How to Use this Directory

This Directory lists many agencies and organizations that provide services to families and individuals. In order to find the resource that can best respond to your need, please consult the **Key Community Resources** (page 3) or the **Specific Categories** (page 10).

Remember to check the Internet, the Northbrook Public Library, and area hospitals and the individual agencies for additional resources and information.

Please note that...

- ◆ **All agencies listed in this Directory are not-for-profit.**
- ◆ **Agencies are listed in alphabetical order.**
- ◆ **To the best of our knowledge, all agencies listed are of sound reputation. Their inclusion in this Directory, however, does not constitute a recommendation on the part of the Community Relations Commission. Rather, these agencies have complied with the criteria for inclusion: not-for-profit status, human services providers, and support for Northbrook residents. Content is based on information provided by each agency.**

Volunteering can be one of life's most rewarding experiences. Many of the agencies listed in this Directory have volunteer opportunities available.

This directory is also available online at the Village of Northbrook's home page - www.northbrook.il.us. You can also view the directory on the CRC's webpage by selecting *Village Government-+Boards and Commissions-+Community Relations Commission*.

About the Provider List

The pages which follow include detailed surveys concerning the individual agencies. Due to the size constraints of this booklet, it was impossible to enumerate all the details available for each agency. If the information you require is not included here, please do not hesitate to contact the providers directly.

Also, please note the following information:

- **TTY** denotes a phone number for the hearing impaired.
- In addition to English, some the agencies have people on staff who speak other languages. These languages are indicated by the following abbreviations which appear in the descriptive portion in the middle of each survey:

(ASL)	American Sign Language
(CA)	Cantonese
(CH)	Chinese
(F)	French
(G)	German
(H)	Hebrew
(J)	Japanese
(K)	Korean
(M)	Mandarin
(P)	Polish
(R)	Russian
(SP)	Spanish
(V)	Vietnamese
(Y)	Yiddish

- Some of the surveys were returned to the Community Relations Commission after the prescribed deadline. If you are looking alphabetically for a specific agency and do not find it, be sure to check at the very end of the provider list.
- This compendium is an evolving list. We are always open to updating and adding information to our electronic version located at www.northbrook.il.us on the Community Relations Commission page. Please forward new information to nbcrc@northbrook.il.us.
