PUBLIC WORKS DEPARTMENT

## Construction Notice

August 16, 2022

### **Re: Cedar Lane Roadway Improvements – September 2022**

Dear Resident:

The Village of Northbrook will be performing construction on Cedar Lane starting in September 2022. The project was publicly bid in July and was approved by the Village Board of Trustees in August. The Contractor performing the work will be Chicagoland Paving Contractors, Inc. The planned improvements include adding an all-way stop with ADA sidewalk ramps at the intersection of Cedar Lane and Cherry Lane, constructing a new pedestrian mid-block crossing with a flashing beacon on Cedar Lane between the Library and Village Hall along with asphalt patching on Cedar Lane.

#### **What to Expect:**

##### **Parking Stalls on Cedar Lane to be closed to residents during repaving operations**

The parking stalls on Cedar Lane will be closed to residents during the project to allow for the contractor to efficiently complete all required pavement milling, repaving, and pavement restriping work. Construction barricades and signage will be placed prior to the closure

##### **Construction Schedule**

The work will begin on September 6<sup>th</sup>, 2022 and is anticipated to be completed no later than October 21<sup>st</sup>, 2022. The start date for construction will depend on weather, as well as contractor/subcontractor availability.

##### **Traffic Delays and Detours**

Significant impacts to traffic are expected while the contractor is performing street patching on Cedar Lane or Cherry Lane.

##### **Construction Noise**

The project work will generate noise and unfortunately the noise is unavoidable. Construction noise is not allowed before 7am on work days. Please contact the project manager if there are any concerns.

##### **Stay Informed**

The Village will be providing emailed project updates via NotifyMe. Instructions for how to sign up for NotifyMe email updates are enclosed. NotifyMe is the primary way Village staff will disseminate project information to the public. In addition to NotifyMe, project updates will be posted to the project web page which can be found on the Village's website at [www.northbrook.il.us/CedarLane](http://www.northbrook.il.us/CedarLane).

##### **Questions/Additional Information**

A map of the project area can be found one the reverse side. Please contact Michael Weller, Project Manager, via email at [michael.weller@northbrook.il.us](mailto:michael.weller@northbrook.il.us) or via phone 847-272-4711 with any questions or concerns.
