General Fund Budget-to-Actual

Use Tax: FY17-Present

Use tax (online purchases) is below the original projected budget.

This revenue is projected to fall \$650K short due to a new Illinois remote seller rule effective January 2025, but this is fully offset by a corresponding increase in sales tax.

Income Tax Collection History

Actual to Budget

FY26, Q1

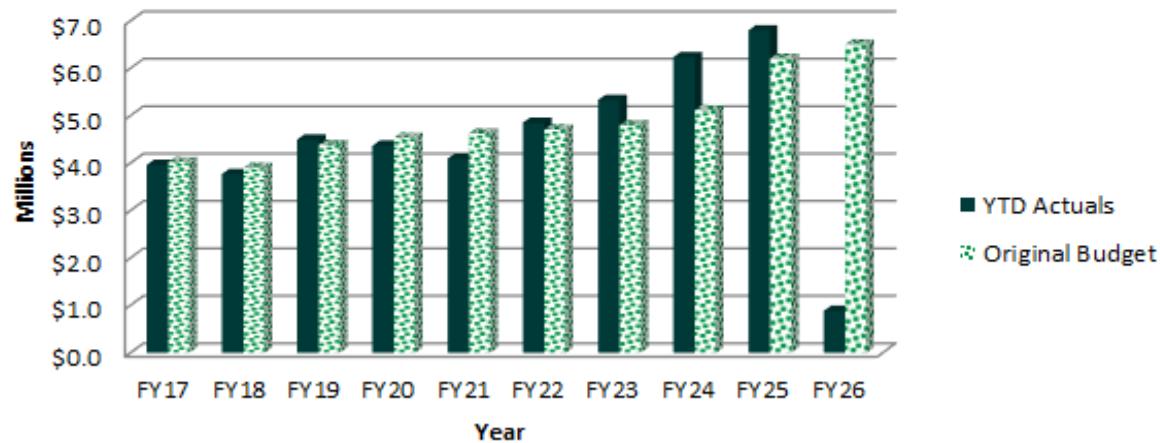

This revenue is distributed by the State on a per-capita basis and the significantly higher than median income for Northbrook residents unfortunately does not translate to higher income tax revenues to the village. Therefore, other lower-income communities benefit from higher income areas with this tax revenue.
