

Parkway Tree Order Form

The Village is offering the cost sharing Parkway Tree

Planting Program to residents again this year.

New trees will be 2-inch diameter or about 8-feet tall. A property owner's cost share will be \$175 per tree ordered, regardless of variety or size. Multiple trees may be ordered, providing there is adequate room within the public parkway area. Sorry, no trees may be ordered for private property.

New trees will be scheduled for planting during the month of May, as weather permits.

Limitations

Trees must be planted:

- Equidistant from curb and sidewalks, typically at least 35-feet from other parkway trees
- At least 10-feet from a driveway or street light
- At least 45-feet from an intersection to ensure unobstructed sight lines
- At least 5-feet from manholes, fire hydrants and b-boxes

Note: Trees cannot be planted in the same spot as a recently removed parkway tree due to old root mass.

Ten species of trees are currently available. All trees are limited quantities on a first-come, first-serve basis. All trees may be viewed at www.northbrook.il.us (search box-2026
