### CONSTRUCTION NOTICE

**RE: Stormwater Management Project 26**  
**Sunset Trail, Landwehr Road, Floral Drive, Cedar Court**

Dear Resident:

Significant infrastructure improvements are planned to be implemented on Sunset Trail, Landwehr Road, Floral Drive, and Cedar Court as shown in the location map below. The proposed work will consist of the installation of new storm sewer mains, sidewalk improvements in some locations, and landscape restoration. Work is expected to begin in June 2021. Please see the map below showing the limits of the project.

#### Project Website

Information can be found on the project website at [www.northbrook.il.us/SunsetTrail](http://www.northbrook.il.us/SunsetTrail). This webpage will provide residents with a general overview of the planned improvements to be implemented in the summer of 2021. The webpage will also be utilized to provide project updates once construction begins.

## **Stormwater Improvements**

This project involves reconstructing storm sewers on Sunset Trail, Landwehr Road, Floral Drive, and Cedar Court. The existing storm sewer is undersized and back pitched in multiple segments. The location of the proposed storm sewer will disturb existing sidewalks that will need to be replaced. The goal of this work is to reduce the frequency of street flooding that occurs at the intersection of Sunset Trail and Ridge Drive. This project was identified in the Village's Stormwater Management Plan (Project #26).

## **Questions?**

Residents living within the construction work area will be receiving additional construction information in May. If you have any questions regarding this project, please do not hesitate to contact Jeff Koza, Capital Projects Manager, of the Village's Public Works Department at 847-272-4711.
