four-way stop sign configuration was installed last month. Overall, the reaction to the change has been positive. Since the location is just west of the train station and traffic tends to be heavier during the rush hour, the stop signs have been helpful to the pedestrians in the area as well as the motorists. We will continue to monitor this intersection over the coming months to see if any additional improvements need to be made.

## Comments, Concerns, Suggestions

I always welcome your comments, concerns and suggestions. Please call the Village Hall at 847-509-5301 or email me at [sandy.frum@northbrook.il.us](mailto:sandy.frum@northbrook.il.us). If you would like to report a service request, such as a pothole, tall weeds, or low hanging wires, please visit [www.northbrook.il.us/Request](http://www.northbrook.il.us/Request) and access GONorthbrook, our online service request system. Through the GONorthbrook system, you can send requests, questions, or concerns to Village staff for review and potential action. This service is for non-emergency requests. **For emergencies, residents should call 911.**

## Compost and Yard Waste Options

Residents wishing to compost can select a year-round subscription for a 35-gallon (\$120/year) or 95-gallon (\$140/year) container.

With the subscription, Advanced Disposal will collect yard waste and compost weekly from April - November and every other week from December - March. Subscribers can place overflow in 32-gallon plastic/metal containers or Kraft-type bags (not exceeding 50 pounds) for no extra charge.

### Acceptable Compost Items:

- Fruits & vegetables (cooked or raw) - including unpainted holiday pumpkins
- Dairy & eggs/egg shells - no liquids
- Breads, grains, pasta, and cereal (cooked or raw, non-meat sauce is okay)
- Coffee grounds & filters, teabags
- Food-soiled paper bags, newspaper, paper towels, pizza boxes, and uncoated paper plates

The compost program does not include raw or cooked meats, animal bones, or pet waste.

Residents not interested in the subscription service can dispose of compost and yard waste from April - November using 32-gallon plastic/metal containers or Kraft-type bags (not exceeding 50 pounds) and stickers. Stickers are available at Village Hall and local grocery and home/garden stores listed below.

Residents choosing to compost are encouraged to use a plastic or metal container with a secure lid instead of the Kraft-type bags. This will reduce the possibility of attracting wildlife.

## Here's How to Handle Your Fall Leaves

The beautiful fall leaves eventually end up on the ground, and then it's time to start raking.

**Collection reminders:** Brush must be tied in bundles using biodegradable cord, rope, or twine; and not exceed 50 pounds in weight; two feet in diameter; and four feet in length, with sticker attached. Stickers are \$2.04 each and are available from Advanced Disposal (847-272-4145) or the Village Hall.

Yard Waste Bags/Stickers are available at:

- Northbrook Ace Hardware (1941 Cherry Ln.)
- Jewel (2775 Pfingsten Rd., Glenview)
- Red's Garden Center (3460 Dundee Rd.)
- Sunset Foods (1127 Church St.)
- Walgreens (2871 Pfingsten Rd., Glenview).

Free "YARD WASTE" designation labels for reusable 32-gallon metal/plastic containers are available at the Village Hall and Advanced Disposal (2800 Shermer Road) during business hours.

Weekly yard waste pick-up runs through the end of November. For details, visit [www.northbrook.il.us/YardWaste](http://www.northbrook.il.us/YardWaste)

*Remember, burning leaves or any other yard waste is not allowed in Northbrook.*

## A Resourceful Website for Those in Need

The Community Relations Commission hosts a website at [www.northbrookcares.org](http://www.northbrookcares.org), to help teens, young adults, or parents who are in need to connect with resources in the community.

On the site, you'll find resources, articles, and other helpful information any time by just visiting the site. The site will be continuously updated with events and other information throughout the year so check back often.

## Trick-or-Treat on Halloween, Wednesday, Oct. 31

Northbrook's Official Trick-or-Treat hours are from 4 to 8pm. To welcome Trick-or-Treaters, switch on your porch lights or any exterior lights.

Please welcome Trick-or-Treaters who carry the official UNICEF collection boxes. (For more information on UNICEF, contact Georgina Winters, Senior Representative for the US Fund for UNICEF at 847-498-0558.)

Here are a few safety tips for parents to remind their trick-or-treaters:

- Walk in groups or with an adult, bring a flashlight, and stay on the sidewalks.
- Examine all treats before eating them and eat only factory-wrapped treats.

# Look. Listen. Learn. Be aware. Fire can happen anywhere.

Northbrook's firefighters are dedicated to reducing the occurrence of home and business fires and related injuries through prevention, protection, and education.

**In a fire, seconds count. Using these three steps can help you escape a fire quickly and safely. That's why this year's Fire Prevention Week theme, "Look. Listen. Learn. Be aware. Fire can happen anywhere" is so important.**

Situational awareness is a skill people need to use wherever they go. No matter where you are, look for available exits. If the alarm system sounds, take it seriously and exit the building immediately.

Use these three steps to help quickly and safely escape a fire:

- Look for places fire could start.
- Listen for the sound of the smoke alarm.
- Learn 2 ways out of every room.

Visit [www.nfpa.org](http://www.nfpa.org) for more information about fire safety or come to the Northbrook Fire Department Open House on Saturday, October 13, from 9am to noon, at Fire Station 12, 1840 Shermer Road. *Ample parking is available, across the street at Maurice Sporting Goods, 1825 Shermer Road.*

## Remember to Change Your Clocks & Replace Your Smoke Detector Batteries

When you change your clocks for daylight savings time on Sunday, November 4, remember to change your Smoke and CO detector batteries.

- Test the alarms monthly.
- Replace the entire detector every 10 years.
- A smoke or CO detector with a dead or missing battery is the same as having no alarm at all.
- A closed door may slow the spread of smoke, heat, and fire.
- Large homes may need extra smoke alarms.
- Smoke alarms detect and alert people to a fire in the early stages. Smoke alarms can mean the difference between life and death in a fire.
- Working smoke alarms cut the risk of dying in a home fire in half.
- Install smoke alarms in every sleeping room, outside each separate sleeping area, and on every level of the home, including the basement.
- Test smoke alarms at least once a month using the test button.
- Make sure everyone in the home understands the sound of the smoke alarm and knows how to respond.

## Look. Listen. Learn.

**NFPA statistics show that the number of U.S. home fires has been steadily declining over the past few decades.**

However, the death rate per 1000 home fires that are reported was 10 percent higher in 2016 than in 1980. These numbers show that while there is significant progress in teaching people how to prevent fires from happening, there is still much more work to do in terms of educating the public about how to protect themselves. This is particularly critical given the increased speed at which today's home fires grow and spread. It is important for everyone to practice "Look. Listen. Learn." everyday.

# Domestic Violence Awareness Month

**Domestic violence can be defined as a pattern of behavior in any relationship that is used to gain or maintain power and control over an intimate partner.**

Does your partner ever...

- Embarrass you with put-downs?
- Control what you do, who you see or talk to or where you go?
- Push you, slap you, choke you or hit you? Control the money in the relationship?
- Tell you that you're a bad parent or threaten to take away your children?
- Prevent you from working or attending school?

If you answered 'yes' to even one of these questions, you may be in an unhealthy or abusive relationship.

Domestic violence includes behaviors that physically harm, arouse fear, and prevent a partner from doing what they wish or force them to behave in ways they do not want. It can include acts of physical and sexual violence, threats and intimations, emotional abuse and economic deprivation. Many of these different forms of domestic violence can be occurring at any one time within the same relationship.

In the United States, an average of 20 people experience intimate partner physical violence every minute. 1 in 3 women and 1 in 4 men have experienced some form of physical violence by an intimate partner. The devastating consequences of domestic violence can cross generations and last a lifetime.

**Remember, each type of abuse is serious, and no one deserves to experience abuse of any kind, for any reason. You can contact the following agencies for assistance:**

# Stop. Think. Connect. October is Cyber Security Month

**Protect yourself online and help to make the Internet safer and more secure by following these simple tips.**

Enable stronger authentication for an extra layer of security beyond just a password. Things like multi-factor authentication that use a one-time code texted to a mobile device will help verify that a user has authorized access to your online accounts.

Make passwords long and strong by using complex passwords with a combination of numbers, symbols, and letters. Use unique passwords for different accounts. Change your passwords regularly.

Keep a clean machine by updating security software, applying operating system patches, and updating your web browser. Keeping your security software up-to-date will help to prevent attackers from taking advantage of your systems.

When in doubt, throw it out. Links in email and online posts are often the way cyber criminals compromise your computers. If it looks suspicious, delete it, even if it is from someone you know.

Share with care. Limit the amount of personal information you share online and use privacy settings to avoid sharing information widely. For example, posting pictures from your vacation advertises the fact that your house may be empty.

For more cyber security information, visit [www.dhs.gov/stopthinkconnect](http://www.dhs.gov/stopthinkconnect)

# Celebrate OAKtober and Learn about Trees

**Oaks represent strength and stature. In fact, the White Oak is the Illinois State Tree! Majestic oaks create a sense of awe and wonder.**

These trees work for us by cleaning our air and water, reducing ambient air temperature and usage of energy. They reduce flooding and support our native wildlife. Our oaks, and trees in general, improve our well-being and support a sense of community.

Did you know that an oak supports more than 500 species of pollinators; butterflies and moths? And that the Bebb Oak is the Village's Heritage tree?

**OAKtober is the Perfect Month to Maintain Your Trees.**

Maintenance tip: After November 1, you can safely have your oaks and American elm trees trimmed without concern. The insects that vector fatal diseases, such as Oak Wilt and Dutch Elm Disease, become dormant after this time period and are less likely to be attracted to your oaks and elms.

Cooler temperatures and tree dormancy allow your arborist to assess the tree's architecture more readily so your trees will look and grow better next season.

For a full list of Northbrook's Recommended Tree Replacements, visit [www.northbrook.il.us/TreeReplacement](http://www.northbrook.il.us/TreeReplacement)

If you would like to plant an Oak on your parkway, look for Spring Tree Planting information in the February newsletter.

# Historian's Corner

Reflections from Historical Society President Judy Hughes

Coming Soon to Northbrook - Artisans at the Inn Shop

**For the past few months the volunteers have been busy making the space at 1776 Walters Avenue, formerly occupied by the Northbrook Historical Society Inn Shop, ready for the Grand Opening of the Artisans at the Inn Shop later this month.**

This beautiful new gallery will feature original works of art created by local artists and artisans in all mediums, including paintings, pottery, jewelry, woodworks, fiber, and glass.

While the Historical Society was sad to say goodbye to the Inn Shop after more than 40 years, this new venture will continue and expand the trusted partnership with the community while proving needed revenue for the all-volunteer Society.

More details on the opening will be posted on the Historical Society's website [www.northbrookhistory.org](http://www.northbrookhistory.org) and Facebook page [www.facebook.com/NorthbrookHistory](http://www.facebook.com/NorthbrookHistory) If you know of an artist or artisan whose work you think should be featured in the Artisans at the Inn Shop, please ask them to call the Society at 847-498-3404 and leave their name, contact information and a brief description of their artwork.

### All are Invited to a Benefit Concert in Support of the Northbrook Historical Society

The Sons of the American Legion (SAL) Squadron #791 will be holding a benefit concert in support of the Northbrook Historical Society at Potato Creek Johnny's, 1850 Waukegan Rd, Glenview, on October 29, from 7 to 10:30 p.m. Suggested donation of \$10.00 (or more) or become a member of the Society (Ind. \$15.00, Family \$25.00, Business \$30.00, etc., Lifetime \$300).

Plan a party, bring your friends and neighbors, order dinner, and or appetizers as you listen to local musician, luthier, and SAL member John McHugh and his band who will be joined by other SAL members and friends playing great classic rock. If you are not able to make it to the concert, please consider supporting NHS by becoming a member. Visit [www.northbrookhistory.org/membership](http://www.northbrookhistory.org/membership)
