Submittal Statement (Applicant)

Having submitted plans and specifications, I hereby apply to Development and Planning Services, of the Village of Northbrook, IL for a permit. If this permit is granted, I will comply with all ordinances relating to the permit and pay all required fees. No error in omission in either application or plans, whether said application or plans have been approved by Development and Planning Services or not, shall relieve the applicant from constructing the work in any manner than that provided for in ordinances of the Village relating thereto.

I certify that the information contained in this application, attached plans, specifications and other attached documentation is true to the best of my knowledge. I also recognize that as the permit applicant, all fees and requirements associated with the review and future approval of the work described herein is my responsibility.

GENERAL SIGNAGE INFORMATION AND REQUIREMENTS

Please visit www.northbrook.il.us/zoningcode
(Section 9-106 of the Zoning Code) for the full set of sign regulations.

COMMERCIAL, INDUSTRIAL, AND OFFICE ZONING DISTRICTS – Permanent Signage

The total area of all signs on a zoning lot may not exceed one (1) square foot per linear foot of zoning lot frontage.

Ground/Pylon Signs:

- ◆ One sign of either type is permitted per 300 feet of zoning lot frontage.
- ◆ Maximum size is 100 square feet per sign face, or no more than 200 square feet total (double-faced signs).
- ◆ Ground signs may be a maximum of eight (8) feet from grade to the top of the sign, and pylon signs may be a maximum of twenty (20) feet in height, including a minimum eight (8) foot clearance from grade to the bottom edge of the sign.
- ◆ Ground signs must be installed a minimum of fifteen (15) feet from the front lot line and a minimum of six (6) feet from all other lot lines. Pylon signs have a minimum setback of six (6) feet from all lot lines.

Awning/Canopy/Marquee/Wall signs:

- ◆ Wall signs may not project more than twelve (12) inches from the structure to which it is attached.
- ◆ Signs may not exceed five percent (5%) of the wall to which it is affixed or 100 square feet, whichever is less.
- ◆ The maximum height for these types of signs is twenty (20) feet from grade to the top of the sign.
- ◆ Window signage may not exceed fifty percent (50%) of the window area to which they are attached, and may not block any area required for light, ventilation, or emergency exits.

TEMPORARY SIGNS

Temporary Signs:

- ◆ The application for permit must include a sketch of the sign as well as the dates it will be used.
- ◆ Signs may be displayed for a maximum of thirty (30) days in a calendar year.
- ◆ Each permit for this sign type is only good for the consecutive days the sign is in use. A new permit is required after every lapse in time.

APPLICATION FOR PERMIT

- ◆ A sign application must be submitted for each sign proposed.
- ◆ Drawings must be submitted for each sign proposed.
- ◆ Copies of the elevation drawn to scale (including height and frontage dimensions) must be submitted for each wall, awning, canopy, and marquee sign proposed.
- ◆ Copies of the plat of survey indicating the location and setbacks of the sign must be submitted for each ground or pylon sign proposed.
- ◆ Permit fees are assessed in accordance with the Village of Northbrook Annual Fee Ordinance.
- ◆ The Village does not require inspections for signs.
- ◆ No variations are granted for signage. Special permits may be applied for in the C-4, C-5, O-1, O-3, O-4, I-1, I-2, OS, and IB Zoning Districts to allow signs to exceed twenty (20) feet in height.
