
APPLICABILITY & INTERPRETATION

ARTICLE

XII

PART I -- APPLICABILITY

12-101 GENERAL SCOPE

12-101 A. Territorial Application. This Code shall apply to land, structures, and uses within the corporate limits of the Village.

12-101 B. General Application. All structures erected hereafter, all uses of land or structures established hereafter, all structural alterations or relocation of existing structures occurring hereafter, and all enlargements and extensions of, additions to, changes in and relocation of existing uses occurring hereafter shall be subject to all regulations of this Code applicable to the zoning districts in which such land, structures or uses are located. Existing structures and uses that do not comply with the regulations of this Code shall be subject to the provisions of Article X of this Code relating to nonconformities.

12-101 C. General Prohibition. No structure; no use of any structure or land; and no lot of record or zoning lot, now or hereafter existing, shall hereafter be established, enlarged, extended, altered, moved, divided or maintained, in any manner, except as authorized by the provisions of this Code and except in compliance with the regulations of this Code. Without limiting the foregoing, any such activity that would cause any existing structure not to comply with this Code or that would create any parcel of land that could not be developed in compliance with this Code shall be prohibited.

12-101 D. Special Prohibition -- Multiple Principal Structures on Same Zoning Lot. No zoning lot in the Village of Northbrook shall be used for more than one principal structure except when authorized as part of a planned development approved pursuant to Section 11-603 of this Code or as a special permit in, non-residential zoning districts pursuant to Section 11-602 of this Code; or when one or more of the principal structures is a personal wireless services antenna, with or without antenna support structures, and related electronic equipment and equipment structures which is authorized as a permitted or special permit use pursuant to the applicable District regulations of this Code. No structural group containing two or more upward projections shall be considered a single structure unless all such upward projections are joined by an element that:

1. Is at least half as high as the tallest upward projection; and
2. Is something other than a fence, canopy, freestanding wall or other non-functional connection.

12-101 E. Plat of Consolidation Required. Whenever any application is submitted pursuant to this Code for the erection or construction of any building or structure, other than a fence, or for the installation of any paving or surfacing of the ground, over, upon or across one or more lot lines dividing or separating two or more lots of record, such application shall

include an application for approval of a plat of consolidation of those lots of record into a single lot of record pursuant to the Northbrook Subdivision and Development Code (1991), as the same has been and may, from time to time, be amended. This Subsection shall not apply where an application for approval of a plat of subdivision or resubdivision accompanies such an application under this Code.

12-101 F. Exempt Uses.

1. Utility Lines. The following utility uses are exempt from the provisions of this Code: poles, wires, cables, conduits, vaults, laterals, pipes, mains and valves, but not including substations located on or above the surface of the ground, for the distribution to consumers of telephone, cable television or other communications, electricity, gas or water, or for the collection of sewage or surface water, and also not including personal wireless services antenna, with or without antenna support structures, and related electronic equipment and equipment structures. All such uses shall, however, comply with the subdivision and other applicable ordinances of the Village.
2. Railroad Right-of-Way Uses. All railroad rights-of-way, trackage and passenger stations existing on the effective date of this Code shall be exempt from its provisions. Any other railroad facilities or uses, or any change of such existing facility, shall, however, be subject to all of the provisions of this Code.

12-101 G. Private Agreements. This Code is not intended to abrogate, annul or otherwise interfere with any platted building line, easement, covenant or other private agreement or legal relationship; provided, however, that where the regulations of this Code are more restrictive or impose higher standards or requirements than such platted building line, easement, covenant or other private agreement or legal relationship, the regulations of this Code shall govern.

12-102 APPLICATION TO VARIATIONS AND SPECIAL PERMIT USES

12-102 A. Existing Variations and Special Permits. Any variation or special permit (sometimes, in prior codes, referred to as "special uses") lawfully issued prior to the effective date of this Code, or any amendment thereof, shall be deemed to be and continue to be valid after such effective date, subject to any conditions placed thereon at the time of issuance. Any structure or use lawfully authorized by any such variation or special permit that could not be so issued after the effective date of this Code shall be subject to the provisions of Article X of this Code dealing with nonconformities.

12-102 B. Existing Uses and Structures Newly Requiring Special Permit. Any use or structure lawfully existing on the effective date of this Code or any amendment thereof that did not, prior to such effective date, require a special permit but which, after such effective date, does require a special permit, may secure such a permit only pursuant to the standards and procedures made applicable to special permit uses by Section 11-602 of this Code. Unless and until such a permit is so secured, such use shall be subject to the provisions of Article X of this Code dealing with nonconformities.

12-103 BUILDING PERMITS ISSUED PRIOR TO EFFECTIVE DATE

12-103 A. New Code Shall Apply. Except as provided in Subsections B and C of this Section, no Certificate of Occupancy shall be issued following the effective date of this Code or any amendment thereof unless the work, structure or use for which the Certificate of Occupancy is sought is made to fully comply with the applicable provisions of this Code or such amendment.

12-103 B. Right to Complete Construction Pursuant to Approved Plans. Nothing in this Code, or any amendment to it, shall be deemed to require any change in the plans, construction or designated use of any structure in the event that:

1. A building permit for such structure was lawfully issued prior to the effective date of this Code or any such amendment thereof or such a permit is issued after such effective date based upon a complete and proper application for such permit filed prior to such effective date; and
2. Such permit had not by its own terms expired prior to such effective date; and
3. Such permit was lawfully and properly issued in accordance with the law prior to such effective date; and
4. Construction pursuant to such permit is commenced prior to the expiration of such permit and within 180 days of such effective date and is thereafter diligently pursued to completion.

12-103 C. Right to Occupy as Nonconformity. Upon completion pursuant to Subsection B hereof, such structure may be occupied by, and a Certificate of Occupancy shall be issued for, the use designated on such permit, subject thereafter, to the extent applicable, to the provisions of Article X of this Code relating to nonconformities.

12-104 PENDING APPLICATIONS

12-104 A. New Code Shall Apply. This Code and any amendment thereof shall apply to any application pending on the effective date of this Code or such amendment in the same manner as though such application was filed after such effective date.

12-104 B. Duty of Village Officials. Within twenty (20) days following the effective date of this Code or any amendment thereof, any Village official, department, board or commission then having pending before it any application to which this Code or any amendment of it applies pursuant to Subsection A of this Section shall transmit a copy of such application to the Village Manager.

12-104 C. Duty of Village Manager. Within thirty (30) days following the effective date of this Code or any amendment thereof, the Village Manager shall inform each applicant named on each application referred to him pursuant to Subsection B of this Section that said application is subject to the provisions of this Code, as amended, and will be processed in accordance therewith; that the applicant may within thirty (30) days following the mailing of such notice refile, without additional fee, its application on the basis of this Code, as amended; and that if the applicant does not so re-file, its application may be denied for noncompliance with the provisions of this Code, as amended.

12-104 D. Duty of Applicant. Notwithstanding the provisions of Subsections B and C of this Section, it shall be the responsibility of each applicant having an application pending on the effective date of this Code, or any amendment thereof, to modify such application in accordance with the terms and provisions of this Code, as amended, and the failure to do so may, whether or not the procedures of said Subsections have been followed, result in denial of such application for failure to comply with this Code, as amended. Any modification or re-filing of an application pending on such effective date in order to comply with the provisions of this Code, as amended, shall be permitted at any time prior to the final disposition of such application & shall be permitted without payment of any additional fee.

12-104 E. Processing of Pending Applications. Upon the re-filing of any pending application as herein provided, or upon notification from the applicant that it will not re-file or modify its

application, or upon the expiration of sixty (60) days following effective date of this Code or any amendment thereof, whichever occurs first, such pending application shall be processed in accordance with the terms of this Code, as amended; provided, however, that the application requirements, hearing requirements and procedural requirements set forth in Article XI, Part 3, and Subsections 11-601D, 11-602D, 11-603D and 11-604E of this Code shall not apply to any such pending application and each such application shall be processed in accordance with the application, hearing and procedural requirements that were in effect on the date such application was filed. Notwithstanding any other provision of this Section, the Village Manager shall have the authority to request additional data, information or documentation for pending applications when, in his or her judgment, such additional data, information or documentation is necessary or appropriate to a full and proper consideration and disposition of such pending application.

12-105 REPEAL OF PRIOR PROVISIONS

The Northbrook Zoning Ordinance as adopted by Ordinance No. 64-36 on December 19, 1964, and as amended from time to time thereafter prior to the adoption of this Ordinance No. 88-62 providing for the comprehensive revision of said Ordinance by the adoption of this Code, be, and it is hereby, repealed in its entirety. Ordinance No. 79-1, passed and approved on January 9, 1979, as amended by Ordinance No. 84-16, on June 12, 1984, be, and are hereby, repealed in their entirety. Except as expressly provided in this Code, such repeals shall not affect or impair any act done, offense committed or right accruing, accrued or acquired, or liability, penalty, forfeiture or punishment incurred prior to the time such repeal takes effect, but the same may enjoyed, asserted, enforced, prosecuted or inflicted, as fully and the same extent as if such repeal had not been effected.

12-106 SEVERABILITY

12-106 A. Intent as to Severability. The several provisions of this Code shall be severable in accordance with the following rules:

1. Provisions Declared Invalid. If any court of competent jurisdiction shall adjudge any provision of this Code to be invalid, such judgment shall not affect any other provisions of this Code.
2. Applications Declared Invalid. If any court of competent jurisdiction shall adjudge invalid the application of any provision of this Code to a particular parcel of land, a particular structure or a particular use, such judgment shall not affect the application of said provisions to any other land, structure or use.

12-106 B. Applicable Regulations Following Declaration of Invalidity. Whenever the provisions of this Code are declared invalid in their application to any particular parcel of land, the Zoning Map provided for in Section 2-103 of this Code shall continue to show such parcel in the zoning district applicable to it pursuant to this Code unless and until such district is changed by an amendment adopted by the Board of Trustees pursuant to Section 11-601 of this Code; provided, however, that the parcel in question shall also be marked with a star or other distinctive marking to direct attention to the court decree affecting said parcel. The Village Manager shall maintain a file of any such decrees. The provisions of any such decree shall be deemed to modify the otherwise applicable provisions of this Code as they apply to said parcel to the extent provided in said decree but said parcel shall otherwise remain subject to the provisions of this Code.

12-107 EFFECTIVE DATE AND PUBLICATION

This Code shall take effect immediately upon, and its Effective Date shall be the date of, its passage by a vote of two-thirds of the corporate authorities then holding office and its approval by the Village President, the corporate authorities hereby finding that the immediate implementation of this Code is a matter of urgency; provided, however, that the following provisions of this Code shall not take effect until one year following said Effective Date: 9-107 insofar as it requires buffering and screening of structures and uses existing on said Effective Date.

The Village Manager is hereby authorized and directed to publish this Code in pamphlet form and to publish an appropriate notice of its adoption and availability in a newspaper published in the Village.

PART II -- INTERPRETATION

12-201 PROVISIONS ARE MINIMUM REQUIREMENTS

In their interpretation and application, the provisions of this Code shall be held to be the minimum requirements for the promotion of the public health, safety, comfort, morals and general welfare, as set forth in the provisions hereof establishing the intent and purpose of this Code in general and its various Sections in particular.

When the provisions of this Code impose greater restrictions than those of any statute, other ordinance or regulation, the provisions of this Code shall be controlling. Where the provisions of any statute, other ordinance or regulation impose greater restrictions than this Code, the provisions of such statute, other ordinance or regulation shall be controlling.

12-202 PROVISIONS ARE CUMULATIVE

The provisions of this Code shall be interpreted to be cumulative of, and to impose limitations in addition to, all other codes, laws and ordinances in existence or which may be passed governing any subject matter of this Code. The several provisions of this Code shall also be interpreted to be cumulative of each other. To the greatest extent possible, the provisions of this Code shall be construed to be consistent with, and not in conflict with, the provisions of such other codes, laws and ordinances, and each other, to the end that all such provisions may be given their fullest application.

12-203 PROVISIONS ARE NOT A CONSENT, LICENSE OR PERMIT

The provisions of this Code shall not be interpreted to be, or to grant, a consent, license or permit to use any property or to establish, locate, construct or maintain any structure or use, or to carry on any trade, industry, occupation or activity.

12-204 UNLAWFUL USES AND STRUCTURES NOT VALIDATED

This Code shall not be interpreted to validate or make lawful any unlawful use or structure existing upon the effective date of this Code. Any such unlawful use or structure shall remain unlawful to the extent that said use or structure is in conflict with the provisions of this Code.

A group home or specialized residential care home, the residents of which do not constitute a family, that serves persons with disabilities, that is licensed, certified or accredited by appropriate governmental entities, and that does not serve as an alternative to incarceration for a criminal offense, persons whose primary reason for placement is substance or alcohol abuse or persons whose primary reason for placement is treatment of a communicable disease. For purposes of this definition, "disabilities" means any disability:

1. Attributable to mental, intellectual or physical impairments or a combination thereof;
2. Likely to continue for a significant amount of time or indefinitely;
3. That results in functional limitations in three or more of the following areas of major life activities: self-care, receptive or expressive language, learning, mobility, self-direction, capacity for independent living, and economic self-sufficiency; and
4. That reflects a person's need for a combination and sequence of interdisciplinary or generic care, treatment or other services which are of a life-long or extended duration.

COMPENSATORY STORAGE. An artificially excavated, hydraulically equivalent volume of flood storage within the SFHA used to balance the loss of natural flood storage capacity when artificial fill or structures are placed within the floodplain.

COMPLETELY ENCLOSED BUILDING. A building separated on all sides from the adjacent open area, or from other buildings or structures, by a permanent roof and by exterior walls or party walls, pierced only by windows or doors normally provided for the accommodation of persons, goods or vehicles. However, a parking structure that has less than 50 percent of its outer wall space open but that does not allow any parked vehicle within said structure to be seen from the exterior thereof shall be considered a completely enclosed building.

COMPREHENSIVE PLAN. See Subsection 11-201 P of this Code.

CONDITIONAL APPROVAL OF A DESIGNATED FLOODWAY MAP CHANGE. Preconstruction approval by IDNR-OWR and FEMA of a proposed change to the floodway map.

CONDITIONAL LETTER OF MAP REVISION (CLOMR). A letter which indicates that the Federal Emergency Management Agency will revise base flood elevations, flood insurance rate zones, flood boundaries or floodway as shown on an effective Flood Hazard Boundary Map or Flood Insurance Rate Map, once the as-built plans are submitted and approved.

CONDITIONAL USE. See Subsection 12-206 U of this Section.

CONSUMER PRICE INDEX (CPI). Consumer price index for the Chicago-Naperville-Elgin area as published annually by the U.S. Department of Labor, Bureau of Labor Statistics.

CONSTRUCTION SIGN. See Subsection 9-1 of this Code.

CONVERSION. A change in residential or mixed-use rental developments to individual-owner residential condominium units.

CORNER LOT. See Subsection 12-206 L of this Section.

CUL-DE-SAC. A minor street having one end open and one end permanently terminated by a vehicular turnaround.

CURB LEVEL. The street curb height at the midpoint of a lot line. Where curb exists, the elevation of the crown of the street at the midpoint of the lot line shall be deemed to be the curb level.

D. When used in this Code, the following terms shall have the meanings herein ascribed to them:

DAM. All obstructions, wall embankments or barriers, together with their abutments and appurtenant works, if any, constructed for the purpose of storing or diverting water or creating a pool. Dams may also include weirs, restrictive culverts or impoundment structures. Underground water storage tanks are not included.

DAY CARE. Daytime care or instruction, except elementary, secondary and schools of higher education, of children or adults away from their own homes by a person other than a relative, whether or not for compensation or reward.

DAY CARE NURSERY. A place providing day care for not more than eight children, including family members, being operated as a home occupation, and retaining all necessary state and local licenses.

DAY CARE SERVICE, CHILD. A place providing day care for children and not operated as a home occupation.

DECK. A platform or structure serving a principal structure at thirty inches or more above grade and not covered by any permanent structure.

DEDICATION. The designation of land for a public use by the owner thereof.

DENSITY. The number of persons, families or dwelling units or the amount of gross floor area in a building, on a lot or in a development.

DENSITY, GROSS. The density of a development divided by the gross area of the development.

DENSITY, NET. The density of a development divided by the net area of the development.

DEPTH OF LOT. See Subsection 12-206 L of this Section.

DETENTION. Temporary storage of storm water to be released from the property at the same rate as it would be released from the property in its natural state, by means of a facility engineered for that purpose.

DEVELOPER. The party responsible for obtaining approvals from the Village, including zoning, subdivision, and building permit approvals, for a governed development.

DEVELOPMENT. Any man-made change, other than maintenance of existing structures, paved areas or utilities, to improved or unimproved real estate, including, without limitation, the construction or installation of new, or enlargement of existing structures, streets or utilities; dredging, filling, drilling, mining, grading, paving or excavating operations; and open storage of materials.

DISPLAY SURFACE OR FACE. The area made available by a sign structure for the purpose of displaying the sign's message.

DISTANCE OF SIGN PROJECTION. The distance from the exterior wall surface of a building to the sign element farthest distant from such surface.

DISTRICT OR DISTRICT, ZONING. See Subsection 12-206 Z of this Section.

DISTRICT BOUNDARY LINE. A line on the Zoning Map separating one district from another. See also Subsection 2-103 C of this Code.

DISTRICT BOUNDARY LOT. Any lot or parcel of land any lot line of which coincides with a district boundary line or which is contiguous to a public or private right-of-way containing a district boundary line.

DRIVE-THROUGH FACILITY. An establishment or facility that provides products or services to occupants seated inside a motor vehicle, other than within a building, but not including dispensing of fuels at an automobile service station. Pick-up, drop-off, ordering and service are handled through a drive-through window.

DRIVE-THROUGH WINDOW. A window, other fenestration or other device provided within the structure of a building designed for the delivery of goods or products to a vehicle and through which compensation for such may be exchanged, including the making of change and the order of such goods.

DRIVEWAY. A private access way that provides direct access from a street to not more than one lot or one principal building or use, except as may otherwise be provided by the Board of Trustees pursuant to Section 22-60 of the Northbrook Municipal Code (1988).

DWELLING. Any structure or portion thereof designed or used for habitation by one or more families.

DWELLING, MULTIPLE FAMILY. A dwelling, other than a single family attached dwelling, containing more than two dwelling units.

DWELLING, SINGLE FAMILY ATTACHED. See Subsection 12-206 D, "Dwelling, Townhouse."

DWELLING, SINGLE FAMILY DETACHED. A dwelling containing only one dwelling unit, situated on a separate subdivision lot or being a separate condominium unit capable of individual sale and completely surrounded by open space.

DWELLING, TOWNHOUSE. A dwelling composed of a row of two or more, but not more than eight adjoining dwelling units, each situated on a separate subdivision lot or being a separate condominium unit capable of individual sale and each of which is separated from the others by one or more unpierced walls extending from ground to roof.

DWELLING, TWO FAMILY. A dwelling, other than a single family attached dwelling, containing two dwelling units, each of which is totally separated from the other by an unpierced wall extending from ground to roof or an unpierced ceiling and floor extending from exterior wall to exterior wall.

DWELLING UNIT. Any room or group of rooms located within a dwelling forming a single habitable unit with facilities that are used or intended to be used for living, sleeping, cooking, eating and sanitation by one family.

E. When used in this Code, the following terms shall have the meanings herein ascribed to them:

EARTHBORNE VIBRATIONS. A cyclic movement of the earth due to the propagation of mechanical energy.

EASEMENT. Authorization by a property owner for the use by another, and for a specified purpose, of any designated area of his property. The term also refers to such a designated area.

EATING PLACE. An establishment where food is available to the general public primarily for consumption within a structure on the premises, where at least 50 percent of the gross floor area of the establishment is devoted to patron seating.

EATING PLACE, CARRY-OUT. An establishment which by design of physical facilities or by service or packaging procedures permits or encourages the purchase of prepared, ready-to-eat foods intended to be consumed off the premises.

EATING PLACE, DRIVE-IN. A drive-in establishment where food is prepared and served to persons in, or for consumption in motor vehicles.

EFFECTIVE DATE. See Section 12-107 of this Article.

ELEVATION CERTIFICATE. A form published by FEMA that is used to certify the elevation to which a building has been elevated.

ELIGIBLE HOUSEHOLD. For purposes of this Part, a household with an annual income less than 120% of the Area Median Income,

ENLARGEMENT. An addition to the floor area of an existing building or an increase in the size of any other existing structure.

EROSION. The general process whereby soils are moved by flowing water or wave action.

ETHICS CODE. The Village of Northbrook Code of Ethics, being Article XV of Chapter 2 of the Northbrook Municipal Code.

EXCEPTION. See Section 11—505 of this Code.

EXTENSION. An increase in the amount of existing floor area used for an existing use within an existing structure or an increase in that portion of a tract of land occupied by an existing use.

EXTERIOR WALL. Any wall of a building or structure one side of which is exposed to the outdoors.

F. When used in this Code, the following terms shall have the meanings herein ascribed to them:

FAMILY. One or more persons related by blood, marriage, legal adoption or guardianship, or not more than five (5) persons not so related, together with gratuitous guests and domestic servants, living together as the functional equivalent of a traditional family and a single housekeeping unit.

FEMA. Federal Emergency Management Agency and its regulations at 44 CFR Parts 59-79, as amended.

FENCE. A barrier structure used as a boundary or as a means of protection, confinement or screening.

FINAL PLAT OF SUBDIVISION. A map or plan of record of a subdivision, and any accompanying materials, prepared in accordance with Article VIII of the Northbrook Subdivision Ordinance.

FLOOD. A general and temporary condition of partial or complete inundation of normally dry land areas from overflow of inland or tidal waters or the unusual and rapid accumulation or runoff of surface waters from any source.

FLOOD FRINGE. That portion of the floodplain outside of the designated regulatory floodway.

FLOOD FREQUENCY. A period of years, based on a statistical analysis, during which a flood of a stated magnitude may be expected to be equaled or exceeded.

FLOOD INSURANCE RATE MAPS (FIRM). An official map prepared by the Federal Emergency Management Agency (FEMA) that depicts the Special Flood Hazard Areas (SFHA's) within a community. This map includes insurance rate zones and floodplains and may or may not depict floodways.

FLOOD INSURANCE STUDY. An examination, evaluation and determination of flood hazards and if appropriate, corresponding water surface elevations.

FLOOD PLAIN. That land typically adjacent to a body of water or watercourse with ground surface elevations at or below the base flood or the 100-year frequency flood elevation. Floodplains may also include detached Special Flood Hazard Areas (SFHA's), ponding areas, or areas not adjacent to a body of water or watercourse. The floodplains are those lands within the Village of Northbrook that are subject to inundation by the base flood or one hundred (100) year frequency flood. The flood plains within the Village of Northbrook are generally identified on the maps, plans and studies referenced in Section 8-204 of this Code.

FLOOD PROTECTION ELEVATION (FPE). The elevation of the base flood or one hundred (100) year frequency flood event plus one (1) foot of freeboard at any given location in the SFHA.

FLOODPROOFING. Any combination of structural and non-structural additions, changes or adjustments to structures which reduce or eliminate flood damage to real estate or improved real property, water and sanitary facilities, structures and their contents.

FLOODPROOFING CERTIFICATE. A form published by FEMA that is used to certify that a building has been designed and constructed to be structurally dry floodproofed to the flood protection elevation.

FLOODWAY. See Subsection 12-206 R "Regulatory Floodway" of this Code.

FLOOR AREA, GROSS. (For determining maximum gross floor area for single family

detached dwellings in SINGLE-FAMILY RESIDENTIAL DISTRICTS.) The sum of the gross horizontal areas of all floors of a building or of such area devoted to a specific use, measured from the exterior face of exterior walls or from the center line of walls separating two buildings or uses. Gross floor area shall include, without limitation, areas such as:

1. basement floors;
2. area devoted to off-street parking or loading, whether in attached or detached structures;
3. elevator shafts and stairwells at each floor;
4. floor spaces and shafts used for mechanical, electrical and plumbing equipment, except equipment located in a cellar or on the roof; and
5. penthouses;
6. interior balconies and mezzanines;
7. enclosed porches;
8. floor space used for accessory uses; and
9. where any space has a floor to ceiling height of 14 feet or more, each 14 feet of height, or fraction thereof, shall constitute a separate floor; provided, however, for spaces with a sloping or slanting ceiling, only that portion of such space with a floor to ceiling height of 14 feet or more shall be treated as a separate floor.

Gross floor area shall exclude the following specific areas:

1. cellar floors;
2. attic floors, regardless of the clear ceiling height;
3. decks and patios;
4. open, unenclosed porches, not exceeding eight feet in depth;
5. chimneys projecting not more than two feet from an exterior wall;
6. bay windows projecting not more than three feet from an exterior wall for a distance not more than 1/3 of the length of such wall provided that such projections shall come entirely within planes drawn from the main corners of the building at an interior angle of 45 degrees with the wall in question; and
7. the first 200 square feet of accessory storage structures other than garages, when authorized pursuant to Paragraph 9-101 D1 of this Code.

FLOOR AREA, GROSS. (for all purposes except determining maximum gross floor area for single family detached dwellings in single-family residential districts and off-street parking and loading requirements in all districts.) The sum of the gross horizontal areas of all floors of a building or of such area devoted to a specific use, measured from the exterior face of exterior walls or from the center line of walls separating two buildings or uses. Gross floor area shall include areas such as basement floors, but not cellar

floors; elevator shafts and stairwells at each floor; floor spaces and shafts used for mechanical, electrical and plumbing equipment, except equipment located in a cellar or on the roof; penthouses; attic floors, except where the clear ceiling height is less than seven feet; interior balconies and mezzanines; enclosed porches and floor space used for accessory uses. It shall not include floor area devoted to off-street parking or loading. Where any space has a floor to ceiling height of more than 16 feet, only the first 16 feet of space shall constitute a floor for the purpose of calculating gross floor area.

FLOOR AREA, NET. (For determining off-street parking and loading requirements.) The gross floor area of a building minus floor space devoted to washrooms intended for general public use; elevator shafts and stairwells at each floor; floor space and shafts used for mechanical, electrical, and plumbing equipment; basement and attic floor space used only for bulk storage.

FLOOR AREA RATIO (FAR). The gross floor area of a building divided by the total lot area of the zoning lot on which it is located. For planned developments, the FAR shall be determined by dividing the gross floor area of all principal buildings by the net area of the site. (Illust. #14)

FOOT CANDLE. The illumination at all points one foot distant from a uniform point source of one candle power.

FREEBOARD. An increment of elevation added to the base flood elevation to provide a factor of safety for uncertainties in calculations, future watershed development, unknown localized conditions, wave actions and unpredictable effects such as those caused by ice or debris jams, bridge openings and the hydrological effect of development within the watershed.

FRONT LOT LINE. See Subsection 12-206 L of this Section.

FRONT YARD. See Subsection 12-206 Y of this Section.

FRONT YARD LINE. See Subsection 12-206 Y of this Section.

FRONTAGE. All the property fronting on one side of a street, measured along such street, between an intersecting or intercepting street and another intersecting or intercepting street, a right-of-way in excess of 30 feet, an end of a dead-end street, a watercourse or a village boundary.

FRONTAGE, ZONING LOT. All of the property of a zoning lot fronting on a street, measured along the front and corner side lot lines.

G. When used in this Code, the following terms shall have the meanings herein ascribed to them:

GARAGE. A structure, or part thereof, designed or used for the parking and storage of vehicles at one or more levels.

GOVERNED DEVELOPMENT. Any residential or mixed use development with a residential component that is required to provide affordable housing units under provisions of this Part. Projects at one location undertaken in phases, stages or otherwise developed in distinct parts shall be considered a single governed development.

GOVERNMENTAL SIGN. See Subsection 9-106 E of this Code.

GRADE. In all zoning districts other than single family residential districts and the Residential and Limited Commercial District, for structures more than 5 feet from any street line, the average level of the finished surface adjacent to the structure, and for structures any portion of which is located within 5 feet of a street line or lines, the curb level, or the average of the curb levels at such street line or lines.

In all single family residential districts and the Residential and Limited Commercial District, the normal contour of the land at the location of the proposed structure or development prior to the construction of such structure or development, as established by the Village Engineer; provided, however, that if no normal contour can be established, then grade shall mean (1) the curb level, or the average of the curb levels, adjacent to the street line or lines, or (2) where no curbs exist, the level of the center line of the street, or the average level of the center line of the street, adjacent to the street line or lines.

GRADING. Reshaping natural land contours using natural land materials.

GROUND SIGN. See Subsection 9-106 E of this Code.

H. When used in this Code, the following terms shall have the meanings herein ascribed to them:

HEIGHT. In all zoning districts other than single family residential districts and the Residential and Limited Commercial District, the vertical distance measured from grade at the front of a structure to the highest point of the roof for flat roofs, to the deck line for mansard roofs and to the mean height between eaves and ridge for gable, hip, and gambrel roofs or to the highest point of a structure without a roof. Where a parapet wall, penthouse, mechanical equipment or any similar structure is located on the roof of a building, building height shall be measured to the highest point of said structure if any part of it extends above the height as measured pursuant to the first sentence of this definition.-Where a structure faces more than one street, the structure face with the greater height when measured as herein required shall be deemed to be the front of the structure for purposes of measuring structure height. Notwithstanding the above, when calculating height of structures in a planned development for the above stated zoning districts, height shall be the vertical distance measured from top of foundation to the highest point of a structure as shown on the final engineering and grading plans approved by the Village Engineer.

In all single family residential districts and the Residential and Limited Commercial District, the vertical distance measured from grade to the highest point of a structure. For the purposes of this definition in single family residential districts and the Residential and Limited Commercial District, "highest point of a structure" shall mean the point of said structure that is located at the highest vertical distance above grade. Chimneys of principal residential buildings shall not be

included in determining the said highest point. Where a zoning lot has more than one grade at the location of the building or structure, the structure face with the greater height when measured as herein required shall be used for purposes of measuring structure height. Notwithstanding the above, when calculating height of structures in a planned development for the above stated zoning districts, height shall be the vertical distance measured from top of foundation to the highest point of a structure as shown on the final engineering and grading plans approved by the Village Engineer.

HOLIDAY DECORATIONS. See Subsection 9-106 E of this Code.

HOME OCCUPATION. See Subsection 9-102 B of this Code.

HOSPITAL. An institution licensed by the State of Illinois, providing health services, primarily for inpatient and medical or surgical care for illness, disease, injury, and other physical and mental conditions, included as an integral part of the institution and related facilities such as laboratories, out-patient facilities or training facilities.

HOTEL. An establishment offering transient lodging accommodations, that is commonly known as a hotel in the community in which it is located, and that provides customary hotel services such as maid service, furnishing and laundry of linen, telephone service, desk service, bellboy service and the use and upkeep of furniture.

HOTEL, EXTENDED STAY. An establishment offering transient lodging accommodations to the general public that are, accessed through a central area or main lobby, and that have limited kitchen facilities and are rented on a weekly basis a majority of the time; provided, however, that no more than four guests shall occupy any unit of such accommodations at any one time.

HOUSING EXPENSES.

- a) For affordable rental units – rent and utilities; and
- b) For affordable owner-occupied units – principal and interest of any mortgages placed on the unit, property taxes, condominium or homeowner's association fees, if applicable, and insurance.

HYDROLOGIC and HYDRAULIC CALCULATIONS. Engineering analysis which determine expected flood flows and flood elevations based on land characteristics and rainfall events.

I. When used in this Code, the following terms shall have the meanings herein ascribed to them:

IDENTIFICATION SIGN. See Subsection 9-106 E of this Code.

IDNR/OWR. The Illinois Department of Natural Resources - Office of Water Resources or the successor to its responsibilities.

IMPROVEMENT OR FACILITY, PUBLIC. A sanitary sewer, storm sewer, drainage appurtenance, water main, roadway, parkway, sidewalk, planting strip or other facility for which the Village or any other governmental agency may assume maintenance or operational responsibility.

INDEPENDENT SENIOR LIVING FACILITIES. Sometimes also referred to as Senior Citizen Housing, a residential development consisting of individual dwelling units that are:

1. Constructed, maintained and operated for the exclusive occupancy by:
 - (a) Persons who are at least 62 years of age;
 - (b) Persons who are under a disability or are handicapped as determined by the regulations of the United States Department of Housing and Urban Development; or
 - (c) 2 or more persons, one of whom meets the occupancy criteria stated in (a) or (b); provided, however, that not more than one dwelling unit in such dwelling may be occupied by a resident manager who does not meet the aforesaid occupancy criteria; and
2. Which may provide residents with common services such as dining facilities, housekeeping, transportation and social and recreational activities.

Operators of such developments shall not provide assistance with activities of daily living such as supervision of medication, bathing, and dressing, or provide skilled nursing beds.

INSTITUTIONAL BUILDING. Any building the principal use of which is an Institutional use.

INSTITUTIONAL USE OR PURPOSE. Any use permitted in the Institutional Buildings District.

INTEGRATED CENTER. A grouping of compatible uses on a single zoning lot, such uses being in either single ownership or under unified control.

INTERPRETATION. See Section 11-501 and Article XII, Part 2, of this Code.

INTERIOR LOT. See Subsection 12-206 L of this Section.

J. When used in this Code, the following term shall have the meaning herein ascribed to it:

JOINT IDENTIFICATION SIGN. See Subsection 9-106 of this Code.

K. [RESERVED FOR FUTURE USE]

L. When used in this Code, the following terms shall have the meanings herein ascribed to them:

LANDBANKING. Setting aside land area for future use. See also Subsection 9-104 E of this Code.

LEGAL NONCONFORMING LOT OF RECORD. See Subsection 12-206 N of this Section.

LEGAL NONCONFORMING STRUCTURE. See Subsection 12-206 P, "Pre-Code Structure."

LEGAL USE. See Subsection 12-206 U, "Use, Legal."

LESS RESTRICTIVE DISTRICT. See Section 2-102 of this Code.

LETTER OF MAP AMENDMENT (LOMA). An official determination by FEMA following a review of scientific or technical data that a specific property or portion of a property is not in a 100-year floodplain. The LOMA amends the FIRM.

LETTER OF MAP REVISION (LOMR). Letter that revises base flood or 100-year frequency flood elevations, flood insurance rate zones, flood boundaries or floodways as shown on an effective FIRM.

LIMITED FINANCIAL SERVICE FACILITY. A facility established by an existing banking or financial institution that offers limited financial services only to businesses conducted within the contiguous area of the district in which the Limited Financial Service Facility is located.

LIVE ENTERTAINMENT. A public performance intended to be diverting or engaging with or without the use of instrumental, electronic or mechanical accompaniment.

LOADING SPACE. An area used for the standing, loading or unloading of truck or trailer.

LOT. See "Lot of Record" and "Lot, Zoning," *infra*. Unless the context indicates otherwise, all references in this Code to a "lot" shall be deemed to mean a "zoning lot."

LOT AREA, TOTAL. The total land and water area included within lot lines, excluding, however, areas subject to easements for public or private access or egress.

LOT AREA PER UNIT. That portion of the total lot area allocated for each dwelling unit located on a lot.

LOT, BUILDABLE AREA OF A. That portion of a lot bounded by the required yards.

LOT, BUILDABLE WIDTH OF A. The width of a lot remaining as buildable after side yards and corner side yards are provided.

LOT, CORNER. A lot abutting upon two or more intersecting streets or a lot bounded on two sides by a curving street where it is possible to draw two intersecting tangents, one each commencing at each of the two points of intersection of the lot lines and street line, which intersect with each other to form an interior angle of less than 135 degrees.

LOT COVERAGE. The percentage of a lot's area covered by any building or structure or any impermeable surface other than streets, whether public or private, public sidewalks, private

sidewalks under common ownership, or water bodies. See also Subsection 12-206 B, "Building Coverage" of this Section.

LOT DEPTH. The minimum straight line distance between the front and rear lot lines.

LOT, INTERIOR. A lot other than a corner lot.

LOT LINE, CORNER SIDE. Any street line of a corner lot other than its front lot line.

LOT LINE, FRONT. In the case of an interior lot abutting upon only one street, the line separating such lot from the right-of-way of such street; in the case of a through lot, each line separating such lot from the right-of-way of a street shall be considered a front lot line; in the case of a corner lot, the shorter lot line separating such lot from the right-of-way of a street shall be considered to be the front lot line.

LOT LINE, REAR. The rear lot line is the lot line or lot lines generally opposite or most nearly parallel to the front lot line. In the case of triangular shaped lots or a lot having a rear lot line less than ten feet in length, the rear lot line shall be deemed to be an imaginary line ten feet in length entirely within the lot, parallel to and at a maximum distance from the front line.

LOT LINE, SIDE. Any lot line other than a front, corner-side or rear lot line.

LOT LINES. The property lines bounding a lot; provided, however, that where a lot includes land subject to a public right-of-way easement for street purposes, the line separating such right-of-way from the rest of the lot shall be deemed to be the lot line.

LOT, MINIMUM TOTAL AREA OF. The smallest lot on which a particular use or structure may be located in a particular district.

LOT OF RECORD. A lot that is part of a subdivision, the plat of which has been recorded in the office of the County Recorder of Deeds, or a parcel of land separately described in a recorded instrument.

LOT, THROUGH. A lot having frontages on two non-intersecting streets.

LOT, WIDTH OF. The shortest distance between side lot lines measured by a line passing through the center point of the required front yard line.

LOT, ZONING. A tract of land consisting of one or more lots of record, or parts thereof, under single fee simple title ownership or control, located entirely within a block and occupied by, or designated by its owner or developer at the time of filing for any zoning approval or building permit as a tract to be developed for, a principal building and its accessory buildings, or a principal use, together with such open spaces and yards as are designed and arranged, or required under this Code, to be used with such building or use. Notwithstanding the foregoing, sale of individual lots of record underlying individual dwelling units in an attached or two family dwelling, following issuance of a Certificate of Occupancy for such dwelling, shall not prevent treatment of the tract of land underlying such dwelling as a zoning lot and all applicable bulk, space and yard requirements shall be applied with respect to such dwelling and such zoning lot rather than with respect to individually-owned dwelling units and lots of record.

M. When used in this Code, the following terms shall have the meanings herein ascribed to them:

MAJOR AUTOMOBILE REPAIR. See Subsection 12-206 A of this Section.

MANUFACTURING BUILDING. Any building the principal use of which is a manufacturing use.

MANUFACTURING DISTRICT. Any district whose designation begins with the letter "M" as set forth in Section 2-101 of this Code.

MANUFACTURING USE OR PURPOSE. Any use permitted in a Manufacturing District.

MARKET RATE HOUSING UNITS. All owner-occupied or rental dwelling units in a governed development that are not classified as affordable housing units.

MARQUEE OR CANOPY. A roof-like structure of a permanent nature that projects from the wall of a building.

MARQUEE SIGN. See Subsection 9-106 E of this Code.

MAXIMUM RESALE PRICE. The maximum price an owner-occupied affordable unit may be sold to another eligible household at, based on a valuation formula incorporating appraisal data, a maximum appreciation factor, and allowances for capital improvements, as set forth in a schedule to be published by the Village on an annual basis.

MEDICAL CANNABIS DISPENSARY. A facility operated by an organization or business that is registered by the Illinois Department of Financial and Professional Regulation to acquire medical cannabis from a registered cultivation center for the purpose of dispensing cannabis, paraphernalia, or related supplies and educational materials to registered qualifying patients.

MEMORIAL SIGN. See Subsection 9-106 E of this Code.

MINIMUM LOT AREA. See Subsection 12-206 L of this Section.

MINOR AUTOMOBILE REPAIR. See Subsection 12-206 A of this Section.

MIXED RESIDENTIAL AND COMMERCIAL DISTRICT. The Multiple Family Residential and Commercial District and the Residential and Limited Commercial District as set forth in Section 2-101 of this Code.

MORE RESTRICTIVE DISTRICT. See Section 2-202 of this Code.

MOTEL. An establishment offering transient lodging accommodations that provides services similar to a hotel and that has individual entrances from the outside of the building for at least 25 percent of the lodging accommodations located therein.

MOVING SIGN. See Subsection 9-106 E of this Code.

MULTIPLE FAMILY DWELLING. See Subsection 12-206 D of this Section.

MUNICIPAL CODE. The Northbrook Municipal Code.

N. When used in this Code, the following terms shall have the meanings herein ascribed to them:

NAME PLATE SIGN. See Subsection 9-106 E of this Code.

NATIONAL FLOOD INSURANCE PROGRAM (NFIP). That program established by Congress at 42 U.S.C. Sec. 4001 et seq. to provide a means of insuring property losses caused by flood risks.

NAVD. North American Vertical Datum of 1988. NAVD 88 supersedes the National Geodetic Vertical Datum of 1929 (NGVD).

NET FLOOR AREA. See Subsection 12-206 F of this Section.

NONCONFORMING LOT OF RECORD. A lot of record that does not comply with the lot requirements for any permitted use in the district in which it is located.

NONCONFORMING LOT OF RECORD, LEGAL. A nonconforming lot of record that:

1. Was created by a plat or deed recorded and came into ownership separate from adjoining tracts of land, at a time when the creation of a lot of such size, shape, depth and width at such location would not have been prohibited by any ordinance or other regulation; and
2. Has remained in separate and individual ownership from adjoining tracts of land continuously during the entire time that the creation of such a lot has been prohibited by any applicable ordinance or other regulation.

NONCONFORMING SIGN. Any sign lawfully existing on the effective date of this Code, or any amendment to it rendering such sign nonconforming, does not comply with all of the standards and regulations of this Code or any such amendment hereto.

NONCONFORMING STRUCTURE. See Subsection 12-206 P, "Pre-Code Structure."

NONCONFORMING USE. Any use lawfully being made of any land, building or structure, other than a sign, on the effective date of this Code, or any amendment to it rendering such use nonconforming, that does not comply with all of the regulations of this Code, or any such amendment hereto, governing use for the zoning district in which such land, building or structure is located.

NORTHBROOK FLOOD INSURANCE STUDY (FIS). The Cook County Flood Insurance Study (FIS), effective date April 16, 2007, as it may be amended from time to time.

NORTHBROOK STANDARDS AND SPECIFICATIONS. Standards and Specifications for Public and Private Improvements, approved by the Board of Trustees on October 9, 1990, as it may be amended from time to time.

NURSING HOME FACILITY. An establishment that provides full-time nursing and health related personal care, but not hospital services, with in-patient beds for three or more individuals who are not related by blood or marriage to the operator and who, by reason of advanced age, chronic illness or infirmity, are unable to care for themselves. No care for the acutely ill or surgical or obstetrical services shall be provided in such an establishment; a hospital shall not be construed to be included in this definition.

O. When used in this Code, the following terms shall have the meanings herein ascribed to them:

OBSOLETE DEVELOPMENT. Property used in a manner that is no longer compatible with uses on surrounding properties due to the trend of development, regardless of conformity with the regulations of this Code.

OFFICE BUILDING. Any building the principal use of which is an office use.

OFFICE DISTRICT. Any district, except the Open Space District, whose designation begins with the letter "O" as set forth in Section 2-101 of this Code.

OFFICE USE OR PURPOSE. Any use permitted in an Office District.

OFFICIAL COMPREHENSIVE PLAN. See Subsection 11-201 B of this Code.

OFFICIAL MAP. See Section 11-202 of this Code.

ON-SITE INFORMATIONAL SIGN. See Subsection 9-106 E of this Code.

ONE HUNDRED (100) YEAR FREQUENCY FLOOD ELEVATION. See Base Flood Elevation in Subsection 12-206 B of this Code.

ONE HUNDRED (100) YEAR FREQUENCY FLOOD EVENT. See Base Flood in Subsection 12-206 B of this Code.

ONE-ON-ONE PERSONAL FITNESS TRAINING FACILITY. An establishment offering only one-on-one personal fitness training, by appointment only, and no group fitness training activities. Each client must work directly with a certified personal trainer when using such an establishment, and each trainer shall work with no more than two clients at one time.
