Northbrook Police Arrest Offender in 2021 Criminal Damage to Property Incident in the 1300 Block of Meadow Road

Northbrook, IL: On Monday, May 2, the Northbrook Police Department arrested and charged Robert W. Mauer (54) of Highland Park, with two felony counts of criminal damage to property that occurred on October 9, 2021, in the 1300 block of Meadow Road.

On October 9, officers responded to an alarm near the 1300 block of Meadow Road shortly after midnight. When they arrived, officers found a parked Tesla with a broken driver's side window and blood on the driver's mirror and inside the vehicle. Officers also noticed a rip in the outdoor dining tent for a local restaurant nearby. Inside the tent there was blood on multiple tables and a discharged fire extinguisher. Officers located Mauer, who had blood on his hands, in the bushes in the nearby vicinity (1300 block of Shermer Road). Mauer was handcuffed and placed in the back of a squad car while officers investigated. Mauer was subsequently released pending further investigation.

Blood samples collected from the crime scene and from the handcuffs worn by Mauer were sent to the Northern Illinois Regional Crime Lab (NIRCL) for comparison. On April 9, the Northbrook Police received a lab report from NIRCL that indicated the blood from the crime scene and the handcuffs were a match. Mauer was arrested and charged by Northbrook Police thereafter.
